An Taisce  
Mr Seán O'Callaghan  
Planning Officer, Planning Department  
Tailors' Hall  
Back Lane  
Dublin  
D08 X2A3

Dear Mr O'Callaghan,

## **Re: Direct Application to An Bord Pleanála in respect of an Offshore Wind Energy Project**

Please be advised that in accordance with Section 291 of the Planning and Development Act 2000, as amended, North Irish Sea Array Windfarm Limited gives notice of its intention to make an application to An Bord Pleanála for planning permission for the following proposed development:

### **North Irish Sea Array Offshore Wind Farm.**

1 no. soft copy of the planning application, including the Planning Drawings, Environmental Impact Assessment Report (EIAR), Natura Impact Statement (NIS) and Planning Report is enclosed for your information. A list of the application enclosures is provided below.

The planning application, Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) may also be viewed or downloaded from the following website:

<https://northirishsearraysid.ie/>

The proposed development is an offshore wind farm located off the east coast of Ireland. The proposed development is comprised of offshore and onshore infrastructure. The offshore infrastructure of the proposed development is located off the coast of counties Dublin, Meath and Louth. The onshore infrastructure of the proposed development is located in County Dublin (Fingal County Council and Dublin City Council administrative areas).

An Bord Pleanála may in respect of an application for permission -

- (a) grant the permission subject to such modification (if any), to the proposed development as it may specify, or
- (b) grant the permission in respect of part of the proposed development concerned subject to such modifications (if any) to that part as it may specify,

Date

6 June 2024

---

and any of the above decisions may be subject to or without conditions,

or

(c) refuse to grant the permission,

Any enquiries relating to the application process should be directed to the Marine Area Planning Section of An Bord Pleanála (Tel, +353 1 8588100).

Submissions or observations may be made only to An Bord Pleanála 64 Marlborough Street, Dublin 1 in writing or online on An Bord Pleanála's website [www.pleanala.ie](http://www.pleanala.ie) in respect of:

- (i) the implications of the proposed development for maritime spatial planning, and
- (ii) the implications of the proposed development for proper planning and sustainable development, and
- (iii) the likely effects on the environment or any European site of the proposed development, if carried out.

Any submissions/observations must be received by An Bord Pleanála not later than 5.30 p.m. on the **9<sup>th</sup> August 2024**.

Yours sincerely

Dear Sir/Madam

## **Re: Direct Application to An Bord Pleanála in respect of an Offshore Wind Energy Project**

Please be advised that in accordance with Section 291 of the Planning and Development Act 2000, as amended, North Irish Sea Array Windfarm Limited gives notice of its intention to make an application to An Bord Pleanála for planning permission for the following proposed development:

### **North Irish Sea Array Offshore Wind Farm.**

4 no. hard copies and 2 no. soft copies of the planning application, including the Planning Drawings, Environmental Impact Assessment Report (EIAR), Natura Impact Statement (NIS) and Planning Report are enclosed for your information. A list of the application enclosures is provided below.

The planning application, Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) may also be viewed or downloaded from the following website:

<https://northirishsearraysid.ie/>

The proposed development is an offshore wind farm located off the east coast of Ireland. The proposed development is comprised of offshore and onshore infrastructure. The offshore infrastructure of the proposed development is located off the coast of counties Dublin, Meath and Louth. The onshore infrastructure of the proposed development is located in County Dublin (Fingal County Council and Dublin City Council administrative areas). The nature and location of the proposed development is set out in the enclosed Public Notice and a complete description is set out in the documentation accompanying the planning application, including the Planning Drawings, Environmental Impact Assessment Report (EIAR), Natura Impact Statement (NIS) and Planning Report.

An Bord Pleanála ('the Board') may in respect of an application for permission -

Date

6 June 2024

- 
- (a) grant the permission subject to such modification (if any), to the proposed development as it may specify, or
  - (b) grant the permission in respect of part of the proposed development concerned subject to such modifications (if any) to that part as it may specify,

and any of the above decisions may be subject to or without conditions,

or

- (c) refuse to grant the permission,

Any enquiries relating to the application process should be directed to the Marine Area Planning Section of An Bord Pleanála (Tel, +353 1 8588100).

Please note the application documentation must be made available for public inspection/purchase by the Coastal Planning Authorities in accordance with the terms of the public notice. It is the Board's intention that all application documentation will remain available for public inspection during the currency of the application.

Submissions or observations may be made only to An Bord Pleanála 64 Marlborough Street, Dublin 1 in writing or online on An Bord Pleanála's website [www.pleanala.ie](http://www.pleanala.ie) in respect of:

- (i) the implications of the proposed development for maritime spatial planning, and

## **Re: Direct Application to An Bord Pleanála in respect of an Offshore Wind Energy Project**

Please be advised that in accordance with Section 291 of the Planning and Development Act 2000, as amended, North Irish Sea Array Windfarm Limited gives notice of its intention to make an application to An Bord Pleanála for planning permission for the following proposed development:

### **North Irish Sea Array Offshore Wind Farm.**

1 no. soft copy of the planning application, including the Planning Drawings, Environmental Impact Assessment Report (EIAR), Natura Impact Statement (NIS) and Planning Report is enclosed for your information. A list of the application enclosures is provided below.

The planning application, Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) may also be viewed or downloaded from the following website:

<https://northirishsearraysid.ie/>

The proposed development is an offshore wind farm located off the east coast of Ireland. The proposed development is comprised of offshore and onshore infrastructure. The offshore infrastructure of the proposed development is located off the coast of counties Dublin, Meath and Louth. The onshore infrastructure of the proposed development is located in County Dublin (Fingal County Council and Dublin City Council administrative areas).

An Bord Pleanála may in respect of an application for permission -

- (a) grant the permission subject to such modification (if any), to the proposed development as it may specify, or
- (b) grant the permission in respect of part of the proposed development concerned subject to such modifications (if any) to that part as it may specify,

and any of the above decisions may be subject to or without conditions,

Date

6 June 2024

---

or

(c) refuse to grant the permission,

Any enquiries relating to the application process should be directed to the Marine Area Planning Section of An Bord Pleanála (Tel, +353 1 8588100).

Submissions or observations may be made only to An Bord Pleanála 64 Marlborough Street, Dublin 1 in writing or online on An Bord Pleanála's website [www.pleanala.ie](http://www.pleanala.ie) in respect of:

- (i) the implications of the proposed development for maritime spatial planning, and
- (ii) the implications of the proposed development for proper planning and sustainable development, and
- (iii) the likely effects on the environment or any European site of the proposed development, if carried out.

Any submissions/observations must be received by An Bord Pleanála not later than 5.30 p.m. on the **9<sup>th</sup> August 2024**.

Dear Mr Martin

## **Re: Direct Application to An Bord Pleanála in respect of an Offshore Wind Energy Project**

Please be advised that in accordance with Section 291 of the Planning and Development Act 2000, as amended, North Irish Sea Array Windfarm Limited gives notice of its intention to make an application to An Bord Pleanála for planning permission for the following proposed development:

### **North Irish Sea Array Offshore Wind Farm.**

1 no. soft copy of the planning application, including the Planning Drawings, Environmental Impact Assessment Report (EIAR), Natura Impact Statement (NIS) and Planning Report is enclosed for your information. A list of the application enclosures is provided below.

The planning application, Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) may also be viewed or downloaded from the following website:

<https://northirishsearraysid.ie/>

The proposed development is an offshore wind farm located off the east coast of Ireland. The proposed development is comprised of offshore and onshore infrastructure. The offshore infrastructure of the proposed development is located off the coast of counties Dublin, Meath and Louth. The onshore infrastructure of the proposed development is located in County Dublin (Fingal County Council and Dublin City Council administrative areas).

An Bord Pleanála may in respect of an application for permission -

- (a) grant the permission subject to such modification (if any), to the proposed development as it may specify, or
- (b) grant the permission in respect of part of the proposed development concerned subject to such modifications (if any) to that part as it may specify,

and any of the above decisions may be subject to or without conditions,

Date

6 June 2024

---

or

(c) refuse to grant the permission,

Any enquiries relating to the application process should be directed to the Marine Area Planning Section of An Bord Pleanála (Tel, +353 1 8588100).

Submissions or observations may be made only to An Bord Pleanála 64 Marlborough Street, Dublin 1 in writing or online on An Bord Pleanála's website [www.pleanala.ie](http://www.pleanala.ie) in respect of:

- (i) the implications of the proposed development for maritime spatial planning, and
- (ii) the implications of the proposed development for proper planning and sustainable development, and
- (iii) the likely effects on the environment or any European site of the proposed development, if carried out.

Any submissions/observations must be received by An Bord Pleanála not later than 5.30 p.m. on the **9<sup>th</sup> August 2024**.

Yours sincerely

**Fiona Patterson**

Associate

Dear Ms Kelly

## **Re: Direct Application to An Bord Pleanála in respect of an Offshore Wind Energy Project**

Please be advised that in accordance with Section 291 of the Planning and Development Act 2000, as amended, North Irish Sea Array Windfarm Limited gives notice of its intention to make an application to An Bord Pleanála for planning permission for the following proposed development:

### **North Irish Sea Array Offshore Wind Farm.**

The planning application documentation, Environmental Impact Assessment Report and Natura Impact Statement may be viewed or downloaded from the following website:

<https://northirishsearraysid.ie/>

A list of the application enclosures is provided below.

The proposed development is an offshore wind farm located off the east coast of Ireland. The proposed development is comprised of offshore and onshore infrastructure. The offshore infrastructure of the proposed development is located off the coast of counties Dublin, Meath and Louth. The onshore infrastructure of the proposed development is located in County Dublin (Fingal County Council and Dublin City Council administrative areas).

An Bord Pleanála may in respect of an application for permission -

- (a) grant the permission subject to such modification (if any), to the proposed development as it may specify, or
- (b) grant the permission in respect of part of the proposed development concerned subject to such modifications (if any) to that part as it may specify,

and any of the above decisions may be subject to or without conditions,

Date

6 June 2024

---

or

(c) refuse to grant the permission,

Any enquiries relating to the application process should be directed to the Marine Area Planning Section of An Bord Pleanála (Tel, +353 1 8588100).

Submissions or observations may be made only to An Bord Pleanála 64 Marlborough Street, Dublin 1 in writing or online on An Bord Pleanála's website [www.pleanala.ie](http://www.pleanala.ie) in respect of:

- (i) the implications of the proposed development for maritime spatial planning, and
- (ii) the implications of the proposed development for proper planning and sustainable development, and
- (iii) the likely effects on the environment or any European site of the proposed development, if carried out.

Any submissions/observations must be received by An Bord Pleanála not later than 5.30 p.m. on the **9<sup>th</sup> August 2024**.

Dear Mr Dineen

## **Re: Direct Application to An Bord Pleanála in respect of an Offshore Wind Energy Project**

Please be advised that in accordance with Section 291 of the Planning and Development Act 2000, as amended, North Irish Sea Array Windfarm Limited gives notice of its intention to make an application to An Bord Pleanála for planning permission for the following proposed development:

### **North Irish Sea Array Offshore Wind Farm.**

The planning application documentation, Environmental Impact Assessment Report and Natura Impact Statement may be viewed or downloaded from the following website:

<https://northirishsearraysid.ie/>

A list of the application enclosures is provided below.

The proposed development is an offshore wind farm located off the east coast of Ireland. The proposed development is comprised of offshore and onshore infrastructure. The offshore infrastructure of the proposed development is located off the coast of counties Dublin, Meath and Louth. The onshore infrastructure of the proposed development is located in County Dublin (Fingal County Council and Dublin City Council administrative areas).

An Bord Pleanála may in respect of an application for permission -

- (a) grant the permission subject to such modification (if any), to the proposed development as it may specify, or
- (b) grant the permission in respect of part of the proposed development concerned subject to such modifications (if any) to that part as it may specify,

and any of the above decisions may be subject to or without conditions,

Date

6 June 2024

---

or

(c) refuse to grant the permission,

Any enquiries relating to the application process should be directed to the Marine Area Planning Section of An Bord Pleanála (Tel, +353 1 8588100).

Submissions or observations may be made only to An Bord Pleanála 64 Marlborough Street, Dublin 1 in writing or online on An Bord Pleanála's website [www.pleanala.ie](http://www.pleanala.ie) in respect of:

- (i) the implications of the proposed development for maritime spatial planning, and
- (ii) the implications of the proposed development for proper planning and sustainable development, and
- (iii) the likely effects on the environment or any European site of the proposed development, if carried out.

Any submissions/observations must be received by An Bord Pleanála not later than 5.30 p.m. on the **9<sup>th</sup> August 2024**.

Yours sincerely

**Fiona Patterson**

Associate

Dear Mr Martin

## **Re: Direct Application to An Bord Pleanála in respect of an Offshore Wind Energy Project**

Please be advised that in accordance with Section 291 of the Planning and Development Act 2000, as amended, North Irish Sea Array Windfarm Limited gives notice of its intention to make an application to An Bord Pleanála for planning permission for the following proposed development:

### **North Irish Sea Array Offshore Wind Farm.**

The planning application documentation, Environmental Impact Assessment Report and Natura Impact Statement may be viewed or downloaded from the following website:

<https://northirishsearraysid.ie/>

A list of the application enclosures is provided below.

The proposed development is an offshore wind farm located off the east coast of Ireland. The proposed development is comprised of offshore and onshore infrastructure. The offshore infrastructure of the proposed development is located off the coast of counties Dublin, Meath and Louth. The onshore infrastructure of the proposed development is located in County Dublin (Fingal County Council and Dublin City Council administrative areas).

An Bord Pleanála may in respect of an application for permission -

- (a) grant the permission subject to such modification (if any), to the proposed development as it may specify, or
- (b) grant the permission in respect of part of the proposed development concerned subject to such modifications (if any) to that part as it may specify,

and any of the above decisions may be subject to or without conditions,

Date

6 June 2024

---

or

(c) refuse to grant the permission,

Any enquiries relating to the application process should be directed to the Marine Area Planning Section of An Bord Pleanála (Tel, +353 1 8588100).

Submissions or observations may be made only to An Bord Pleanála 64 Marlborough Street, Dublin 1 in writing or online on An Bord Pleanála's website [www.pleanala.ie](http://www.pleanala.ie) in respect of:

- (i) the implications of the proposed development for maritime spatial planning, and
- (ii) the implications of the proposed development for proper planning and sustainable development, and
- (iii) the likely effects on the environment or any European site of the proposed development, if carried out.

Any submissions/observations must be received by An Bord Pleanála not later than 5.30 p.m. on the **9<sup>th</sup> August 2024**.

Yours sincerely

**Fiona Patterson**

Associate
