

- Notes:
1. Read in conjunction with all relevant Architect's and Engineer's drawings and specification. All setting out to be done from the Architect's drawings. Do not scale the drawing.
  2. Refer to Dwg.No.2104/16 & 17 for full specification notes relating to the roads details.
  3. The contractor shall prepare a traffic management plan and agree it with the Local Authority, prior to commencement of work on site.
  4. Road gullies must be placed at low points to eliminate ponding. Close gullies in the direction of the traffic flow. Place double gullies at upstream side of table ramps.
