C. If the decision of your authority was to refuse permission, you should consider whether the authority wishes to make a contingency submission to the Board as regards appropriate conditions which, in its view, should be attached to a grant of permission should the Board decide to make such a grant. In particular, your authority may wish to comment on appropriate conditions which might be attached to a permission in accordance with section 48 and/or 49 of the 2000 Planning Act (Development / Supplementary Development Contributions) including any special condition which might be appropriate under section 48(2)(c) of the Act.

Any such contingency submission, in circumstances which your authority decided to refuse permission, would be without prejudice to your authority's main submission in support of its decision.

Please quote the above appeal reference number in any further correspondence.

I hereby certify that the planning authority has complied with section 128 and section 37(1)(b) of the 2000 Act, (as amended), and that all material relevant to (ABP-318723-23) the request at 1 on page 1 of this letter has been forwarded.
