

## Appendix 1-1 Developments Considered in the Cumulative Assessment

### EIAR - Volume 3

**Knockanarragh Wind Farm**

SLR Project No.: 501.V00727.00008

20 March 2024

| Reference | Location  | Description  | Competent Authority      | Distance to Development (km) |
|-----------|---|--|--------------------------|------------------------------|
| SH0009    | Mureens, Oldcastle, Co. Meath.  | Quarry.  | An Bord Pleanála         | 12.2                         |
| TA181090  | Moyfin, Longwood, County Meath  | The development will consist of a (a) importation of inert excavation spoil comprising natural materials of clay, silt, sand, gravel or stone for the purposes of restoration of a previously extracted area (QY1) to restor the site to a beneficial agricult | Meath County Council     | 18.2                         |
| 186221    | Hodgestown, Killucan, Co Westmeath N91 HY92                                 | a 2,400m2 pig building with associated site work. IPPC licence number P0713-03 relates to this farm.   | Westmeath County Council | 12.8                         |
| TA190483  | Ballymulmore, Trim, Co. Meath   | Construction of a free range poultry house and a detached manure/general purpose storage shed. Permission is also sought for all ancillary site works (to include meal storage bins and soiled water tank(s)) and services.                                    | Meath County Council     | 16.5                         |
| TA190652  | Ballymulmore, Trim, Co. Meath   | Construction of a free range poultry house and a detached manure/general purpose storage shed. Permission is also sought for all ancillary site works (to include meal storage bins and soiled water tank(s)) and services.                                    | Meath County Council     | 16.4                         |
| TA190716  | Moyfin, Longwood, Co. Meath   | The development will consist of the stabilisation of a quarry face adjacent to the public road using imported clean soils & stone. Permission is also sought for temporary installation of a portable toilet for the duration of infilling works.              | Meath County Council     | 18.9                         |
| 20/6101   | Newdown, The Downs, Mullingar, Westmeath                                    | Bio-energy facility containing a reception building comprising of reception area, engine room, pumps and heat exchangers. Administration building containing office, staff amenity and changing facilities.  | Westmeath County Council | 18.1                         |
| 307278    | The following Bord na Móna bogs - Bracklin, Carranstown, Ballivor, Kinnegad | peat extraction carried out by the Applicant since 2012, drainage and silt ponds, temporary peat stock piles and temporary rail lines hard standing and car parking areas, buildings, offices, bunded diesel tanks, fenced storage areas, gates.               | An Bord Pleanála         | 12.5                         |

| Reference   | Location  | Description  | Competent Authority      | Distance to Development (km) |
|-------------|---|--|--------------------------|------------------------------|
|             | and Ballybeg located in Counties Meath, Offaly and Westmeath.   |  |                          |                              |
|             | The following Bord na Móna bogs - Bracklin, Carranstown, Ballivor, Kinnegad and Ballybeg located in Counties Meath, Offaly and Westmeath. | peat extraction carried out by the Applicant since 2012, drainage and silt ponds, temporary peat stock piles and temporary rail lines hard standing and car parking areas, buildings, offices, bunded diesel tanks, fenced storage areas, gates. | An Bord Pleanála         | 9.8                          |
| 307278      | The following Bord na Móna bogs - Bracklin, Carranstown, Ballivor, Kinnegad and Ballybeg located in Counties Meath, Offaly and Westmeath. | peat extraction carried out by the Applicant since 2012, drainage and silt ponds, temporary peat stock piles and temporary rail lines hard standing and car parking areas, buildings, offices, bunded diesel tanks, fenced storage areas, gates. | An Bord Pleanála         | 8.2                          |
| 20/405      | Lislea, Virginia, Co. Cavan   | Planning permission to construct extensions to 2 No. existing Poultry houses together with all ancillary structures and all associated site works arising from the above proposed development.   | Cavan County Council     | 17.1                         |
| Ref 20/6330 | Tyarnham, Down & Rathlevanagh Townlands,  | Permission of 40yrs sought for quarry and S&G pit extensions;  | Westmeath County Council | 19.4                         |
| Ref 20/563  | Lislea, Virginia, Co. Cavan   | Planning permission to construct extensions to 2 No. existing Poultry houses together with all ancillary structures and all  | Cavan County Council     | 17.1                         |

| 212131        | Site 33 and 34 Oaktree Business Park, Dunderry Road, Trim, Co. Meath, C15 X3RV                    | Increase in waste tonnage at the material and transfer facility permitted under Ref. Ref. TA/190687 to accept up to 50,000 tonnes of waste per annum for the reception, processing and temporary storage of waste for onward transfer.                         | Meath County Council     | 18.3                         |
| 212341        | Crossakiel, Kells, Co. Meath, A82 E765  | facilitate reverberatory furnace of 25tpd melting capacity with 22m stack, firewater retention pond, temporary access to public road during construction phase, and expanded site carparking.  | Meath County Council     | 4.8                          |
| 2242          | Deerpark, Castlepollard, County Westmeath.  | 01/525), including deepening of the quarry on c. 11.4 ha. The development will include provision of new site infrastructure, including water management system, wheelwash and other ancillaries.   | Westmeath County Council | 14.5                         |
| 22204         | Tyfarnham, Down & Rathlevanagh Townlands, Knockdrin, Mullingar, County Westmeath                  | 40yr permission sought for extension of rock quarry laterally and at depth; sand & gravel pit lateral extension; use of existing permitted facilities; site screening & restoration to agricultural / ecological afteruses within application area of 41.3 ha. | Westmeath County Council | 19.6                         |
| 22/449        | Blackmiles Townland, Crookedwood, Mullingar, County Westmeath                                     | 10 year permission sought for continued use of the existing quarry and associated processing permitted under P.Ref. 98/1235 and P.Ref. 04/5530 within an application area of c.14.2 hectares with restoration to a beneficial agricultural afteruse.           | Westmeath County Council | 17.7                         |
| 221632        | Curragh, Carnaross, Co. Meath.  | Anaerobic Digestion facility to produce renewable gas and electricity by processing agricultural manures, slurries and grass silage.   | Meath County Council     | 10.56                        |
| ABP-316212-23 | The site is located c.5 km south-southeast of Delvin, Co. Westmeath, c. 4km east of Raharney, Co. | 26 wind turbines, 2 Met masts, 4 temporary construction compounds, temporary security cabins, 2 borrow pits, a permanent substation & control buildings, parking and associated works, 10-year permission & 30 year operation An Bord Pleanála No 4 4          | An Bord Pleanála         | 11.8                         |

| Reference | Location  | Description   | Competent Authority  | Distance to Development (km) |
