Re: Planning Application by Greenlink Interconnector Limited in Respect of Subterranean Electrical Cable at Great Island, Co. Wexford.

Subject to Board Approval
Subject to Contract / Contract Denied
Without Prejudice

Dear Mr. Hickey,

I refer to the above matter and to our meeting of 6th February 2020.

Coras Iompair Éireann is the owner of the Waterford – Rosslare railway line. It is noted that Greenlink Interconnector Ltd. intends to apply for planning permission to develop a subterranean interconnector cable which will necessitate a crossing of the railway line at two locations - bridge structures UBH143 & UBH149. CIE is aware of this proposal and consents to the submission of a planning application which involves the installation of cable / ducting in the ground beneath UBH143 & UBH149.

Please note that, although CIE hereby grants landlord's consent to apply for planning permission, the above proposal shall be subject to the approval of the Board of CIE and subsequent grant of licence to the applicant, Greenlink Interconnector Ltd.

Yours faithfully,

Niall Grogan
CIE Group Property Manager

20th January 2020

Re: ESB Lands at Great Island, Co Wexford.

ESB confirms it is the legal owner of the lands in Folio WX2957L at the townland of Great Island in County Wexford, on which an application is to be submitted to the planning authority for County Wexford by Greenlink Interconnector Ltd.

This application is in respect of installation of an underground high voltage cable.

ESB consents solely to the making of this application in respect of it's lands, and not for any other purpose (including permission to access the lands for the execution of the proposed works).

Yours sincerely,

Michael Briscoe
For and on behalf of ESB.
