Appendix A10.1: Schedule of Commercial Businesses

This schedule lists the names, addresses and business types of all commercial business located along the Proposed Scheme. Such commercial businesses were identified based on the publicly available data at the time of writing and a route walkover which was undertaken in February 2023.

This schedule also includes any commercial businesses located along roads in the surrounding road network that are expected to experience a significant impact on general traffic as a result of redistributed traffic during construction and operation as outlined in Chapter 6 (Traffic and Transport). These businesses are denoted with an '*' in the table.
