

- NOTES
- All rights reserved. All drawings and other material appearing herein constitute original and confidential works of ARC:MC Limited and are not to be distributed, used or disclosed without written consent.
  - All dimensions shown are in millimetres.
  - This drawing shall be read in conjunction with all Specifications and schedules.
  - All dimensions shall be taken to the centre line of the work unless otherwise stated.
  - The contractor shall fully comply with all relevant safety standards, regulations, standards codes of practice, methods of working and good practice.
  - Contractors shall not be liable for any errors and the contractor shall be responsible for obtaining all dimensions and notes on site for the correct setting out of the works.
