Environmental Impact Assessment

Date:	16/06/2022
File Number:	212179
Development Description:	Permission for the importation of natural materials of topsoil, soil or stone for the purposes of land reclamation for a beneficial agricultural afteruse (5.6 hectares), temporary Wheel Wash, Weighbridge, Office, access track, landscaping and all ancillary site development infrastructure. The project provides for the importation of topsoil, soil and stone to provide an access track and final landscaping under Article 27 as defined by the EPA for land reclamation and reinstatement purposes. The application is accompanied by an Environmental Impact Assessment Report (EIAR), Natura Impact Statement (NIS) and associated documents. The application relates to a reclamation development for the purpose of an activity requiring a Waste Permit to be issued by the Meath County Council. Significant further information/revised plans submitted on this application.

It is noted that the Environmental Impact Assessment carried out by Mr Frank O'Donnell (EP) and reported on in the reports dated 17/01/2022 & 16/06/2022 and approved by Mr Billy Joe Padden SEP and Mr Pádraig Maguire SP, has been carried out giving full consideration to the Environmental Impact Assessment Report (EIAR) submitted with the application, all submissions and observations validly made in relation to the Environmental effects of the development.

It is considered that the reports dated 17/01/2022 & 16/06/2022 contains a fair and reasonable assessment of the likely significant effects of the development on the environment. The assessment as reported is adopted as the assessment of Meath Co Council.
