Re: Construction of poultry house and store with all associated site works at Carrickbaggott, Grangebellew, Co. Louth. Environmental Protection Agency licence required. Natura Impact Statement and Environmental Impact Assessment Report submitted with planning application.

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer to the above appeal.

It is a statutory objective of the Board to ensure that every appeal received is determined within eighteen weeks beginning on the date of receipt of that appeal. This is in accordance with section 126(2)(a) of the Planning and Development Act, 2000, as amended. Where it appears to the Board that it would not be possible or appropriate to determine a particular appeal within this period, a notice must be sent to the parties in accordance with section 126(3)(a) of the Act.

The Board hereby serves notice under section 126(3)(a) that it will not be possible to determine the case within the statutory objective period due to a current significant backlog of cases. The Board now intends to determine the above appeal before **13th March 2025**. The Board regrets the delay in determining this case.

Please note that the provisions of section 251 of the Planning and Development Act 2000 (as amended) have been taken into consideration when determining the new decide by date.

The Board will take all such steps as are open to it to ensure that the appeal is determined before that date.

Yours faithfully,

James Sweeney
