To whom it may concern,

We, Delphi Design Architects and Planners, are in the process of finalising documentation to submit a formal Strategic Housing Development planning application to An Bord Pleanàla for their consideration.

Pursuant to article 285(5)(a) of the Planning and Development (Strategic Housing Development) Regulations 2017, the prospective applicant has been informed by An Bord Pleanàla that Dublin Airport Operator should be notified in the event of the making of an application arising from this notification in accordance with section 8(1)(b) of the Planning and Development (Housing) and Residential Tenancies Act 2016.

Due to the current Covid-19 restrictions, we are seeking confirmation from Dublin Airport Operator if the provision of a soft copy only of the application submitted to An Bord Pleanàla would be sufficient in place of a hard copy or does Irish Water require the provision of a hard copy of the submission?

I look forward to your response to the above query.

Regards,

**Bryan Meredith**, BA, MRUP, MIPI, RTPI
