Table demonstrating compliance with apartment standards

The following Housing Quality Assessment (HQA) demonstrates the compliance of the proposed 6no. 2 & 3 bedroom own door two storey apartment unit types & 26no. 1, 2 & 3 bedroom Apartment Unit Types with the Sustainable Urban Housing Design Standards for New Apartments 2020 and the residential dwelling standards in the Dublin City Council Development Plan.

#### **Apartment Standards**

All apartments & own door two storey units accord with & in most cases exceed the floor area & private/ communal amenity standards set out in the Guidelines for Planning Authorities, DHLGH (2020) - refer to 1, 2 & 3 bedroom apartment / own door two storey unit type plans on the following pages.

Private open space for the Apartments & own door apartments is provided as balconies, wintergardens and terraces orientated north, south, east & west.

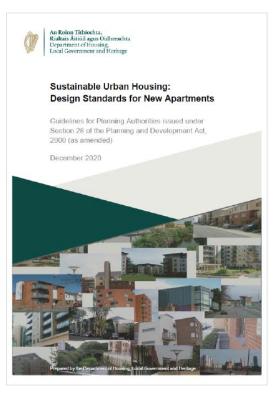

Communal private open space is provided in part internally within 2no. Amenity Centres located at first floor of Block B & Block CD & part externally in 5no. courtyards orientated north, east south & west with roof terraces located at Block G that will afford stunning distant views to all occupiers. Secured bin & long term bike storage are to be provided in close proximity to the Apartment Blocks & own door two storey apartment units entrances.

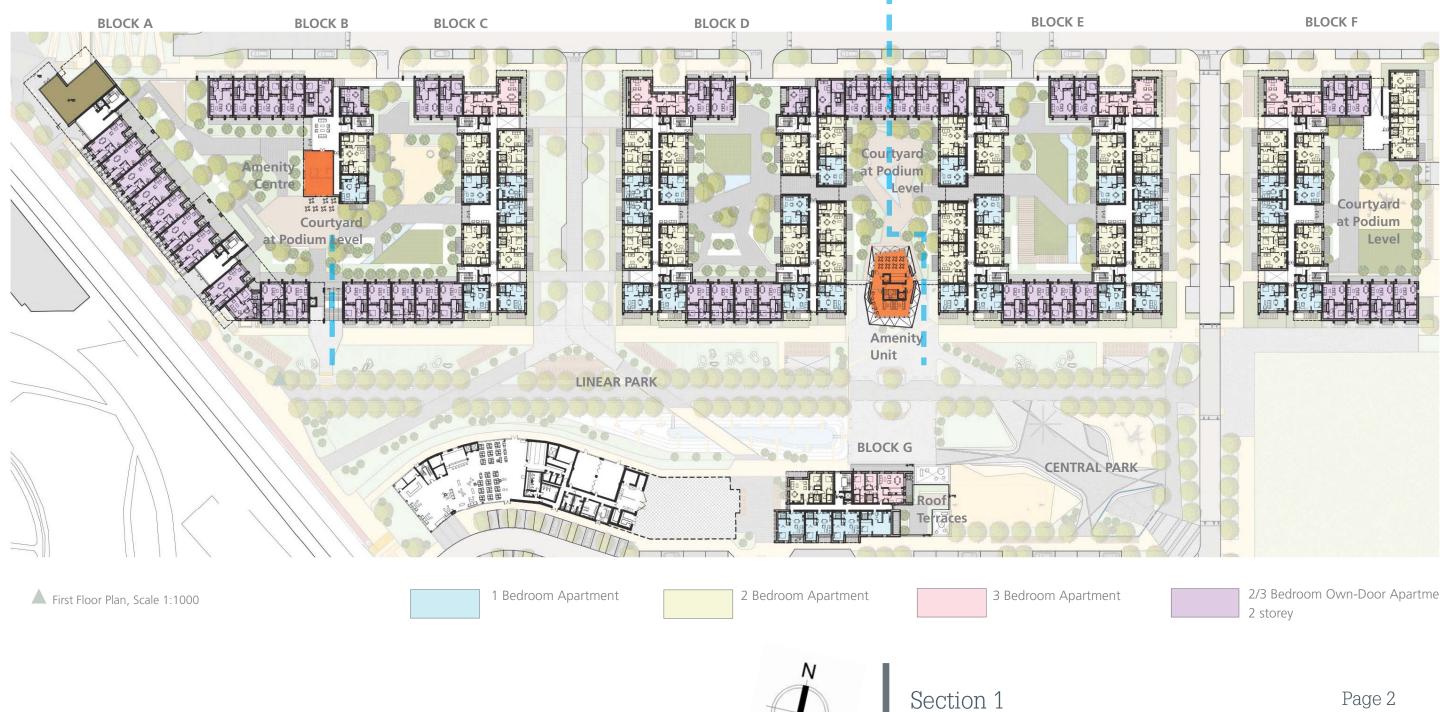

#### Privacy

The design accords with Section 10 of the Urban Design Manual (2009) to address privacy and amenity. A minimum separation distance of 22 metres is provided between directly opposing above ground floor windows.

All dwellings with direct podium and street frontage have a privacy strip of at least 1.5 / 2 metres that will be an attractive and subtle landscaped zone.
