The proposed development comprises the construction of 198 no. residential units, two storey creche, two storey café building and single storey retail food store and upgrades to the R617 at Coolflugh, Cloghroe, Tower, Cork.

Dear Sir/Madam

We act on behalf of Cloghroe Development Limited who are submitting an application for a strategic housing development (SHD) at Coolflugh, Cloghroe, Tower, Cork. The proposed development consists of the construction of a mixed-use residential and retail development and all ancillary site development works, including the demolition of 2 no. existing agricultural structures. The proposed residential development comprises the construction of 198 no. residential units, two storey creche, two storey café building, ESB substations, and single storey retail food store. The proposed development provides for 117 no. dwelling houses consisting of 5 no. 4 bedroom detached houses, 44 no. 4 bedroom semi-detached houses, 8 no. 4 bedroom townhouses, 14 no. 3 bedroom semi-detached houses, 24 no. 3 bedroom townhouses and 22 no. 2 bedroom townhouses. The proposed development includes 81 no. apartment/duplex units consisting of 2 no. 3 bedroom, 35 no. 2 bedroom and 44 no. 1 bedroom units. 79 no. of the proposed apartment/duplex units will be provided in 6 no. 3 storey apartment buildings with ancillary communal areas and bicycle parking facilities. 2 no. apartment units will be provided at first floor level of a proposed café building to the south of the site.

The proposed retail development consists of a single storey retail food store with a net sales area of 1,315 m² which includes the sale of alcohol for consumption off premises, totem sign and ancillary building signage, servicing areas, surface car park and bicycle parking facilities. The proposed development includes a proposed two storey café building with café on ground floor and 2 no. apartments at first floor level.

Access to the proposed development will be via 2 no. entrances from the R617, one which will serve the proposed residential development and one to serve the proposed retail development. A separate pedestrian entrance is to be provided from the existing cul-de-sac to the north east of the site. The proposed development makes provision for the upgrade of the R617, including the installation of footpath/cycle infrastructure, signalised pedestrian crossing and the relocation of the existing public bus stop to the west of the R617. Ancillary site development works include flood defence works, public realm upgrades, amenity walks, public open spaces, an urban plaza to the east of the proposed retail unit and the undergrounding of existing overhead lines.

An Environmental Impact Assessment Report and a Natura Impact Statement have been prepared in respect of the proposed development.

The applicants acknowledge the Board's Opinion, issued in March 2021(Ref: ABP-308980-20) which stated that the documents submitted with the request to enter into consultations required further consideration and amendment to constitute a reasonable basis for an application for strategic housing development. A full and detailed response to the above referenced opinion of An Bord Pleanála in response to the pre-consultation application is outlined in the accompanying '*Planning Statement, Statement of Consistency & Response to ABP Opinion*' report prepared by HW Planning. Additional supporting materials have also been provided in response to the opinion as outlined in the accompanying schedule of documents. including a '*Material Contravention Statement*' prepared by HW Planning.

In accordance with the SHD legislation, 6 no. print and 3 no digital copies of the application are being provided to Cork City Council. A full schedule of the plans and particulars that accompany this application are enclosed with this cover letter.

The application plans and particulars can also be viewed online at the following URL:
