Re proposed Quarry in Craigs, Magherasolis, Raphoe.  
for 25 years.

Dear Sir/Madame, Board of An Bord Pleanála, please  
Take our extra concerns, from our original pleas to  
our fears of the opening of a new quarry to  
Blast and extract for a period of 25 years, less  
than 250 metres from our home,  
In addition  
to all our concerns to our local heritage town,  
Air quality, pollution, damage to our nature area,  
and our historical town, which we have already  
submitted to the board regarding our towns  
and families health and abundant nature concerns  
We now add our deep concerns regarding  
our own home and indeed a few neighbours,  
the absolute and honest fears for our mica,  
Deleterious material concrete damaged homes.

and the added stress and fears that a new working quarry could have on further damage to our cracking homes.

We have enclosed photos from this date and you can see the damage thus far to our homes while we wait for help addressing our home, this would be an awful addition to our worries.

Please make a conscious & right decision and deny permission to this application.

Yours Sincerely

Hugh & Rachel White

Craigs rd, Raphoe, Co. Donegal.  
F93VH94.

Our family home is the closest to the rock face of proposed quarry.

P.S Also to date no signage for planning permission on entrance road to quarry R236. So public acknowledgement can be observed by public.
