10 December 2020

Dear Minister O'Brien,

**246369-00**

## **Notice of Planning Application to An Bord Pleanála in respect of a Strategic Infrastructure Development**

### **Greenlink Interconnector – Ireland Onshore**

Please be advised that Greenlink Interconnector Ltd is applying to An Bord Pleanála for approval for development in respect of the Greenlink Interconnector elements located onshore in Ireland under Section 182A of the Planning and Development Act 2000, as amended.

The proposed development will form part of the Greenlink Interconnector. The Greenlink Interconnector is designated as a European Union Project of Common Interest (PCI), under the provisions of European Union Regulation No. 347/2013 on guidelines for Trans-European Network for Energy ('TEN-E Regulation'). The Greenlink Interconnector will comprise subsea and underground high voltage electricity cables and associated converter stations to connect EirGrid's Great Island 220 kV substation in County Wexford (Ireland) and National Grid's Pembroke transmission substation in Pembrokeshire (Wales). The elements of the Greenlink Interconnector offshore Ireland, offshore Wales and on land in Wales are the subject of separate applications for consent to the relevant competent authorities.

Approval is sought for the proposed development comprising the following elements:

- a new converter station, tail station, MV substation at Great Island,
- 23km of high voltage direct current (HVDC) electricity cables,

**Directors** Joe Burns Eva Hinkers (German) Donal McDaid  
**Company Secretary** Ken Freeman

- 420m of high voltage alternating current (HVAC) cables,
- 23.42km of fibre optic cable,
- associated above ground marker posts,
- 54 car parking spaces on the access road to Baginbun Beach,
- the provision of footpaths and street lighting in Ramsgrange village, and
- associated construction compounds,
- with an overall proposed development site area of 83.8ha.

The proposed development will be located in the townlands of Great Island, Kilmannock, Dunbrody, Saltmills, Grange, Kilhile, Rosetown, Coleman, Ramsgrange, Kilbride, Ballinruan, Aldridge, Booley, Broomhill, Lewistown, Kilcloggan, Templetown, Graigue Little, Graigue Great, Lambstown and Ramstown in County Wexford.

The proposed project is fully described in the planning application documentation, including Public Notices, Planning Drawings, Planning Report, Environmental Impact Assessment Report and Natura Impact Statement. An electronic copy of the application has been uploaded to a OneDrive portal on 10/12/2020 which accompanies this letter submitted to you on behalf of Greenlink Interconnector Ltd., South Bank House, Barrow Street, Dublin 4, D04 TR29.

A schedule of the documents submitted to you is attached.

All of this information will also be available to view at the following dedicated website: [www.greenlinkplanning.ie](http://www.greenlinkplanning.ie).

Submissions or observations may be made in writing to An Bord Pleanála ('the Board') 64 Marlborough Street, Dublin 1 in the period 16 December 2020 to 12 February 2021 relating to:

- i. the implications of the proposed development for proper planning and sustainable development of the area or areas concerned, and
- ii. the likely effects on the environment of the proposed development, if carried out.
- iii. the likely adverse effects of the proposed development on the integrity of a European Site, if carried out.

Any submissions/observations must be received by An Bord Pleanála (the Board) not later than 5.30pm on the **12 February 2021**.

Please note that An Bord Pleanála may make the following types of decision, under section 182B of the Planning Acts, in respect of the application:

- i. approve the proposed development,
- ii. make such modifications to the proposed development as it specifies in its approval and approve the proposed development as so modified, or
- iii. approve in part only the proposed development (with or without specified modifications of it of the foregoing kind), or
- iv. refuse to grant the permission/approval,

and may attach to an approval such conditions as it considers appropriate.

Any enquiries relating to the application process should be directed to the Strategic Infrastructure Section of An Bord Pleanála (Tel: 01 8588100), [sids@pleanala.ie](mailto:sids@pleanala.ie).

Yours sincerely

10 December 2020

Dear Sir/Madam,

**246369-00**

## **Notice of Planning Application to An Bord Pleanála in respect of a Strategic Infrastructure Development**

### **Greenlink Interconnector – Ireland Onshore**

Please be advised that Greenlink Interconnector Ltd is applying to An Bord Pleanála for approval for development in respect of the Greenlink Interconnector elements located onshore in Ireland under Section 182A of the Planning and Development Act 2000, as amended.

The proposed development will form part of the Greenlink Interconnector. The Greenlink Interconnector is designated as a European Union Project of Common Interest (PCI), under the provisions of European Union Regulation No. 347/2013 on guidelines for Trans-European Network for Energy ('TEN-E Regulation'). The Greenlink Interconnector will comprise subsea and underground high voltage electricity cables and associated converter stations to connect EirGrid's Great Island 220 kV substation in County Wexford (Ireland) and National Grid's Pembroke transmission substation in Pembrokeshire (Wales). The elements of the Greenlink Interconnector offshore Ireland, offshore Wales and on land in Wales are the subject of separate applications for consent to the relevant competent authorities.

Approval is sought for the proposed development comprising the following elements:

- a new converter station, tail station, MV substation at Great Island,
- 23km of high voltage direct current (HVDC) electricity cables,

**Directors** Joe Burns Eva Hinkers (German) Donal McDaid  
**Company Secretary** Ken Freeman

- 420m of high voltage alternating current (HVAC) cables,
- 23.42km of fibre optic cable,
- associated above ground marker posts,
- 54 car parking spaces on the access road to Baginbun Beach,
- the provision of footpaths and street lighting in Ramsgrange village, and
- associated construction compounds,
- with an overall proposed development site area of 83.8ha.

The proposed development will be located in the townlands of Great Island, Kilmannock, Dunbrody, Saltmills, Grange, Kilhile, Rosetown, Coleman, Ramsgrange, Kilbride, Ballinruan, Aldridge, Booley, Broomhill, Lewistown, Kilcloggan, Templetown, Graigue Little, Graigue Great, Lambstown and Ramstown in County Wexford.

The proposed project is fully described in the planning application documentation, including Public Notices, Planning Drawings, Planning Report, Environmental Impact Assessment Report and Natura Impact Statement. An electronic copy of the application has been uploaded to a OneDrive portal on 10/12/2020 which accompanies this letter submitted to you on behalf of Greenlink Interconnector Ltd., South Bank House, Barrow Street, Dublin 4, D04 TR29.

A schedule of the documents submitted to you is attached.

All of this information will also be available to view at the following dedicated website: [www.greenlinkplanning.ie](http://www.greenlinkplanning.ie).

Submissions or observations may be made in writing to An Bord Pleanála ('the Board') 64 Marlborough Street, Dublin 1 in the period 16 December 2020 to 12 February 2021 relating to:

- i. the implications of the proposed development for proper planning and sustainable development of the area or areas concerned, and
- ii. the likely effects on the environment of the proposed development, if carried out.
- iii. the likely adverse effects of the proposed development on the integrity of a European Site, if carried out.

Any submissions/observations must be received by An Bord Pleanála (the Board) not later than 5.30pm on the **12 February 2021**.

Please note that An Bord Pleanála may make the following types of decision, under section 182B of the Planning Acts, in respect of the application:

- i. approve the proposed development,
- ii. make such modifications to the proposed development as it specifies in its approval and approve the proposed development as so modified, or
- iii. approve in part only the proposed development (with or without specified modifications of it of the foregoing kind), or
- iv. refuse to grant the permission/approval,

and may attach to an approval such conditions as it considers appropriate.

Any enquiries relating to the application process should be directed to the Strategic Infrastructure Section of An Bord Pleanála (Tel: 01 8588100), [sids@pleanala.ie](mailto:sids@pleanala.ie).

Yours sincerely

10 December 2020

Dear Sir/Madam,

**246369-00**

## **Notice of Planning Application to An Bord Pleanála in respect of a Strategic Infrastructure Development**

### **Greenlink Interconnector – Ireland Onshore**

Please be advised that Greenlink Interconnector Ltd is applying to An Bord Pleanála for approval for development in respect of the Greenlink Interconnector elements located onshore in Ireland under Section 182A of the Planning and Development Act 2000, as amended.

The proposed development will form part of the Greenlink Interconnector. The Greenlink Interconnector is designated as a European Union Project of Common Interest (PCI), under the provisions of European Union Regulation No. 347/2013 on guidelines for Trans-European Network for Energy ('TEN-E Regulation'). The Greenlink Interconnector will comprise subsea and underground high voltage electricity cables and associated converter stations to connect EirGrid's Great Island 220 kV substation in County Wexford (Ireland) and National Grid's Pembroke transmission substation in Pembrokeshire (Wales). The elements of the Greenlink Interconnector offshore Ireland, offshore Wales and on land in Wales are the subject of separate applications for consent to the relevant competent authorities.

Approval is sought for the proposed development comprising the following elements:

- a new converter station, tail station, MV substation at Great Island,
- 23km of high voltage direct current (HVDC) electricity cables,

**Directors** Joe Burns Eva Hinkers (German) Donal McDaid  
**Company Secretary** Ken Freeman

- 420m of high voltage alternating current (HVAC) cables,
- 23.42km of fibre optic cable,
- associated above ground marker posts,
- 54 car parking spaces on the access road to Baginbun Beach,
- the provision of footpaths and street lighting in Ramsgrange village, and
- associated construction compounds,
- with an overall proposed development site area of 83.8ha.

The proposed development will be located in the townlands of Great Island, Kilmannock, Dunbrody, Saltmills, Grange, Kilhile, Rosetown, Coleman, Ramsgrange, Kilbride, Ballinruan, Aldridge, Booley, Broomhill, Lewistown, Kilcloggan, Templetown, Graigue Little, Graigue Great, Lambstown and Ramstown in County Wexford.

The proposed project is fully described in the planning application documentation, including Public Notices, Planning Drawings, Planning Report, Environmental Impact Assessment Report and Natura Impact Statement. An electronic copy of the application has been uploaded to a OneDrive portal on 10/12/2020 which accompanies this letter submitted to you on behalf of Greenlink Interconnector Ltd., South Bank House, Barrow Street, Dublin 4, D04 TR29.

A schedule of the documents submitted to you is attached.

All of this information will also be available to view at the following dedicated website: [www.greenlinkplanning.ie](http://www.greenlinkplanning.ie).

Submissions or observations may be made in writing to An Bord Pleanála ('the Board') 64 Marlborough Street, Dublin 1 in the period 16 December 2020 to 12 February 2021 relating to:

- i. the implications of the proposed development for proper planning and sustainable development of the area or areas concerned, and
- ii. the likely effects on the environment of the proposed development, if carried out.
- iii. the likely adverse effects of the proposed development on the integrity of a European Site, if carried out.

Any submissions/observations must be received by An Bord Pleanála (the Board) not later than 5.30pm on the **12 February 2021**.

Please note that An Bord Pleanála may make the following types of decision, under section 182B of the Planning Acts, in respect of the application:

- i. approve the proposed development,
- ii. make such modifications to the proposed development as it specifies in its approval and approve the proposed development as so modified, or
- iii. approve in part only the proposed development (with or without specified modifications of it of the foregoing kind), or
- iv. refuse to grant the permission/approval,

and may attach to an approval such conditions as it considers appropriate.

Any enquiries relating to the application process should be directed to the Strategic Infrastructure Section of An Bord Pleanála (Tel: 01 8588100), [sids@pleanala.ie](mailto:sids@pleanala.ie).

Yours sincerely

10 December 2020

Dear Sir/Madam,

**246369-00**

## **Notice of Planning Application to An Bord Pleanála in respect of a Strategic Infrastructure Development**

### **Greenlink Interconnector – Ireland Onshore**

Please be advised that Greenlink Interconnector Ltd is applying to An Bord Pleanála for approval for development in respect of the Greenlink Interconnector elements located onshore in Ireland under Section 182A of the Planning and Development Act 2000, as amended.

The proposed development will form part of the Greenlink Interconnector. The Greenlink Interconnector is designated as a European Union Project of Common Interest (PCI), under the provisions of European Union Regulation No. 347/2013 on guidelines for Trans-European Network for Energy ('TEN-E Regulation'). The Greenlink Interconnector will comprise subsea and underground high voltage electricity cables and associated converter stations to connect EirGrid's Great Island 220 kV substation in County Wexford (Ireland) and National Grid's Pembroke transmission substation in Pembrokeshire (Wales). The elements of the Greenlink Interconnector offshore Ireland, offshore Wales and on land in Wales are the subject of separate applications for consent to the relevant competent authorities.

Approval is sought for the proposed development comprising the following elements:

- a new converter station, tail station, MV substation at Great Island,
- 23km of high voltage direct current (HVDC) electricity cables,

**Directors** Joe Burns Eva Hinkers (German) Donal McDaid  
**Company Secretary** Ken Freeman

- 420m of high voltage alternating current (HVAC) cables,
- 23.42km of fibre optic cable,
- associated above ground marker posts,
- 54 car parking spaces on the access road to Baginbun Beach,
- the provision of footpaths and street lighting in Ramsgrange village, and
- associated construction compounds,
- with an overall proposed development site area of 83.8ha.

The proposed development will be located in the townlands of Great Island, Kilmannock, Dunbrody, Saltmills, Grange, Kilhile, Rosetown, Coleman, Ramsgrange, Kilbride, Ballinruan, Aldridge, Booley, Broomhill, Lewistown, Kilcloggan, Templetown, Graigue Little, Graigue Great, Lambstown and Ramstown in County Wexford.

The proposed project is fully described in the planning application documentation, including Public Notices, Planning Drawings, Planning Report, Environmental Impact Assessment Report and Natura Impact Statement. An electronic copy of the application has been uploaded to a OneDrive portal on 10/12/2020 which accompanies this letter submitted to you on behalf of Greenlink Interconnector Ltd., South Bank House, Barrow Street, Dublin 4, D04 TR29.

A schedule of the documents submitted to you is attached.

All of this information will also be available to view at the following dedicated website: [www.greenlinkplanning.ie](http://www.greenlinkplanning.ie).

Submissions or observations may be made in writing to An Bord Pleanála ('the Board') 64 Marlborough Street, Dublin 1 in the period 16 December 2020 to 12 February 2021 relating to:

- i. the implications of the proposed development for proper planning and sustainable development of the area or areas concerned, and
- ii. the likely effects on the environment of the proposed development, if carried out.
- iii. the likely adverse effects of the proposed development on the integrity of a European Site, if carried out.

Any submissions/observations must be received by An Bord Pleanála (the Board) not later than 5.30pm on the **12 February 2021**.

Please note that An Bord Pleanála may make the following types of decision, under section 182B of the Planning Acts, in respect of the application:

- i. approve the proposed development,
- ii. make such modifications to the proposed development as it specifies in its approval and approve the proposed development as so modified, or
- iii. approve in part only the proposed development (with or without specified modifications of it of the foregoing kind), or
- iv. refuse to grant the permission/approval,

and may attach to an approval such conditions as it considers appropriate.

Any enquiries relating to the application process should be directed to the Strategic Infrastructure Section of An Bord Pleanála (Tel: 01 8588100), [sids@pleanala.ie](mailto:sids@pleanala.ie).

Yours sincerely

for

10 December 2020

Dear Sir/Madam,

**246369-00**

## **Notice of Planning Application to An Bord Pleanála in respect of a Strategic Infrastructure Development**

### **Greenlink Interconnector – Ireland Onshore**

Please be advised that Greenlink Interconnector Ltd is applying to An Bord Pleanála for approval for development in respect of the Greenlink Interconnector elements located onshore in Ireland under Section 182A of the Planning and Development Act 2000, as amended.

The proposed development will form part of the Greenlink Interconnector. The Greenlink Interconnector is designated as a European Union Project of Common Interest (PCI), under the provisions of European Union Regulation No. 347/2013 on guidelines for Trans-European Network for Energy ('TEN-E Regulation'). The Greenlink Interconnector will comprise subsea and underground high voltage electricity cables and associated converter stations to connect EirGrid's Great Island 220 kV substation in County Wexford (Ireland) and National Grid's Pembroke transmission substation in Pembrokeshire (Wales). The elements of the Greenlink Interconnector offshore Ireland, offshore Wales and on land in Wales are the subject of separate applications for consent to the relevant competent authorities.

Approval is sought for the proposed development comprising the following elements:

- a new converter station, tail station, MV substation at Great Island,
- 23km of high voltage direct current (HVDC) electricity cables,

**Directors** Joe Burns Eva Hinkers (German) Donal McDaid  
**Company Secretary** Ken Freeman

- 420m of high voltage alternating current (HVAC) cables,
- 23.42km of fibre optic cable,
- associated above ground marker posts,
- 54 car parking spaces on the access road to Baginbun Beach,
- the provision of footpaths and street lighting in Ramsgrange village, and
- associated construction compounds,
- with an overall proposed development site area of 83.8ha.

The proposed development will be located in the townlands of Great Island, Kilmannock, Dunbrody, Saltmills, Grange, Kilhile, Rosetown, Coleman, Ramsgrange, Kilbride, Ballinruan, Aldridge, Booley, Broomhill, Lewistown, Kilcloggan, Templetown, Graigue Little, Graigue Great, Lambstown and Ramstown in County Wexford.

The proposed project is fully described in the planning application documentation, including Public Notices, Planning Drawings, Planning Report, Environmental Impact Assessment Report and Natura Impact Statement. One hard copy and one electronic copy of the application documentation accompanies this letter submitted to you on behalf of Greenlink Interconnector Ltd., South Bank House, Barrow Street, Dublin 4, D04 TR29.

A schedule of the documents submitted to you is attached.

All of this information will also be available to view at the following dedicated website: [www.greenlinkplanning.ie](http://www.greenlinkplanning.ie).

Submissions or observations may be made in writing to An Bord Pleanála ('the Board') 64 Marlborough Street, Dublin 1 in the period 16 December 2020 to 12 February 2021 relating to:

- i. the implications of the proposed development for proper planning and sustainable development of the area or areas concerned, and
- ii. the likely effects on the environment of the proposed development, if carried out.
- iii. the likely adverse effects of the proposed development on the integrity of a European Site, if carried out.

Any submissions/observations must be received by An Bord Pleanála (the Board) not later than 5.30pm on the **12 February 2021**.

Please note that An Bord Pleanála may make the following types of decision, under section 182B of the Planning Acts, in respect of the application:

- i. approve the proposed development,
- ii. make such modifications to the proposed development as it specifies in its approval and approve the proposed development as so modified, or
- iii. approve in part only the proposed development (with or without specified modifications of it of the foregoing kind), or
- iv. refuse to grant the permission/approval,

and may attach to an approval such conditions as it considers appropriate.

Any enquiries relating to the application process should be directed to the Strategic Infrastructure Section of An Bord Pleanála (Tel: 01 8588100), [sids@pleanala.ie](mailto:sids@pleanala.ie).

Yours sincerely

for
