In accordance with Section 182A of the Planning and Development Act 2000 (as amended), Clonberne Windfarm Limited gives notice of its intention to make an application to An Bord Pleanála for permission for a period of 10 years for the following proposed development in the townlands of Cloonarkan, Clonbern, Laughil, Co. Galway.

The proposed development will consist of the provision of the following:

- I. Construction of a permanent substation which will comprise of a 220kV Gas Insulated Switchgear (GIS) building, an Independent Power Producer (IPP) compound, a Battery Energy Storage System (BESS) compound, including 4 no. 18-metre high Lightning Monopoles, welfare facilities, car parking, wastewater holding tank, 36-metre-high Telecommunications Mast, 2.6-metre high palisade fencing, external lighting, underground cabling, and all associated infrastructure and apparatus;
- II. All works associated with the connection of the proposed Clonberne Wind Farm to the national electricity grid, including the provision of underground electrical cabling (220kV) to the existing Flagford to Cashla 220kV overhead line, in the townland of Laughil;
- III. The provision of 2 no. loop-in towers, 2 no. gantries within 2 no. cable compounds to facilitate the connection of the proposed substation to the existing Flagford to Cashla 220kV overhead line;
- IV. Construction of 2 no. gated permanent site entrances off the L6501 Local Road to facilitate access to the proposed development and the proposed Clonberne Wind Farm;
- V. Provision of 4 no. joint bays, communication chambers and earth sheath links along the underground electrical cabling route and temporary accommodation areas to facilitate underground cabling works;
- VI. Provision of a cable access track to facilitate the installation and maintenance of cabling and provide access to the proposed substation;
- VII. Reinstatement of the road or track surface above the proposed cabling trench along existing roads and tracks;
- VIII. Operational access road to the proposed development and the proposed Clonberne Wind Farm;
- IX. Site Drainage;
- X. Tree felling and hedgerow removal to facilitate construction and operation of the proposed development;
- XI. Operational stage site signage; and
- XII. All ancillary works and apparatus.

The application is seeking a ten-year planning permission. The development subject of this application will facilitate the connection of the proposed 11 no. wind turbine Clonberne Wind Farm to the national electricity grid. A concurrent application in relation to the proposed Clonberne Wind Farm is also being lodged to An Bord Pleanála.

An Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) have been prepared in relation to the project and accompany this planning application.

The planning application, Environmental Impact Assessment Report and Natura Impact Statement may be inspected free of charge or purchased on payment of a specified fee (which shall not exceed the reasonable cost of making such a copy) during public opening hours for a period of seven weeks commencing on the 9th July 2024 at the following locations:
