Dear Sir/Madam,

with reference to the above Planning Application and our Appeal to you, We, the Board of Management of the Royal and Prior Comprehensive School wish to make the following observations on the submissions by the Applicant, Patrick Bonner, as requested by Bord Pleanála.

We have studied the information and nothing in it eases the School's concerns in particular concerning noise and explosions. There is nothing in the new information that allays our concerns. Our school is within proximity to the proposed quarry as are our playing fields. The concerns about noise pollution, the disruption to learning, and the impact on our outdoor activities from quarry dust remain a deep concern for the school.

Therefore we ask that this Application is rejected in the interests of the health, safety and a learning environment.

Yours faithfully,

Howard Welch  
Secretary to the Board of Management
