Re: Strategic Housing Development Application
The construction of a residential development of 140 no. residential apartment units with supporting tenant amenity facilities, crèche, and all ancillary site development works at Bessborough, Ballinure, Blackrock, Cork.

Dear Sir/Madam,

We act on behalf of Estuary View Enterprises 2020 Limited who are submitting an application for a strategic housing development (SHD) at Bessborough, Ballinure, Blackrock, Cork. The applicants acknowledge the Board's Opinion, issued in December (Ref: ABP-311382-21) which stated that the documents submitted with the request to enter into consultations required further consideration and amendment to constitute a reasonable basis for an application for strategic housing development.

The applicants subsequently have carried out extensive further analysis and several refinements to the scheme and now wish to submit a final application for the proposed development of a strategic housing development of 140 no. apartment units, crèche and all ancillary site development works.

A full and detailed response to the above referenced opinion of An Bord Pleanála in response to the pre-consultation application is outlined in the accompanying Planning Statement & Response to ABP Opinion report prepared by HW Planning. Additional supporting materials have also been provided in response to the opinion as outlined in the accompanying schedule of documents. including a Material Contravention Statement prepared by HW Planning. An Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) have also been prepared in respect of the proposed development.

The proposed development consists of the demolition of 10 no. existing agricultural buildings /sheds and log cabin residential structure and the construction of a residential development of 140 no. residential apartment units over 2 no. retained and repurposed farmyard buildings (A & B) with single storey extension and 3 no. new blocks of 3-5 storeys in height, with supporting resident amenity facilities, crèche, and all ancillary site development works. The proposed development includes 140 no. apartments to be provided as follows: Block C (9 no. 1-bedroom

and 25 no. 2-bedroom over 3 storeys), Block D (34 no. 1-bedroom & 24 no. 2-bedroom over 3-4 storeys), Block E (27 no. 1-bedroom, 20 no. 2-bedroom & 1 no. 3-bedroom over 4-5 storeys). It is proposed to use retained Block A and Block B for resident amenities which include home workspace, library, lounge and function space. The proposal includes a new pedestrian/cycle bridge over the adjoining Passage West Greenway to the east, connecting into the existing down ramp from Mahon providing direct access to the greenway and wider areas, as well as new pedestrian access to Bessborough Estate to the north including upgrades to an existing pedestrian crossing on Bessboro Road.

The proposed development provides for outdoor amenity areas including publicly accessible parkland, landscaping, surface car parking, bicycle parking, bin stores, substation, public lighting, roof mounted solar panels, wastewater infrastructure including new inlet sewer to the Bessborough Wastewater Pumping Station to the west, surface water attenuation, water utility services and all ancillary site development works. Vehicular access to the proposed development will be provided via the existing access road off the Bessboro Road. Part of the proposed development is situated within the curtilage of Bessborough House which is a Protected Structure (Reference: RPS 490).

An Environmental Impact Assessment Report and a Natura Impact Statement have been prepared in respect of the proposed development.

In accordance with the SHD legislation, 6 no. print and 3 no digital copies of the application and EIAR are being provided to Cork City Council. A full schedule of the plans and particulars that accompany this application are enclosed with this cover letter.

The application plans and particulars can also be viewed online at the following website: www.thefarmshd.ie.

Please do not hesitate to contact us if you have any queries.

Yours Sincerely

Harry Walsh
