

APPENDIX C

NEWSPAPER NOTICES

PLANNING, LEGAL & PUBLIC NOTICES

Planning and Development Act 2000 (as Amended)

Notice of Direct Planning Application to An Bord Pleanála in Respect of a Strategic Infrastructure Development, County Galway (Galway County Council)

In accordance with Section 182A of the Planning and Development Act 2000, as amended, Coolpowra Flexgen Limited gives notice of its intention to make an application for a ten-year planning permission to An Bord Pleanála in relation to the following proposed development in the townlands of Coolpowra, Cooldorrageha, Ballynaheskeragh, Gortlusky and Sheeaunrush, County Galway. The application site has a total area of c 42.3 hectares.

The proposed development for which permission under Section 182B is being sought constitutes a 400kV Gas Insulated Switchgear (GIS) electricity substation and High Voltage (HV) transmission lines /cables and electric plant which will connect to the existing 400kV electricity network at the Oldstreet 400kV AIS substation. The proposed GIS electricity substation location is adjacent to a proposed Reserve Gas-Fired Generator and an Energy Storage System (ESS) facility, which are subject to separate concurrent planning applications with An Bord Pleanála and Galway County Council respectively, and this application includes the associated HV transmission Lines /cables and electric plant which connect these projects to the proposed GIS electricity substation.

The proposed development will include: (i) demolition and removal of an existing dwelling, outhouses and agricultural sheds; (ii) a two-storey GIS substation building containing battery room, WC, messroom, workshop, generator room, stair cores, cable pits, storeroom, and switchgear rooms within a fenced compound; (iii) HV circuits which will connect the proposed 400kV GIS substation to the existing 400kV network and a 220kV circuit via an overhead lattice steel gantry; (iv) HV circuits which will run from the proposed 400kV GIS substation and connect to a proposed Reserve Gas-Fired Generator Project and an Energy Storage System (ESS) Project (these projects are under separate concurrent planning applications); (v) a 36.0m high communications tower; (vi) a palisade fence to GIS compound perimeter; (vii) a temporary construction compound; (viii) a main entrance connecting to the L8763 public road, (ix) improvement works to L8763 and the junction of the N65/L8763 public roads, (x) all ancillary development including new internal roads, fencing and gates, car parking, lighting, utilities, lightning protection masts, underground services, landscaping and associated engineering works to provide for the connection of site services and foul and surface water management and drainage.

This application is seeking a ten-year permission and an unlimited operational period, as part of the national electricity transmission system operated by Eirgrid from commissioning. An Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) have been prepared and accompanies this planning application.

The planning application, EIAR and NIS may be inspected free of charge or purchased on payment of a specified fee (which fee shall not exceed the reasonable cost of making such a copy) during public opening hours for a period of seven weeks commencing on 12 July 2024 at the following locations:

- The offices of An Bord Pleanála, 64 Marlborough Street, Dublin 1.
- The offices of Galway County Council, Planning Department, Áras an Chontae, Prospect Hill, Galway, H91 H6KX.

The application may also be viewed/downloaded on the following stand-alone website: www.coolpowragis.com

Submissions or observations may be made only to An Bord Pleanála ('the Board'), 64 Marlborough Street, Dublin 1 during the above-mentioned period of seven weeks relating to:

- (i) the implications of the proposed development for proper planning and sustainable development,
- (ii) the likely effects on the environment of the proposed development, and
- (iii) the likely significant effects of the proposed development on a European site, if carried out.

Any submissions/observations must be accompanied by a fee of €50 (except for certain prescribed bodies) and must be received by the Board not later than 5.30 p.m. on the 30 August 2024. Such submissions/observations must also include the following information:

- The name of the person making the submission or observation, the name of the person acting on his or her behalf, if any, and the address to which any correspondence relating to the application should be sent,
- The subject matter of the submission or observation, and
- The reasons, considerations and arguments on which the submission or observation is based in full (Article 217 of the Planning & Development Regulations 2001, as amended, refers).

Any submissions or observations which do not comply with the above requirements cannot be considered by the Board.

The Board may at its absolute discretion hold an oral hearing on the application. (For further details see 'A Guide to Public Participation in Strategic Infrastructure Development' on the Board's website www.pleanala.ie).

The Board may in respect of an application for permission decide to:

- (a) (i) grant the permission, or
- (ii) make such modifications to the proposed development as it specifies in its decision and grant permission in respect of the proposed development as so modified, or
- (iii) grant permission in respect of part of the proposed development (with or without specified modifications of it of the foregoing kind),

and any of the above decisions may be subject to or without conditions, or

- (b) refuse to grant the permission.

Any enquiries relating to the application process should be directed to the Strategic Infrastructure Development Section of a Bord Pleanála (Tel. 01-8588100). A person may question the validity of any such decision by the Board by way of an application for judicial review, under Order 84 of the Rules of the Superior Courts (S.I. No.15 of 1986, as amended), in accordance with section 50 of the Planning and Development Act, 2000, as amended. Practical information on the review mechanism can be accessed under the heading Information on cases / Weekly lists - Judicial review of planning decisions on the Board's website www.pleanala.ie or on the Citizens Information Service website www.citizensinformation.ie.

Planning and Development Act 2000 (as Amended)

Notice of Direct Planning Application to An Bord Pleanála in Respect of a Strategic Infrastructure Development, County Galway (Galway County Council)

In accordance with Section 37E of the Planning and Development Act 2000, as amended, Coolpowra Flexgen Limited gives notice of its intention to make an application for a ten-year planning permission to An Bord Pleanála in relation to the following proposed development in the townlands of Coolpowra, Cooldorrageha, Ballynaheskeragh, Gortlusky and Sheeaunrush, County Galway. The application site has a total area of c 42.3 hectares.

The proposed development for which permission is being sought constitutes a Reserve Gas-Fired Generator located which is designed to provide power and back-up to the power grid. The proposed Reserve Gas-Fired Generator comprises three Open Cycle Gas Turbine (OCGTs) units which will be positioned within a building. The proposed Reserve Gas-Fired Generator location is adjacent to a proposed Gas Insulated Switchgear (GIS) electricity substation and proposed Energy Storage System (ESS) facility which are subject to separate concurrent planning applications with An Bord Pleanála and Galway County Council respectively. The Reserve Gas-Fired Generator will electrically connect to the adjoining 400kV High Voltage (HV) electricity network at the Oldstreet node in Co. Galway.

The proposed development will include: (i) demolition of an existing farmhouse, outbuildings and agricultural sheds; (ii) construction of a Reserve Gas-Fired Generator building which will house 3no. 385MW OCGT units, 3no. 45m high stacks with Continuous Emissions Monitoring System (CEMS), 3no. recessed and roof mounted air intake filter houses and ducts, fire suppression skid and distribution system, power control centre and balance of plant (BoP), administration control /building containing a control room, offices administration and welfare facilities; (iii) secondary fuel storage tanks and unloading area (3no. fuel storage tanks, fuel pumping plant, fuel polishing plant, air compressor and fuel forwarding building);(iv) 3no. banded HV transformers and auxiliary transformers; (v) Air insulated switchgear (AIS) compound containing HV electrical lines /cables, circuit breakers and associated electrical plant; (vi) fin fan coolers with a 7m high noise barrier;(vii) 3no. containerised emergency diesel generators with integrated stacks; (viii) Above Ground Installation (AGI) compound containing above ground pipework, a regulator house enclosure, instrument kiosk, boiler house enclosure and analyser kiosk; gas heater compound; (ix) firewater pump building and firewater storage tank; (x) workshop and stores; (xi) security building;(xii) temporary construction compound); (xiii) a main entrance connecting to the L8763 public road; (xiv) improvement works to the L8763 and the junction of the N65/L8763 public roads; and (xv) all ancillary development including new internal roads, fencing and gates, car parking, lighting, utilities, lightning protection masts, underground services, landscaping and associated engineering works to provide for the connection of site services and foul and surface water management and drainage.

This application is seeking a ten-year permission. The application relates to development for the purpose of an activity requiring an Industrial Emissions Licence from the Environmental Protection Agency (EPA) under the Industrial Emissions Directive. It also relates to a Lower Tier COMAH establishment and therefore falls under the requirements of the Control of Major Accident Hazard (COMAH) Regulations, 2015. An Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) have been prepared and accompanies this planning application.

The planning application, EIAR and NIS may be inspected free of charge or purchased on payment of a specified fee (which fee shall not exceed the reasonable cost of making such a copy) during public opening hours for a period of seven weeks commencing on 12 July 2024 at the following locations:

- The offices of An Bord Pleanála, 64 Marlborough Street, Dublin 1.
- The offices of Galway County Council, Planning Department, Áras an Chontae, Prospect Hill, Galway, H91 H6KX.

The application may also be viewed/downloaded on the following stand-alone website: www.coolpowraflexgen.com

Submissions or observations may be made only to An Bord Pleanála ('the Board'), 64 Marlborough Street, Dublin 1 during the above-mentioned period of seven weeks relating to:

- (i) the implications of the proposed development for proper planning and sustainable development,
- (ii) the likely effects on the environment of the proposed development, and
- (iii) the likely significant effects of the proposed development on a European site, if carried out.

Any submissions/observations must be accompanied by a fee of €50 (except for certain prescribed bodies) and must be received by the Board not later than 5.30 p.m. on the 30 August 2024. Such submissions/observations must also include the following information:

- The name of the person making the submission or observation, the name of the person acting on his or her behalf, if any, and the address to which any correspondence relating to the application should be sent,
- The subject matter of the submission or observation, and
- The reasons, considerations and arguments on which the submission or observation is based in full (Article 217 of the Planning & Development Regulations 2001, as amended, refers).

Any submissions or observations which do not comply with the above requirements cannot be considered by the Board.

The Board may at its absolute discretion hold an oral hearing on the application. (For further details see 'A Guide to Public Participation in Strategic Infrastructure Development' on the Board's website www.pleanala.ie).

The Board may in respect of an application for permission decide to:

- (a) (i) grant the permission, or
- (ii) make such modifications to the proposed development as it specifies in its decision and grant permission in respect of the proposed development as so modified, or
- (iii) grant permission in respect of part of the proposed development (with or without specified modifications of it of the foregoing kind),

and any of the above decisions may be subject to or without conditions, or

- (b) refuse to grant the permission.

Any enquiries relating to the application process should be directed to the Strategic Infrastructure Development Section of a Bord Pleanála (Tel. 01- 8588100).

A person may question the validity of any such decision by the Board by way of an application for judicial review, under Order 84 of the Rules of the Superior Courts (S.I. No.15 of 1986, as amended), in accordance with section 50 of the Planning and Development Act, 2000, as amended. Practical information on the review mechanism can be accessed under the heading Information on cases / Weekly lists - Judicial review of planning decisions on the Board's website www.pleanala.ie or on the Citizens Information Service website www.citizensinformation.ie.
