

Environmental Impact Assessment Report

Appendix 14.1

Volume 3 Part 8

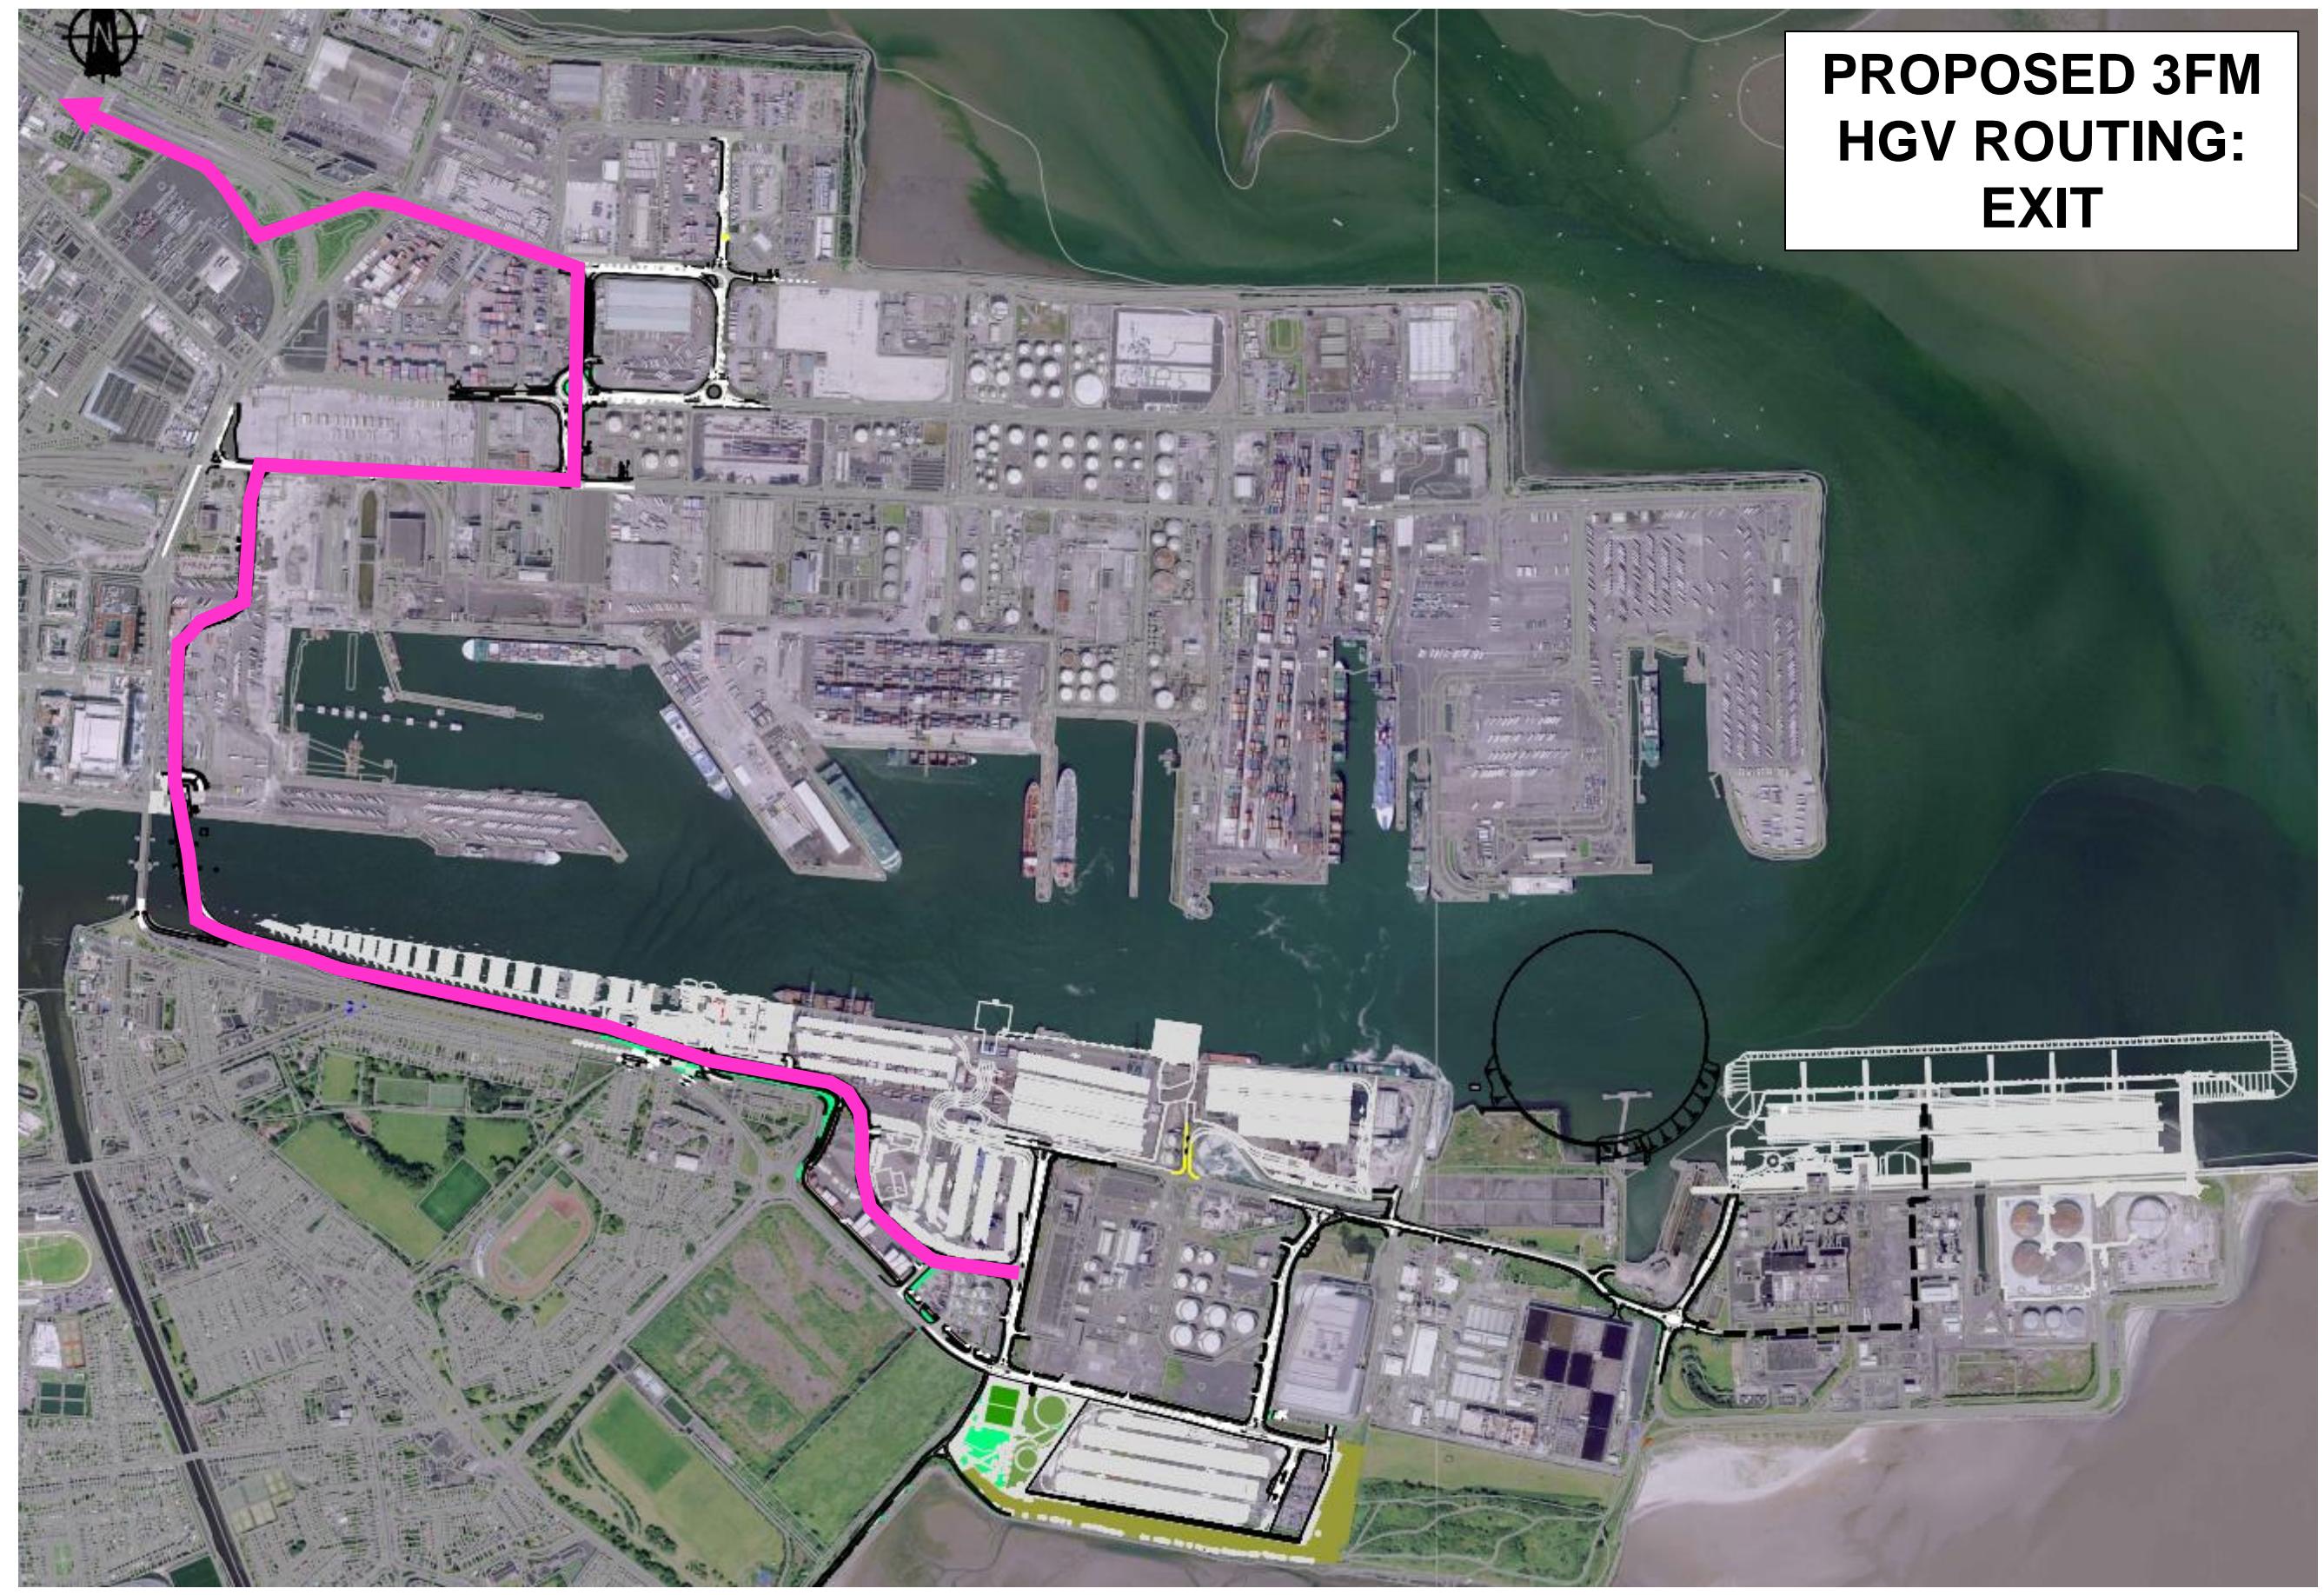

**THE 3FM PROJECT
ROUTING DIAGRAMS**

rpsgroup.com

**PROPOSED 3FM
HGV ROUTING:
EXIT**

**ALEXANDRA ROAD LEFT SLIP
FROM EAST WALL ROAD**

DOES NOT ACCESS THE SPAR

Left Slip from East Wall Road onto Alexandra Road

HGV Entry Only

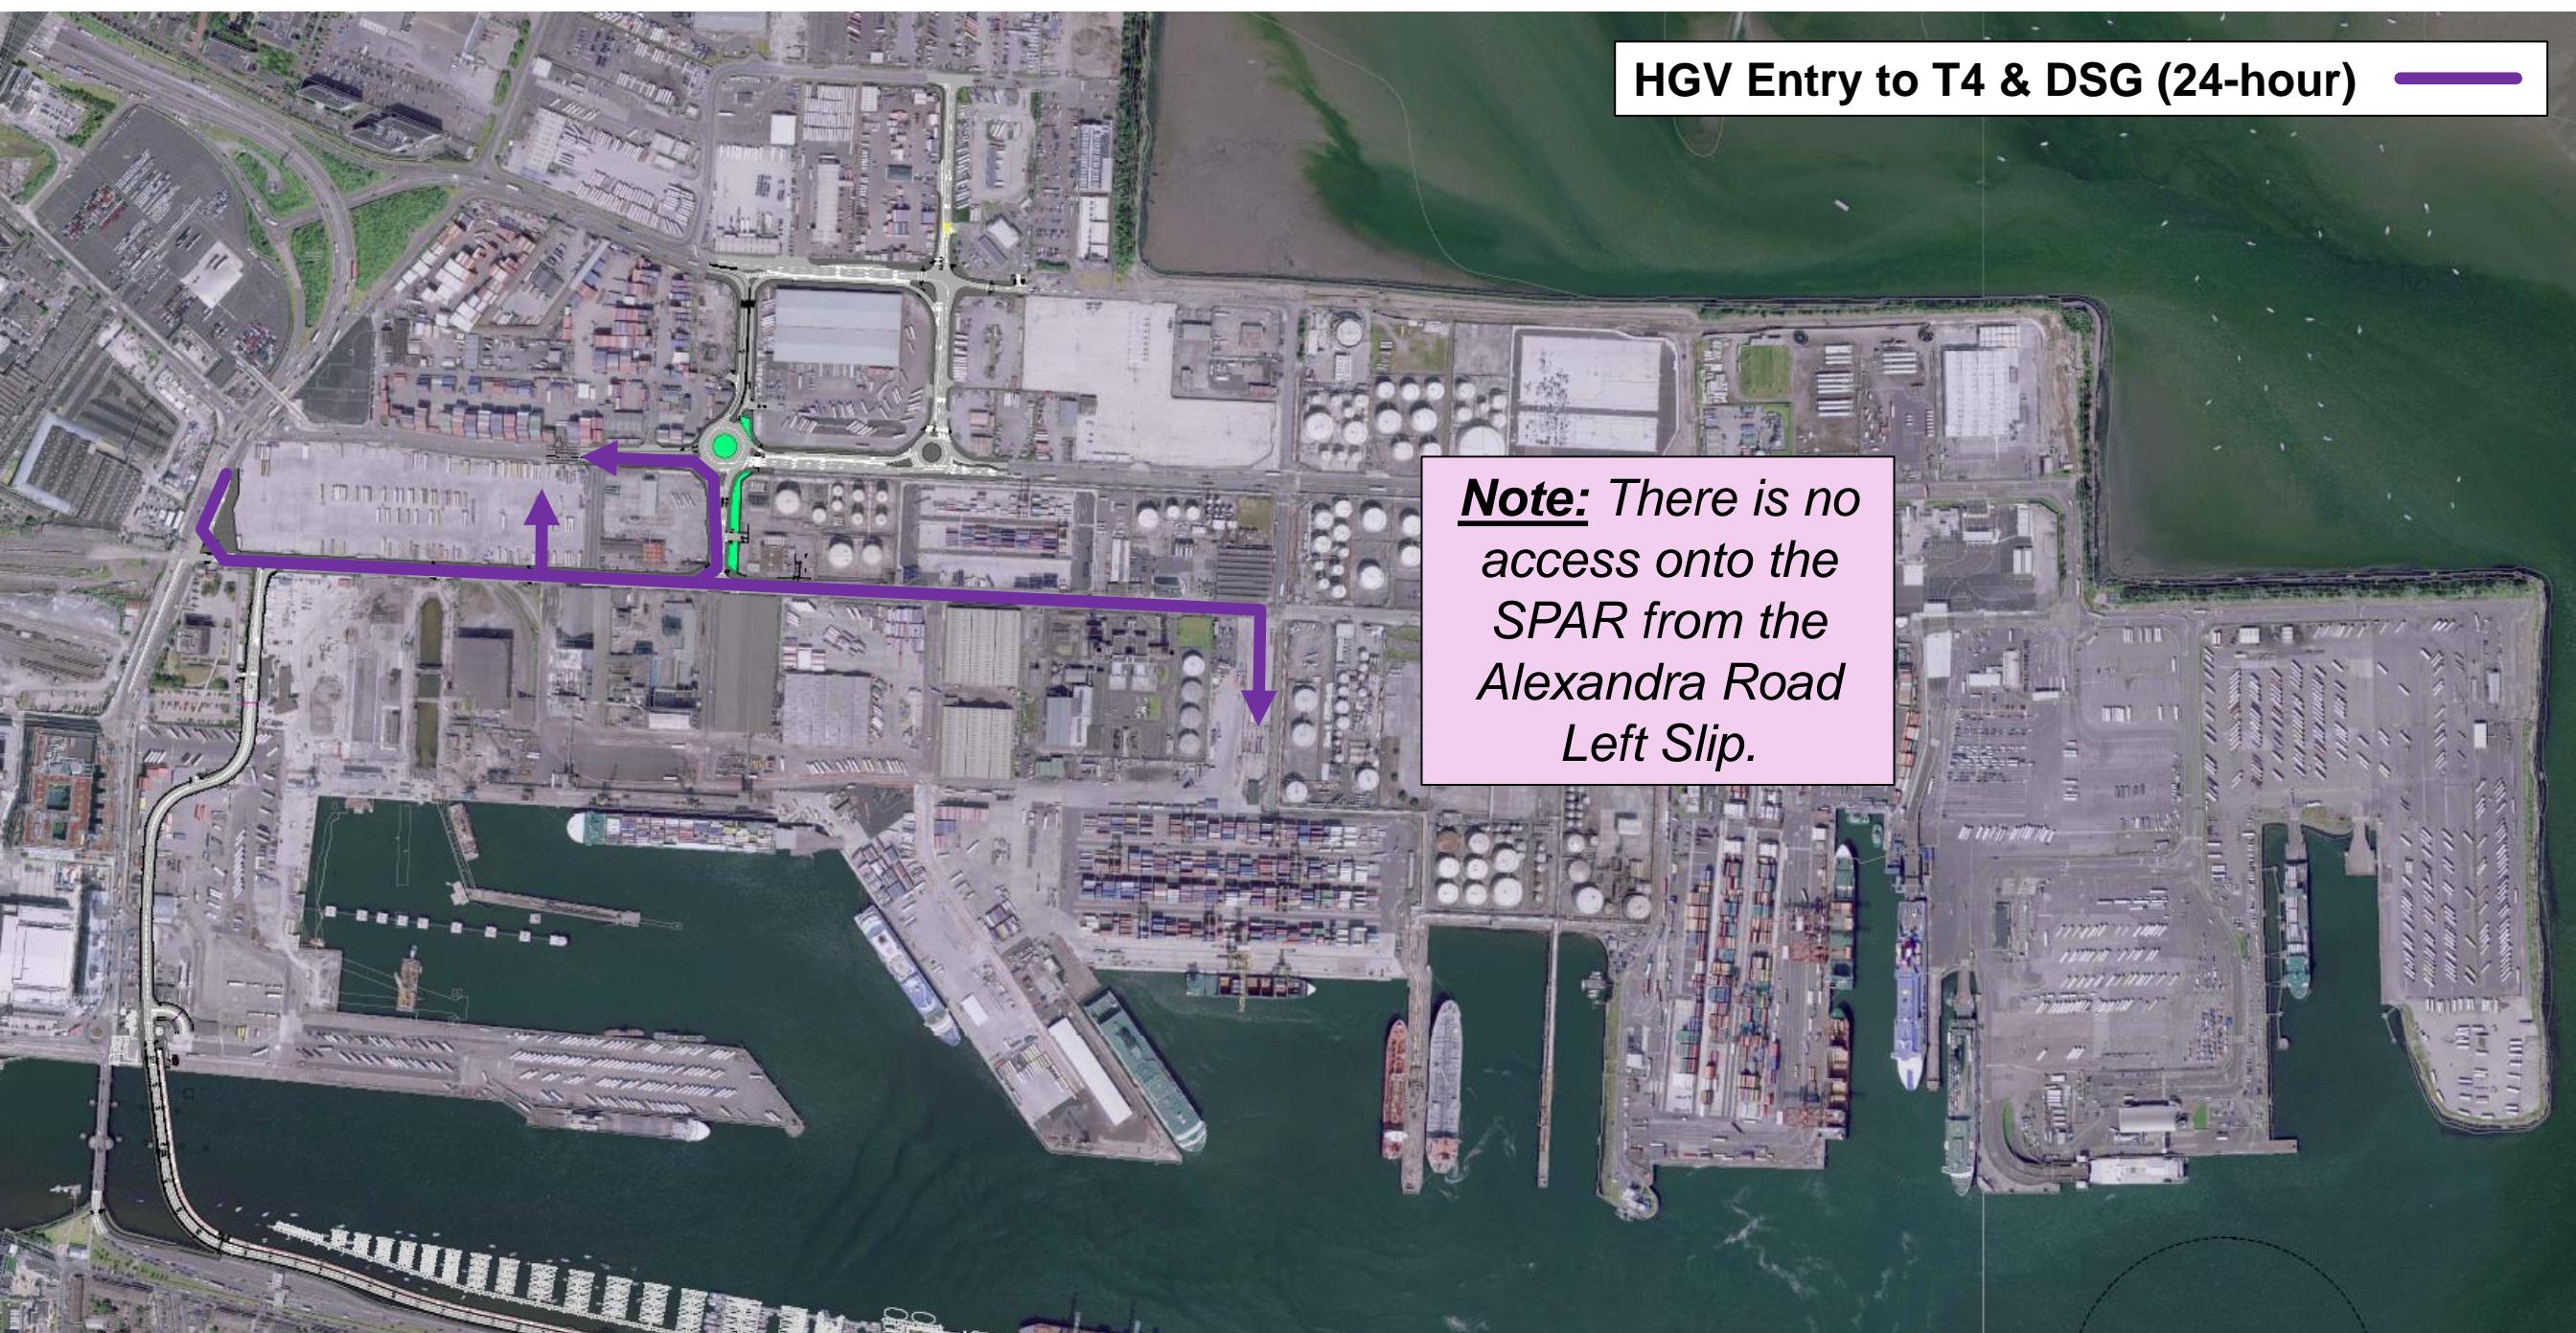

T4 and DSG

24 Hour (00:00 to 00:00)

HGV Entry to T4 & DSG (24-hour) —

Note: *There is no access onto the SPAR from the Alexandra Road Left Slip.*

Note: The left slip onto Alexandra Road does not serve the 3FM Project. It is for T4 and DSG HGVs only.

AREA K & AREA O ROUTING

Routing of Third-party Haulier that only visits Area K

24-Hour (00:00 to 00:00)

Routing of Third-party Haulier travelling from Area K to Area O and then travelling from Area O to exit via the SPAR

Daytime (07:00 to 23:00)

Routing of Third-party Haulier that only visits Area O

Daytime (07:00 to 23:00)

Routing of Third-party Haulier that only visits Area O

Nighttime (23:00 to 07:00)

Note: Nighttime routing of third-party haulier avoids proximity to Glass Bottle site during the nighttime hours.

Shunting between Area K and Area O

24 Hour (00:00 to 00:00)

Note: Shunting carried out by EV due to proximity to Glass Bottle site during nighttime hours.

AREA N & AREA L ROUTING

Routing of Third-party Haulier that only visits Area N

Daytime (07:00 to 23:00)

Routing of Third-party Haulier travelling from Area N to Area L and then travelling from Area L to exit via the SPAR

Daytime (07:00 to 23:00)

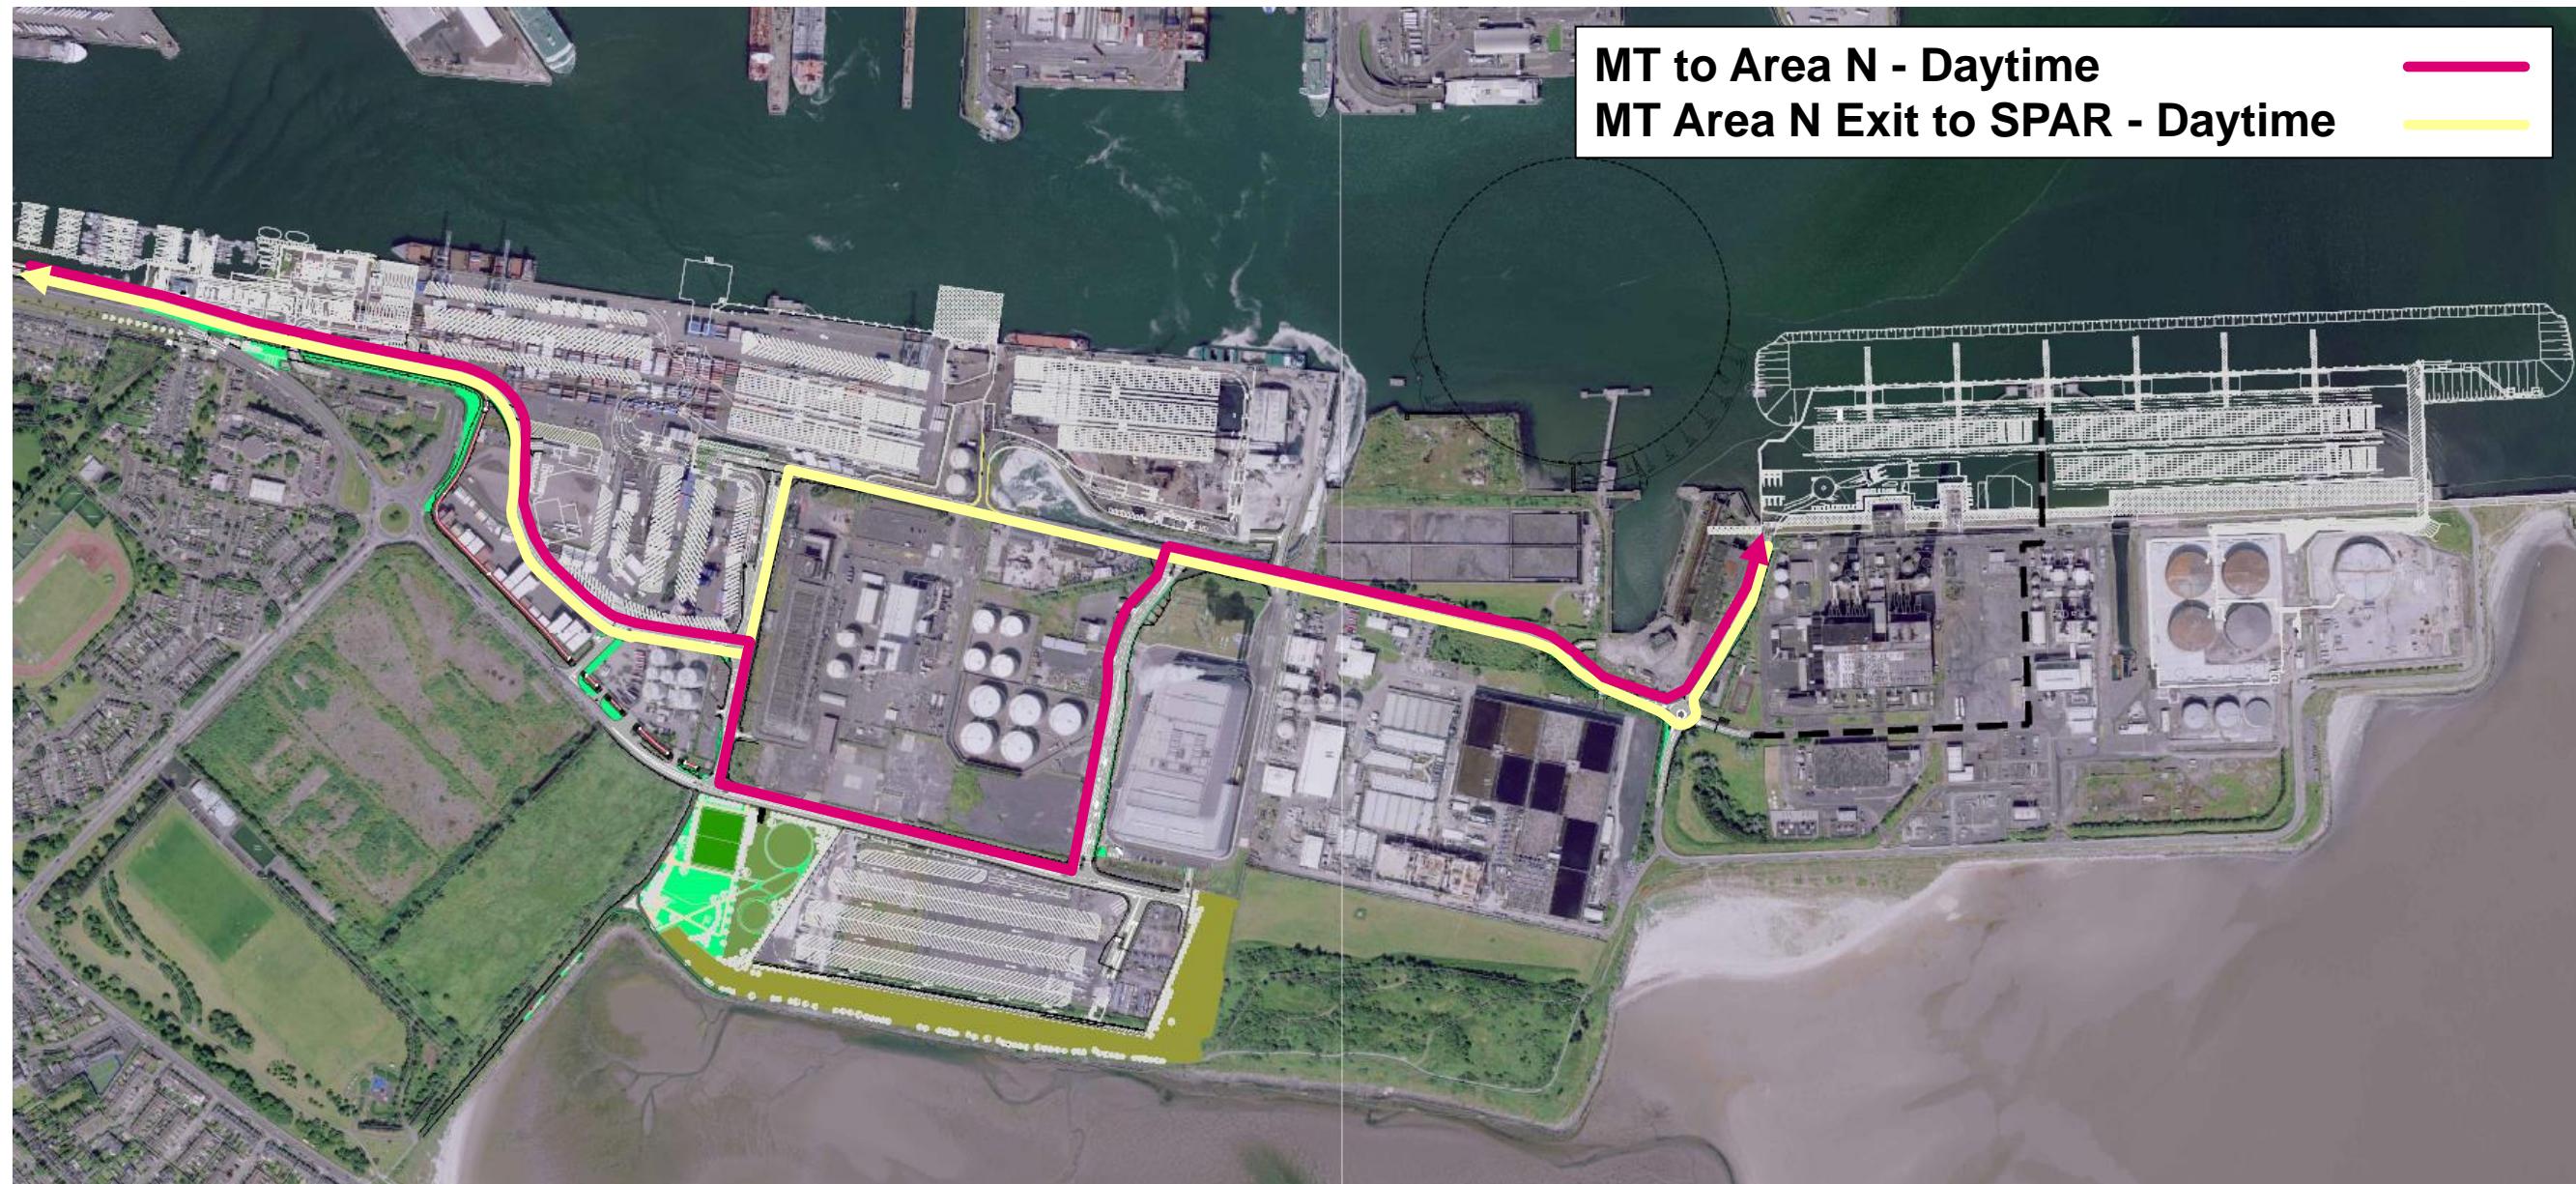

Routing of Third-party Haulier that only visits Area L

Daytime (07:00 to 23:00)

Routing of Empty (MT) to/from Area N

Daytime (07:00 to 23:00)

Routing of Third-party Haulier that only visits Area N

Nighttime (23:00 to 07:00)

Note: Nighttime routing of third-party hauliers avoids proximity to Glass Bottle site during the nighttime hours.

Routing of Third-party Haulier travelling from Area N to Area L and then travelling from Area L to exit via the SPAR

Nighttime (23:00 to 07:00)

Note: Nighttime routing of third-party hauliers avoids proximity to Glass Bottle site during the nighttime hours.

Routing of Third-party Haulier that only visits Area L

Nighttime (23:00 to 07:00)

Note: Nighttime routing of third-party hauliers avoids proximity to Glass Bottle site during the nighttime hours.

Routing of Empties (MT) to/from Area N

Nighttime (23:00 to 07:00)

Note: Nighttime routing of MTs avoids proximity to Glass Bottle site during the nighttime hours.

Shunting between Area L and Area N

24 Hour (00:00 to 00:00)
