

APPENDIX 14.1 – CULTURAL HERITAGE PLATES

Plate 14.1: View of area of T1, facing northeast.

Plate 14.2: View of area of T2, facing northeast.

Plate 14.3: View of area of T3, facing east.

Plate 14.4: View of area of T4, facing east.

Plate 14.5: View of area of T5, facing south.

Plate 14.6: View of area of T6, facing southeast.

Plate 14.7: View of area of T7, facing southeast.

Plate 14.8: View of area of T8, facing east.

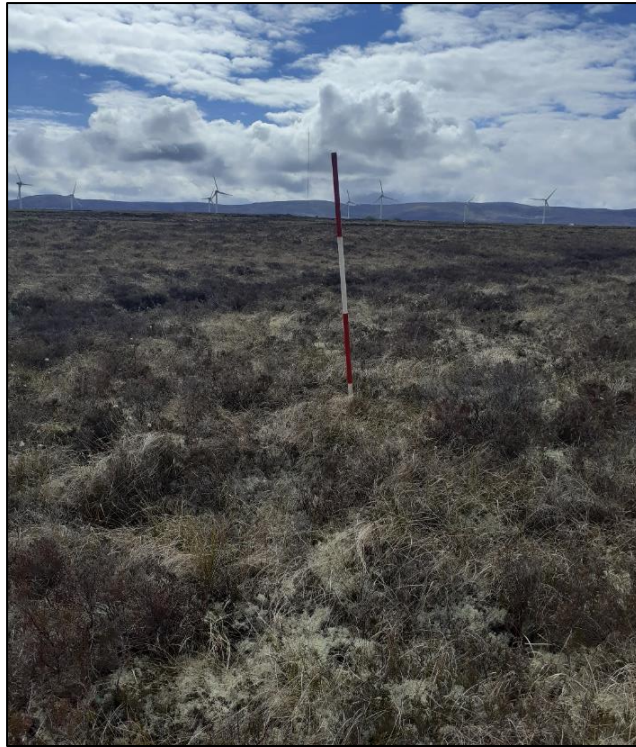

Plate 14.9: View of area of T9, facing southeast.

Plate 14.10: View of area of T10, facing northeast.

Plate 14.11: *View of area of T11, facing north.*

Plate 14.12: *View of area of T12, facing southeast.*

Plate 14.13: View of area of T13, facing south.

Plate 14.14: View of area of archaeological test trench 16 location (excavated 2011), facing southeast.

Plate 14.15: View of court tomb (MA031-034----) east facing entrance, facing west.

Plate 14.16: View from court tomb (MA031-034----) entrance, facing east.

Plate 14.17: View from court tomb (MA031-034----), facing west.

Plate 14.18: View of bog cutting close to court tomb (MA031-034----), facing northwest.

Plate 14.19: View of overgrown access to wedge tomb (MA031-005----), facing north.

Plate 14.20: View of burial ground & souterrains (MA031-004001-), facing north.

Plate 14.21: View towards Wind Farm Site from burial ground & souterrains (MA031-004001-), facing east.

Plate 14.22: View from local road along western Wind Farm Site boundary, towards Wind Farm Site, facing east.

Plate 14.23: View from local road along western Wind Farm Site boundary at Carrownaglogh towards Wind Farm Site, facing northeast.

Plate 14.24: View of ringfort (MA031-047----) adjacent local roadway, facing east.

Plate 14.25: View towards Wind Farm Site from ringfort (MA031-047----) along local roadway, facing east.

Plate 14.26: View towards ringfort and children's burial ground (MA031-023---- & MA031-023001-) from local roadway, facing east.

Plate 14.27: View towards barrow site SL022-026---, facing north.

Plate 14.28: View towards east and access road to Hydrogen Plant Site (along field boundary).

Plate 14.29: *View towards northwest and remains of possible turf stand south of proposed access road to Hydrogen Plant Site*

Plate 14.30: *View towards southeast and rock outcrop with local folkloric association located south of proposed access road to Hydrogen Plant Site*

Plate 14.31: View towards south/southeast of proposed Hydrogen Plant Site

Plate 14.32: View towards east along proposed access road (left) and Hydrogen Plant Site (right)

Plate 14.33: View towards northeast and roundabout/access road area to Hydrogen Plant Site

Plate 14.34: View towards northwest and roundabout/access road area to Hydrogen Plant Site

Plate 14.35: View towards south and roundabout/access road area to Hydrogen Plant Site

Plate 14.36: View towards south and existing domestic yard with outbuildings at access road area to Hydrogen Plant Site

Plate 14.37: View towards northwest and Hydrogen Plant Site access road junction area with N59

Plate 14.38 View to NE towards proposed Wind Farm Site and entrance of Carrowcrom wedge tomb (National Monument Ref. 293) MA040-019---. Note local rising topography and vegetation in this direction.

Plate 14.39 View towards NE/E and entrance of Carrowcrom wedge tomb (National Monument Ref. 293) MA040-019---. Note Ox Mountains forming part of skyline to right of image and glimpse view of blade tips of existing windfarm to the east of the proposed Wind Farm Site.

Plate 14.40 View towards NE/E east of area of unclassified megalithic tomb MA040-017--- (National Monument Ref. 293). Note drumlin terrain and partial glimpse views of existing windfarm turbines to right of image along Ox Mountain skyline view.

Plate 14.41 *View towards NE and area of standing stone MA040-091--- (National Monument Ref. 293). Note undulating topography and mature tree-lined field boundaries with glimpse views of existing windfarm turbines to east of proposed Wind Farm Site.*

Plate 14.42 View towards N and area of court tomb SL036-003--- (Nat. Mon. Ref. 479) on slopes of the Ox Mountains (proposed Wind Farm Site not visible – on other side of Mountain ridge)

Plate 14.43 View of west elevation of Rosserk Abbey (Nat Mon Ref. 104)

Plate 14.44 *View of bell-tower and top floor interior of Rosserk Abbey (Nat Mon Ref. 104)*

Plate 14.45 View towards SE and distance skyline of the Ox Mountains from top floor of Rosserk Abbey (Nat Mon Ref. 104). Very partial long glimpse views of existing wind turbines are visible.

Plate 14.46 View towards west at Moyne Franciscan Friary (MA022-024001-) and 18th Century House (MA022-024002-)
