Planning and Development (Housing) and Residential Tenancies Act 2016 Planning and Development (Strategic Housing Development) Regulations 2017 Notice of Strategic Housing Development Application to An Bord Pleanála HRREH HSD Investments Ltd intends to apply to An Bord Pleanála for permission for a strategic housing development at a site at Heuston South Quarter St. John's Road West (to the north), Military Road (to the east), Royal Hospital Kilmainham (Protected Structure) (to the south and west), Kilmainham, Dublin 8. The proposed development will consist of a residential development of 399 no. 'Build To Rent' residential units and all ancillary and associated uses, development and works, and a retail unit of 120 sq m, on a site of 1,108 ha. The proposed development consists of: Site clearance and localised definitions to remove part of the podium and Basement Level -1 reinforced concrete slabs at the interface of the proposed Blocks A and B, together with the incorporation of part of the existing double basement level structure extending to approximately 7,613 sqm over two levels (excluding an area of 3,318 sqm that will be backfilled at Basement Level -1) within the proposed development. The construction of 5 no. buildings (Blocks A to E) ranging in height between 3- to 18-stories over double basement level / podium level to provide a residential / mixed use development to provide 399 Specific BTR (Build to Rent) units with a total gross floor area of 29,391 sq m, comprising 46 no. studios, 250 no. one bedroom units, 90 no. 2 bedroom / 4 person units and 13 no. 2 bedroom / 3 person units; internal communal ancillary residential services / amenities to include a shared co-working area / lounge (178 sqm) and gym (102 sqm) at lower ground floor level, and lounges on either side of a residential foyer at ground floor / podium level within Block A (196 sqm) and a TV Room / lounge (57 sqm) at ground floor / podium level within Block C. An independent retail unit (120 sqm) is proposed at ground floor / podium level within Block B. A double basement is provided that will be integrated within the existing basement levels serving the wider HSQ development and will be accessed from the existing vehicular ramped access/egress/outdoor St. John's Road West and Military Road to the north and east, respectively. Basement level -1 provides: a refuse store; 80 no. car parking spaces (including 4 no. disabled spaces and 8 car club spaces); 4 no. motorcycle parking spaces; and secure bicycle parking / storage in the form of 251 no. double stacked cycle parking spaces providing capacity for 502 no. secure bicycle storage spaces for residents at basement -1 level. An additional 49 no. Sheffield type bicycle stands are provided at basement level -1 to provide 98 no. visitor cycle spaces (inclusive of 8 no. designated cargo bike spaces, that will also be available for the shared use with residents of the scheme) and a further 55 no. Sheffield type bicycle stands are provided at podium level to provide 110 no. cycle parking spaces (108 no. visitor cycle parking spaces (inclusive of 6 no. designated cargo bike spaces) and 2 no. cycle parking spaces in connection with the retail unit). All bicycle parking at basement level is accessed via a dedicated cycle lift from podium to basement level -1 that is situated to the south of Block B. Works proposed along the St. John's Road West frontage include the omission of the existing left-turn filter lane to the vehicular ramped access to the HSQ development and re-configuration of the pedestrian crossings at the existing junction together with the re-configuration of the existing pedestrian crossing over the westbound lanes of St. John's Road West leading to an existing pedestrian refuge island. Re-alignment of the footpath along the site frontage onto St. John's Road West to tie into the reconfigured junction arrangement and provision of a new lift to provide wheelchair access from St. John's Road West to the HSQ podium. Communal Outdoor Amenity space is provided for residents in the form of rooftop terraces (totaling 11,799sqm), and lower-level communal courtyards between blocks (totaling 960sqm). Hard and soft landscaping works are proposed at podium level which includes the extension and completion of the public plaza to the east of Block A (the provision of footpaths: a MUGA (Multi Use Games Area) and informal play areas for children (totaling 1,670sqm). A double ESB substation/switch room at ground / podium level within Block A and a single substation/switch room at ground / podium level within Block B together with associated site development works, which includes the realignment / reprofiling of an existing vehicular access ramp at the southern end of the site between basement levels -1 and -2 and the closure / removal of a second vehicular access ramp between the subject site at basement level -1 and the raised basement level -1 under the Telford building. The application contains a statement setting out how the proposal will be consistent with the objectives of the relevant Development Plan. The application contains a statement (Material Consideration Statement) indicating why permission should be granted for the proposed development, having regard to a consideration specified in section 37(2)(b) of the Planning and Development Act, 2000, as amended, notwithstanding that the proposed development materially contravenes a relevant development plan or local area plan other than in relation to the zoning of the land. The application is accompanied by an Environmental Impact Assessment Report (EIA/R), A Natura Impact Statement (NIS) has been prepared in respect of the proposed development. The application, together with the Environmental Impact Assessment Report and the Natura Impact Statement, may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, during public opening hours at the offices of An Bord Pleanála and Dublin City Council.
