Sheila

DAU looks after "Heritage". It just happens to be between two government Departments (the two you mentioned) awaiting formal transfer.

For the sake of clarity you covered those two bases.

Good morning,

Apologies I understand that the DAU have responded to an email on behalf of the Minister for TCAGSM already for the Greenlink project. However, I also need a response to confirm receipt from the Minister for Housing, Local Government and Heritage. I understand the DAU works within this department now. Would you be able to respond to the email below to confirm receipt also?

Kind regards,  
Sheila
