**Re: Request for Confirmation of Road Taken in Charge and
Declared a Public Road**

A Chara,

I refer to your letter dated 6th May 2021 and email dated 10th May 2021, together with attached map in respect of Roads and Services Certificate for the above named areas. Receipt attached herewith in respect of fee of €140.00.

The section of road, (Old Dublin Road - L-5037-0) as shown highlighted ORANGE and labelled A-B on the attached map, is taken in charge by Galway City Council and is declared a public road. The section of road (Rosshill Road, L-50371-4) as shown highlighted PINK and labelled C-D on the attached map, is taken in charge by Galway City Council and is declared a public road. The services, namely the sewers and watermain located therein, are also taken in charge. However, the water and sewer service pipes of any property, which connects to the public watermain and sewer, are the responsibility of the property owners.

Note: Irish Water assumed responsibility for public watermain and public (foul and combined) sewerage networks from 1st January, 2014
