PLANNING NOTICES

Planning and Development Act 2000 (as amended) Notice of Direct Planning Application to An Bord Pleanála in respect of a Strategic Infrastructure Development (a proposed Electricity Transmission Development) County Dublin (Fingal County Council) In accordance with Section 182A of the Planning and Development Act 2000 (as amended) Hunstons Power Company Limited, gives notice of its intention to make an application for a 10 year permission/approval to An Bord Pleanála in relation to the proposed strategic infrastructure development at a site of c.4.33 ha on lands adjacent to Hunstons Power Station, North Road, Finglas, Dublin 11. The site is bounded to the north and east by agricultural fields, to the south by the private road connecting the North Road with Hunstons Power Station and Hunstons Quarry and to the west by Hunstons Power Station. The underground transmission lines (4 no.) will connect the proposed 220 kV GIS Mooretown Substation serving the data hall development proposed under concurrent application (Reg. Ref. FW21A0151) located on lands adjacent to Hunstons Power Station, North Road, Finglas, Dublin 11 with the 220 kV Finglas cable route located to the south of the site on the private road connecting the North Road with Hunstons Power Station and Hunstons Quarry, with the 220 kV Corduff cable route located to the west of the site and just north of the private road connecting the North Road with Hunstons Power Station and Hunstons Quarry and to the existing Hunstons 220 kV AIS station to the west via 220 kV cables to the Hunstons A and Hunstons B circuits. The four proposed transmission cables cover a distance of between c.125m and c.300m each between the proposed substation and the adjacent connection points. The proposed development will consist of the following: (1) Construction of a 2 storey 220 kV Gas Insulated Switchgear (GIS) substation known as 'Moortown' comprising switchgear floor, cable pylonary room, generator room, relay room, battery room, workshop, toilet, store room, mess room, hoist space, stair cores and circulation areas (c.2,068 sqm total gross floor area) with an overall height of c.17m located within an overall EirGrid and Customer compound (c.11,231 sqm in area). Lightning electrodes are attached to the roof of the substation building resulting in an overall height of c.20m. The compound includes 4 no. 220/20 kV transformers, 4 no. 20 kV switchgear buildings and 1 no. 20 kV control room buildings (c.5 m high and c.35.5 sqm in area each), 220 kV series coil (equipment), fire walls (ranging from c.10 m-12.5 m high), lightning finials and monopoles (c.20 m high). The overall compound is surrounded by a c.2.6 m high palisade fence. The proposed substation will serve the data centre proposed under concurrent application Reg. Ref. FW21A0151; (2) The underground cable (Cable No. 1) will follow a route originating at the proposed Mooretown Substation extending south and then west along the private road connecting the North Road with Hunstons Power Station and Hunstons Quarry. The route terminates at a proposed joint bay on the existing Corduff cable route. The underground cable (Cable No. 2) will follow a route originating at the proposed Mooretown Substation Compound / series coil extending south across the internal road connecting the North Road with Hunstons Power Station and Hunstons Quarry. The route terminates at a proposed joint bay on the existing Finglas cable route. Removal of the redundant sections of the 220 kV Corduff cables and 220 kV Finglas cables serving the existing AIS bay to Hunstons Power Station. The underground cable (Cable No. 3) will follow a route originating at the Mooretown GIS Substation extending south and then west to the adjacent existing ESB Hunstons A AIS station. The route terminates in the ESB Hunstons A AIS Station. The underground cable (Cable No. 4) will follow a route originating at the ESB Hunstons B AIS Substation extending south and then west to the adjacent existing Hunstons B AIS station. The route terminates in the ESB Hunstons B AIS Station. (3) The development includes all associated and ancillary site development and construction works, services provision, drainage works, connections to the substations, all internal road/footpath access routes, landscaping and boundary treatment works, vehicular access onto the private road to the south of the site and provision of 9 no. car parking spaces in the overall compound. An Environmental Impact Assessment has been prepared and accompanies this application. The planning application and Environmental Impact Assessment may be inspected free of charge or purchased on payment of a specified fee (which fee shall not exceed the reasonable cost of making such copy) during public opening hours for a period of seven weeks commencing 7 October 2021 until 25 November 2021 at the following locations: 7 The Offices of An Bord Pleanála, 64 Marlborough Street, Dublin 1; 7 Fingal County Council, Civic Offices, Grove Road, Blanchardstown, Dublin 15.
