**Seamus Hayden,  
Old Leighlin,  
Co Carlow**

**An Bord Pleanála Ref: 319198**

**26<sup>th</sup> March 2024**

**Dear Sir / Madam,**

**My name is Seamus Hayden from Old Leighlin, Co Carlow and I wish to object to the Planning Application for a new Quarry at Banagagole, Old Leighlin, Co Carlow.**

**I am a neighbouring farmer, and I am very concerned about this proposed quarry affecting my groundwater supply or polluting the same.**

**Also, the rural roads would not be able to take the volume of heavy lorries that would be used in the new quarry. There are already more than enough heavy lorries travelling the roads from the existing Limestone Quarry.**

**I have an old stone wall bounding the road between the existing quarry and the village of Old Leighlin, which is already in disrepair due to the volume of traffic currently and additional heavy traffic would surely knock this wall down altogether.**

**Yours sincerely,**

**Seamus Hayden**

RE: Carlow County Council  
PL: Reference 23/60042

Dear Sir/ Madam,

We wish to make a submission to An Bord Pleanála, reference number: ABP-319198-24. We have serious concerns if this planning goes ahead as follows:

1. There was no consultation between the applicant and the local community.
2. The Applicant has not given adequate responses to the issues raised surrounding transport and local infrastructure.
3. Our main issue is water; section 12.2.9 of the EIAR states that, "once quarrying operations extend below the ground water table; ground water tables in the surrounding area will be lowered." We as dairy farmers depend entirely on a good supply of water from our own private well to sustain our livelihood. There was no testing or analysis of any private wells in the community surrounding the proposed quarry site.
4. Farming will be seriously disrupted, for e.g., movement of machinery between fields, which occurs daily; also movement of dairy cows across the road twice a day will be very difficult and unsafe.
5. Road safety is a major issue as roads are currently disintegrating rapidly from existing quarry, further heavy traffic will cause major problems as it is, lorries cannot pass on the narrow road and as a result ditches and drains are severely damaged.

We strongly request that the appeal be refused. We enclose the appropriate fee of €50.

Thanking you,

Luke, Mary, and Michael Meaney.
