In accordance with Section 37E of the Planning and Development Act 2000, as amended, we, Springfield Renewables Ltd, give notice of our intention to make an application to An Bord Pleanála for permission for a period of 10 years, for development comprising the construction of a wind farm and related works within the townlands of Castlecosker, Derrynahinch, Kiltorcan, Coolroe Beg, Baunskeha, Castlebanny, Kilvinoge, Cappagh, Coolnahau, Ballytarsna, Mullennakill, Glenpipe, Ballymartin, Ballyvatheen, Ballynoony West, Derrylucky, Garrandarragh, Ballygegan and Ballyvool, Co. Kilkenny.

The development will consist of: The construction of 21 no. wind turbines and ancillary works. The turbines will have a maximum blade tip height of up to 185m above the top of the foundation level and will be accessible from internal access routes within the site. Springfield Renewables Ltd intends to apply for a ten-year planning permission for the following:

- Erection of 21 no. wind turbines with an overall blade tip height of up to 185m and all associated foundations and hard-standing areas in respect of each turbine;
- Improvement of existing site entrance with access onto the R704 regional road, vertical realignment of the R704 in proximity to this entrance, and creation of two new site entrances on the L7451 to form a new crossing point;
- Improvements and temporary modifications to existing public road infrastructure to facilitate delivery of abnormal loads and turbine delivery and construction access at two locations on the R704 in the townland of Ballynoony West;
- Construction of 2 no. temporary construction compounds with associated temporary site offices, parking areas and security fencing;
- Installation of 1 no. permanent meteorological mast up to a height of 100m;
- 3 no. borrow pits;
- Construction of new internal site access roads and upgrade of existing site roads, to include passing bays and all associated drainage;
- Construction of drainage and sediment control systems;
- Construction of 1 no. permanent 110kV electrical substation including:
 - 2 no. control buildings containing worker welfare facilities and equipment store; All electrical plant and infrastructure and grid ancillary services equipment; Parking; Security Fencing; Wastewater holding tank; Rainwater harvesting equipment; All associated infrastructure and services including site works and signage;
- All associated underground electrical and communications cabling connecting the wind turbines to the proposed wind farm substation;
- All works associated with the connection of the proposed wind farm to the national electricity grid, which will be via a loop-in 110 kV underground cable connection approximately 4km in length to the existing overhead 110 kV line in the townland of Ballyvool, Co. Kilkenny, with two new 16m high steel lattice loop-in/out masts at the connection point;
- All related site works and ancillary development including berms, landscaping, and soil excavation;
- Ancillary forestry felling to facilitate construction and operation of the proposed development and any onsite forestry replanting;
- Development of a permanent public car park with seating/picnic tables at the end of the construction phase of the development on the footprint of the southern temporary construction compound; and
- Permanent recreational facilities including marked walking and cycling trails along the site access roads, and associated recreation and amenity signage and outdoor fitness equipment.
- A 10-year planning permission and 35-year operational life from the date of commissioning of the entire wind farm is being sought. The area of site to which the application relates is 271.2ha.

This application is accompanied by an Environmental Impact Assessment Report (EIAR) and a Natura Impact Statement (NIS).

The Planning Application, and the Environmental Impact Assessment Report and Natura Impact Statement may be inspected, free of charge or purchased for a specified fee not exceeding the reasonable cost of making a copy, during public opening hours for a period of 7 weeks commencing on 5th February 2021 at the following locations:
