

- NOTES
- All dimensions shown are in millimetres.
  - The drawing shall be read in conjunction with all Specifications and schedules.
  - All dimensions shall be measured to centre line, unless otherwise stated.
  - The contractor shall take account of all relevant standards, regulations, statutory codes of practice, methods of working and good practice.
  - Dimensions shall not be reduced from the drawings and the contractor shall be responsible for allowing all dimensions and levels on site for the actual setting out of the works.

KEY PLAN:

Key:

- Grid Cable Route
- Site Boundary
- Gas Line

Notes:

Red circles (150mm diameter) denote downpipe location.

Black circles denote bollard locations at 2 metre demarcation zone.
