RE/ Appeal re: Development will consist of; The application will seek permission to remove the existing grid connection works and for the development of the full length of a new grid connection over a distance of approximately 14.8km, between the existing Ballylicky ESB substation and the permitted Derreenacrinnig West Windfarm. The proposed development involves the following works: (a) removal of approximately 9.5 km of 20 kV overhead line (OHL) along the route, the OHL to be removed consists of 138 wood poles (ranging from 9m to 12.5m above ground), supporting electrical conductor lines and ancillary structures and equipment (b) following removal of the OHL, it is proposed to construct approximately 10.8 km of 20 kV overhead line (OHL) along the route, the OHL to be constructed consists of c. 157 wood poles (ranging from 9m to 12.5m above ground), supporting electrical conductor lines and ancillary structures and equipment. (c) installation of approximately 4 km of underground cable ducting and associated electrical cabling, and all other ancillary works including joint bays, culverts, marker posts and all associated developments. An Environmental Impact Assessment Report (EIAR) has been prepared and will be submitted to the planning authority with the application.

Dear Alice,

I refer to your letter dated **07th December 2022** regarding the above.

I enclose herewith a copy of the Newspaper and Site Notice as submitted with the application, for your attention.

Yours faithfully,

Mary Sheehan

■ Plannings

Cork County Council:

We, the Electricity Supply Board (ESB), intend to apply for planning permission for development within the townlands of Derreenacrinning West, Barnagowlane West, Glanareagh, Gortnacowly, Ards Beg, Ardrah, Laharanshermeen, Maulraha, Maulikeeve, Derryarkane, Cappanaboul, Skahanagh, Gortroe, Shandrum Beg, Shandrum More, Dromloughlin, Ballylicky, Crossoge, Co. Cork. The application will seek planning permission to remove the existing grid connection works and for the development of the full length of a new grid connection over a distance of approximately 14.8 km, between the existing Ballylicky ESB substation and the permitted Derreenacrinning West Windfarm. The proposed development involves the following works: (a) removal of approximately 9.5 km of 20 kV overhead line (OHL) along the route, the OHL to be removed consists of 138 wood poles (ranging from 9m to 12.5m above ground), supporting electrical conductor lines and ancillary structures and equipment. (b) following removal of the OHL, it is proposed to construct approximately 10.8 km of 20 kV overhead line (OHL) along the route, the OHL to be constructed consists of c. 157 wood poles (ranging from 9m to 12.5m above ground), supporting electrical conductor lines and ancillary structures and equipment. (c) installation of approximately 4 km of underground cable ducting and associated electrical cabling, and all other ancillary works including joint bays, culverts, marker posts and all associated developments. An Environmental Impact Assessment Report (EIAR) has been prepared and will be submitted to the planning authority with the application. The Planning Application, including the EIAR, may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy at the offices of the Planning Authority (www.corkcoco.ie) Norton House, Skibbereen during its public opening hours, i.e. 9.00a.m. to 4.00 p.m. Monday to Friday (excluding public holidays) and a submission or observation in relation to the application may be made to the Authority in writing on payment of the prescribed fee within the period of 5 weeks beginning on the date of receipt by the Authority of the application.

to retain and complete the building works on their new dwelling house, together with all associated site development works at Ballybraher, Ballycotton, Co. Cork. This development, which is presently at Wall Plate level, was originally permitted on foot of Planning permission 10/5439, granted on 11th May 2011, the duration of which permission was extended by a further 5 years under Planning decision Register No Reg. No 16/4166. Taking into account allowable periods for annual Christmas holidays since the original grant of permission, and the period of the Covid lockdown in 2020, the permission will now expire in November 2021. The design has been modified from that originally permitted, as follows: a) The incorporation of an old farm building for use as the bedroom area of the dwelling, has been omitted due to serious structural issues with that building, b) the dwelling has now been redesigned to accommodate the bedroom space at the rear, eastern side of the building, and this area will also include bedroom space in the attic, c) various modifications have been made to the window and door configuration of the house. The planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of the planning authority, Cork County Council, at County Hall, Carrigrohane Road, Cork, during its public opening hours and a submission or observation in relation to the application may be made to the authority in writing on payment of the prescribed fee within a period of 5 weeks beginning on the date of receipt by the authority of the application.

Cork County Council:

Jim and Bernice Barrett seek permission for change of use from apartment to playroom with shower room on the ground floor and storage on the first floor, all in an existing detached building which will be ancillary to the existing dwelling at Meelon, Bandon, Co. Cork. The planning application may be inspected or purchased, at a fee not exceeding the reasonable cost of making a copy, at the offices of the Planning Authority, County Hall, Carrigrohane Road, Cork, during its public opening hours, i.e. 9.00am to 4.00pm Monday to Friday (excluding public holidays). A submission or observation in relation to

install a treatment unit and associated site works at Meelon, Bandon, Co. Cork. The planning application may be inspected or purchased, at a fee not exceeding the reasonable cost of making a copy, at the offices of the Planning Authority, County Hall, Carrigrohane Road, Cork, during its public opening hours, i.e. 9.00am to 4.00pm Monday to Friday (excluding public holidays). A submission or observation in relation to the application may be made in writing to the Planning Authority within the period of 5 weeks beginning on the date of receipt by the Authority of the application, on payment of a fee of €20.

Cork County Council:

Hannes and Elena Hermann are applying for permission for construction of one storey dwelling ancillary in use to main dwelling, including all site works and permission for revised boundary (as granted planning permission) 08/2214 at Ballyrisode, Goleen, Co. Cork. The planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy at the offices of the Planning Authority, Norton House, Skibbereen during its public opening hours, i.e. 9.00a.m. to 4.00 p.m. Monday to Friday (excluding public holidays). A submission or observation in relation to the application may be made in writing to the Planning Authority on payment of the prescribed fee within the period of 5 weeks beginning on the date of receipt by the Authority of the application, and such submissions and observations will be considered by the planning authority in making a decision on the application.

Cork County Council:

Mike & Rita Brown intend to apply for permission for retention of existing vehicular entrance walls and pillars as constructed and existing roadside drainage arrangement along entire road frontage serving existing dwelling house together with permission to complete works associated with said vehicular entrance, at Abbeymahon, Timoleague, Co. Cork. The Planning Application may be inspected or purchased, at a fee not exceeding the reasonable cost of making a copy, at the offices of the Planning Authority, County Hall, Carrigrohane Road, Cork, during its public opening hours, i.e. 9.00a.m. to 4.00 p.m. Monday to Friday (excluding public holidays). A

within the period of 5 weeks beginning on the date of receipt by the Authority of application

Cork County Council:

Liam & Celine O Donoghue seeks planning permission to construct a dwelling house & all associated site works at Aghills, Skibbereen. The planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy at the offices of the planning Authority Norton House, Skibbereen Co. Cork during its public opening hours i.e. 9.00a.m. to 4.00 p.m. Monday to Friday (excluding public holidays) at a submission or observation in relation to the application may be made to the authority in writing on payment of the prescribed fee within the period of 5 weeks beginning on the date of receipt by the authority of the application

Cork County Council:

We, Eoin & Catherine Carey intend to apply for permission for the demolition of existing dwelling and construction of new dwelling, upgrading of existing site entrances and associated site works at Skeheer House, Scilly, Kinsale, Cork P17 C782. The planning application may be inspected, or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of the Planning Authority during its public opening hours and that a submission or observation in relation to the application may be made to the authority in writing on payment of the prescribed fee within the period of 5 weeks beginning on the date of receipt by the authority of the application.

Cork County Council:

Patrick A Galvin, Planning Application Services, Upper Belmont, Innishannon (Tel 021-4775079 & 086-8230343) is applying for planning permission on behalf of George Nason for permission to demolish existing single storey dwelling house and construct two storey dwelling house including ground floor extension at rear and all associated site works at "Philomena's Cottage", Upper Strand Road, Williamstown, Youghal, Co. Cork. The planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy at the offices of the Planning Authority, County Hall, Carrigrohane Road, Cork during

CORK COUNTY COUNCIL

SITE NOTICE

We, **ELECTRICITY SUPPLY BOARD (ESB)**, intend to apply for **Permission**

For development of this site at; **Derreenacrinnig West, Barnagowlane West, Glanareagh, Gortnacowly, Ards Beg, Ardrah, Laharanshermeen, Maulraha, Maulikeeve, Derryarkane, Cappanaboul, Skahanagh, Gortroe, Shandrum Beg, Shandrum More, Dromloughlin, Ballylicky, Crossoge, Co Cork.**

The development will consist of; The application will seek planning permission to remove the existing grid connection works and for the development of the full length of a new grid connection over a distance of approximately 14.8 km, between the existing Ballylicky ESB substation and the permitted Derreenacrinnig West Windfarm.

The proposed development involves the following works:

(a) removal of approximately 9.5 km of 20 kV overhead line (OHL) along the route, the OHL to be removed consists of 138 wood poles (ranging from 9m to 12.5m above ground), supporting electrical conductor lines and ancillary structures and equipment.

(b) following removal of the OHL, it is proposed to construct approximately 10.8 km of 20 kV overhead line (OHL) along the route, the OHL to be constructed consists of c. 157 wood poles (ranging from 9m to 12.5m above ground), supporting electrical conductor lines and ancillary structures and equipment.

(c) installation of approximately 4 km of underground cable ducting and associated electrical cabling, and all other ancillary works including joint bays, culverts, marker posts and all associated developments.

An Environmental Impact Assessment Report (EIAR) has been prepared and will be submitted to the planning authority with the application.

The planning application & the EIAR may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy at the offices of the Planning Authority, Norton House, Skibbereen during its public opening hours, i.e. 9.00a.m. to 4.00 p.m. Monday to Friday (excluding public holidays). A submission or observation in relation to the planning application & EIAR may be made in writing to the Planning Authority on payment of the prescribed fee within the period of 5 weeks beginning on the date of receipt by the Authority of the application & EIAR, and such submissions and observations will be considered by the planning authority in making a decision on the application. The planning authority may grant permission subject to or without conditions, or may refuse to grant permission.
