

This aerial site plan shows a park area with various features numbered 1 through 12. A line graph is overlaid on the plan, connecting points A and B. The graph shows a steep decline from point A to point B, indicating a significant change in the measured variable. The park features include a large central tree area (1), a smaller tree area (2), a path (3), a small structure (4), a large tree area (5), a small structure (6), a path (7), a small structure (8), a large tree area (9), a small structure (10), a path (11), and a small structure (12). The line graph starts at point A (top left) and ends at point B (bottom right), showing a steep decline.

Attenuation area to Engineer's spec.

The map shows a portion of the city of Valencia, Spain. A red line outlines the urban area, while a blue line indicates a river or coastline. A grey shaded region represents the study area. Within this area, four red squares mark the locations of the study sites. The map includes street names and a scale bar.
