Ireland's [National Treasury Management Agency](#) has published a contract notice for the provision of financial advisory services for the [MetroLink](#) project in Dublin. The National Development Finance Agency (NDFA) is financial advisor to [Transport Infrastructure Ireland](#) in relation to MetroLink and requires specialist financial advisory services to assist with the anticipated PPP project and related matters.

The proposed PPP project is part of the larger Metrolink scheme for the development of a north-south urban railway service that will run between Swords and Charlemont, linking Dublin Airport, Irish Rail, DART, Dublin Bus and Luas Services, creating a fully integrated public transport service along the 19km route.
