Subject: RE: Strategic Housing Development Planning Application - Lissywollen, Athlone, County Westmeath

Hi Alan

As per our conversation I am happy to receive a soft copy and all I require is the Childcare aspect and if that could be emailed as I am remote working.

Kind Regards

Muriel Flynn,
Manager

Subject: Strategic Housing Development Planning Application - Lissywollen, Athlone, County Westmeath

Dear Muriel,

I'm following on from my call last week regarding a proposed Strategic Housing Development planning application which we, Delphi Design, Architects & Planning Consultants, intend to submit to An Bord Pleanála in the coming weeks for a site located in Lissywollen, Athlone, County Westmeath. As I said in our call we have been directed by An Bord Pleanála to send hard and soft copies of the planning application to the Westmeath County Childcare Committee. I am hoping that you could confirm via email that the Westmeath County Childcare Committee are happy to receive a softcopy version of the planning application only and do not require a hardcopy (paper version) to be posted to your offices. It would be much appreciated if you could confirm this in writing in case any issue arises when we submit the application to An Bord Pleanála.

If you require any further details of the application please do not hesitate to contact me however we will send an explanatory letter with full details of the development and method of submitting observations to An Bord Pleanála once the application has been lodged.

Many Thanks.

Kind Regards,

Alan Fenton, BA, MRUP, MIPI, MRTPI
