Appendix A10.1: Schedule of Commercial Businesses

This schedule lists the names, addresses and business types of commercial business located along the Belfield / Blackrock to City Centre Core Bus Corridor Scheme. Such commercial businesses were identified based on the publicly available data at the time of writing and a route walkover which was undertaken in October 2021.

This appendix also lists commercial businesses in the surrounding road network that are located on a road that is expected to experience a negative traffic impact from displaced traffic in the AM and PM peak hours (as identified in Chapter 6 (Traffic & Transport)). These businesses are denoted with an ‘**’ in the table.
