Appendix A8.4 Emerging Preferred Route Stakeholder Emails

Appendix A8.4.1 EPR - TD Stakeholder Email

Dear Councillor [SURNAME]

We would like to advise that we will be sending you a number of MetroLink flyers for your constituency office. The announcement on the Emerging Preferred Route will be made today at 2pm and all the information regarding the route map and alignment studies will be available on www.metrolink.ie this afternoon. We would be delighted if your constituents would register with us on this. We also have a Freephone number 1800 333 777 and an email address info@metrolink.ie for any queries.

We will be holding public consultation events in 7 venues over the next few weeks which will allow all your constituents to get a good view of the overall scheme proposed for MetroLink.

If you prefer not to receive the flyer please let us know by email this morning.

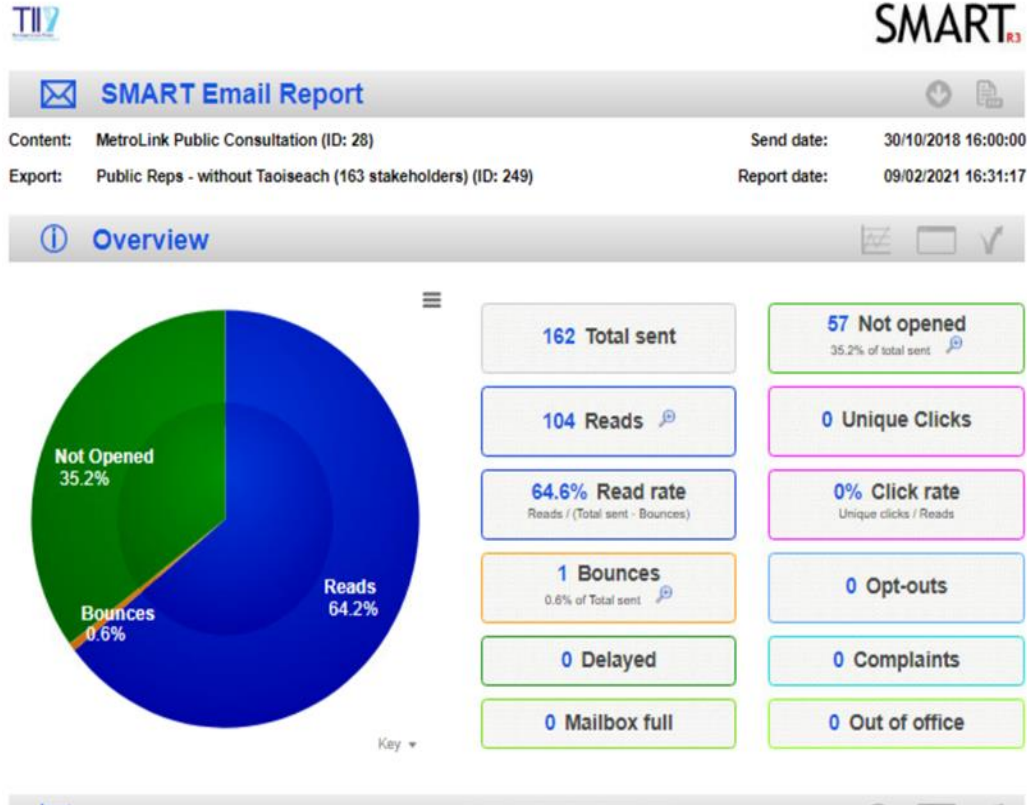

We look forward to meeting with you soon, if there is anything further we can do for you in the meantime please let us know.

Kind regards,

Suzanne Angley

MetroLink Stakeholder Communications Coordinator.

Appendix A8.4.2 EPR - Public Representatives Stakeholder Email

Dear [TITLE] [SURNAME],

In May 2018 Transport Infrastructure Ireland and the National Transport Authority launched a non-statutory public consultation about the Emerging Preferred Route for MetroLink.

There was huge interest in the project and we were very pleased to receive a high volume of submissions. The MetroLink engineering designers have been studying them all carefully and as a result, are making some design changes to take into account the concerns raised and suggestions made.

As a result, the process is taking longer than we anticipated, so this is to let you know that our second non-statutory consultation will take place early in the new year.

We are very grateful for your interest in MetroLink and hope that the level of detail we'll be able to provide at our next discussion will prove beneficial. In the meantime, we appreciate your patience.

We'll be in contact once the latest designs are finalised and we can confirm a new date for the next round of consultations.

Kind Regards

Suzanne Angley

Stakeholder Communications Co-ordinator

Appendix A8.4.3 EPR – Email to Taoiseach

Dear Taoiseach,

In May 2018 Transport Infrastructure Ireland and the National Transport Authority launched a non-statutory public consultation about the Emerging Preferred Route for MetroLink.

There was huge interest in the project and we were very pleased to receive a high volume of submissions. The MetroLink engineering designers have been studying them all carefully and as a result, are making some design changes to take into account the concerns raised and suggestions made.

As a result, the process is taking longer than we anticipated, so this is to let you know that our second non-statutory consultation will take place early in the new year.

We are very grateful for your interest in MetroLink and hope that the level of detail we'll be able to provide at our next discussion will prove beneficial. In the meantime, we appreciate your patience.

We'll be in contact once the latest designs are finalised and we can confirm a new date for the next round of consultations.
