Re: PROTECTED STRUCTURE: for a period of 15 years at a site. The proposed development comprises: - A mixed-use scheme in a single building ranging in height from 2 - 6 storeys (top floor set back) over single storey localised basement. Provision of part of a new public plaza and associated temporary works pending completion of the combined plaza with the concurrent planning application for the adjoining Site 4 immediately to the south. An Environmental Impact Assessment Report (EIAR) accompanies this application.
22-25 Moore Street, 13 Moore Lane, 14-15 Moore Lane, Dublin 1.

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer to the request for an oral hearing of this appeal.

The Board has considered the request and in accordance with section 134(3) of the Planning and Development Act, 2000, (as amended), it has decided to determine the appeal without an oral hearing. The Board has concluded that the appeal can be dealt with adequately through written procedures. The Board has absolute discretion to hold an oral hearing and generally holds one where this will help its understanding of a particularly complex case or where it considers that, in a case involving significant national or local issues, the written submissions need to be supplemented by an oral hearing of the issues.

Processing of the appeal will now continue and you will be notified of the Board's decision as soon as it is made.

Yours faithfully,

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer to the request for an oral hearing of this appeal.

The Board has considered the request and in accordance with section 134(3) of the Planning and Development Act, 2000, (as amended), it has decided to determine the appeal without an oral hearing. The Board has concluded that the appeal can be dealt with adequately through written procedures. The Board has absolute discretion to hold an oral hearing and generally holds one where this will help its understanding of a particularly complex case or where it considers that, in a case involving significant national or local issues, the written submissions need to be supplemented by an oral hearing of the issues.

Processing of the appeal will now continue and you will be notified of the Board's decision as soon as it is made.

Yours faithfully,
