Turbine T19

- Notes :**
1. All drawings are to be read in conjunction with all relevant Specifications, Bills of Materials, Architectural, Services and Engineering Drawings.
 2. Any discrepancies between these documents shall be brought to the attention of the Engineer.
 3. All dimensions are in millimetres unless noted otherwise.
 4. All levels are in metres related to Ordnance Datum.
 5. Drawings are not to be scaled.
 6. The finished layout may be subject to micro-siting due to unforeseen ground conditions. The extent of flexibility will be site specific and should generally not extend beyond 20 metres.
