Property comprised in Folio CE4179F
Letter of Consent to Application for Planning Permission

Dear Sirs,

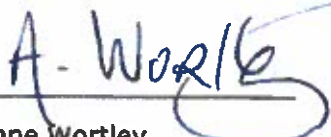

I confirm that I am a sister and the primary carer of Edward Malone, the registered owner of all of the property comprised in Folio CE 4179F (the "Property").

I refer to the proposed development of the wind farm on part of the Property (the "Development"), the proposed layout of which is identified on the map attached hereto.

I understand that Coillte intends to make an application for planning permission in respect of the Development. I confirm that my brother Edward Malone is unable to give consent for the purpose of the proposed planning application due to ill and failing health. I confirm that I have no objection to the proposed Development on the Property and I support Coillte's application for planning permission in respect of same.

Should you have any queries in relation to the above, please do not hesitate to contact me.

Yours Faithfully

Anne Wortley
