Dear Sir/Madam, An board Pleanála,

Please accept our additional concerns to the proposed quarry, just a few hundred metres from our home, along with our other objections already submitted, we now also fear for our neighbours homes which are defective block homes, and the damage possible.

And also the effect on our area and our well water homes. Air pollution and health of our families and the care of our local nature, bats, Owls, Curlew, all resident on our road and beside proposed quarry.

Please Consider our concerns when deciding on this case.  
Yours Sincerely Aun't Blackburn.
