Prescribed form of notice to be served on bodies or persons referred to under Section 51(3)(b) of the Roads Act, 1993 (as amended)

**COMHAIRLE CONTAE DHÚN NA NGALL
DONEGAL COUNTY COUNCIL**

To: *[Insert Addressee]*

Notice is hereby given that Donegal County Council has made an application to An Bord Pleanála under Section 51(2) of the Roads Act, 1993 (as amended) for approval to carry out the following proposed development which is located at Station Road, Lifford, County Donegal and partly within the adjoining foreshore:

Construction of a pedestrian and cycle bridge 115m in length between Lifford and Strabane (the adjacent eastern section of the proposed community park at Strabane, County Tyrone);

Donegal County Council has submitted to the Board the Environmental Impact Assessment Report as part of the application for approval in respect of the proposed development. As the proposed development is likely to have significant effects on the environment in a transboundary state i.e. Northern Ireland, notice of the proposed development has been given to the relevant authorities in Northern Ireland. In addition, Donegal County Council has prepared a Natura Impact Statement and an Appropriate Assessment is being conducted by An Bord Pleanála further to a related application pursuant to Section 177AE of the Planning and Development Acts, 2000 to 2021.

The planning application may also be viewed on the following website: <http://riverine-planning.com/>

Submissions may be made in writing to An Bord Pleanála at 64 Marlborough St, Rotunda, Dublin 1, D01 V902 in relation to:

- the likely effects on the environment of the proposed development;
- the implications of the proposed development for proper planning and sustainable development in the area in which it is proposed to situate the proposed development; and
- the likely significant effects of the proposed road development on a European site, if carried out,

between 30th September 2021 and 18th November 2021.
