

Environmental Impact Assessment Report

## Appendix 20.1

Volume 3 Part 10

Planning Application Reference	Project Description	Applicant	Decisions	Tier	Progress to Stage 2	Exclusion Criteria			Progress to Stage 3	
						Nature / Scale	Location	Time		
<b>ESB Engineering and Major Projects</b>										
1.	PWSDZ3074/23	ESB Engineering and major projects have proposed the construction of a 299-megawatt electrical output (MWe), Open Cycle Gas Turbine (OCGT) and a generating plant.	ESB Engineering and Major Projects	Grant Permission.	1	Yes				Yes
2.	3624/20	The Electricity Supply Board were granted permission for the development of a 75 MWe (electrical output) aero derivative gas fired turbine which will include: <ul style="list-style-type: none"> <li>- Aero derivative gas fired turbine</li> <li>- Ancillary buildings.</li> <li>- Industrial/ electrical plant.</li> <li>- Various boundary and internal fencing and gates.</li> <li>- Ancillary site clearance and development works.</li> </ul>	The Electricity Supply Board (ESB)	Grant Permission.	1	Yes			✓	No
3.	3625/20	The development of: <ul style="list-style-type: none"> <li>- The demolition of three existing disused modern buildings.</li> <li>- A single storey Safety Centre (Pavilion) building.</li> <li>- A single storey Store building.</li> <li>- A multi-storey Store / Workshop building.</li> <li>- Remediation and cladding of exposed northern façade of 5-storey.</li> <li>- Cladding of exposed western façade of turbine hall building.</li> <li>- ancillary site clearance, grading and surfacing.</li> <li>- Construction and operation of a 75 MW capacity battery energy storage system (BESS) facility within a secured compound.</li> <li>- Up to 24 battery container unit arrangements.</li> <li>- A high control building.</li> <li>- Industrial/ electrical plant.</li> <li>- Removal of existing fencing and gates, and installation of various boundary and internal fencing and gates.</li> <li>- Ancillary development works.</li> </ul>	The Electricity Supply Board (ESB)	In construction phase.	1	Yes			✓	No
4.	3646/20	The Electricity Supply Board have proposed a development that will consist of: <ul style="list-style-type: none"> <li>- 30 MW capacity battery energy storage system (BESS) facility.</li> <li>- 11 battery container unit arrangements.</li> <li>- High control building.</li> <li>- Industrial/electrical plant.</li> <li>- Removal of existing fencing and gates, and installation of various boundary and internal fencing and gates.</li> <li>- Ancillary site clearance and development works including provision of areas of hardstanding, internal access roads, onsite drainage and attenuation, temporary construction laydown areas.</li> <li>- Connections to site services networks.</li> </ul>	The Electricity Supply Board (ESB)	Grant Permission.	1	Yes			✓	No
5.	3647/20	The Electricity Supply Board have proposed a development that will consist of: <ul style="list-style-type: none"> <li>- 75 MWe (electrical output) aero derivative gas fired turbine.</li> <li>- Ancillary buildings.</li> <li>- Industrial/electrical plant.</li> <li>- Removal of existing fencing and gates, and installation of various boundary and internal fencing and gates.</li> <li>- Ancillary site clearance and development works including provision of areas of hardstanding and car parking, internal access roads, pipe bridges, onsite drainage, temporary construction laydown area.</li> <li>- Connections to site services including telecommunications, gas, electrical, liquid fuel, water supply, surface water drainage, and wastewater.</li> </ul>	The Electricity Supply Board (ESB)	Grant Permission.	1	Yes			✓	No
6.	3373/18	The Electricity Supply Board have been granted permission for a development that will consist of (subject to detailed design, commercial and technical considerations): <ul style="list-style-type: none"> <li>- 30 MW capacity battery storage facility within a secured compound.</li> <li>- 12 No. battery storage units.</li> <li>- Single-storey control building.</li> <li>- Ancillary electrical plant.</li> </ul>	The Electricity Supply Board	Grant Permission.	1	Yes	✓			No

Planning Application Reference	Project Description	Applicant	Decisions	Tier	Progress to Stage 2	Exclusion Criteria			Progress to Stage 3	
						Nature / Scale	Location	Time		
	<ul style="list-style-type: none"> <li>- High palisade boundary fence and new access gates.</li> <li>- Ancillary site works including the installation of site services.</li> </ul>									
7. 3137/23	<p>The Electricity Supply Board have proposed a development that will consist of:</p> <ul style="list-style-type: none"> <li>- Demolition of the existing Babcock Store building.</li> <li>- Construction/installation of an OCGT generating unit and associated plant and equipment.</li> <li>- Connection to the existing gas Above Ground Installation.</li> <li>- Connection to the National Grid via the existing 220kV Poolbeg Substation.</li> <li>- All associated works to facilitate the development.</li> </ul>	Electricity Supply Board (ESB)	Grant permission	1	Yes	✓			No	
8. 2697/20	<p>The Electricity Supply Board have been granted permission for a development that will consist of alterations to the existing North Wall Power Generating station. This will include:</p> <ul style="list-style-type: none"> <li>- The replacement of existing indoor gas turbines with new and more efficient indoor gas turbines.</li> <li>- The replacement of one of the two existing exhaust chimney stack's (approx. 70m tall) and its re-construction at a reduced height of 65m to mirror the second existing exhaust stack.</li> <li>- The installation of new gas compressors with associated fan coolers.</li> <li>- The replacement of existing roof-mounted fan coolers.</li> <li>- A fuel oil pumphouse.</li> <li>- A demineralised water pumphouse.</li> <li>- A new 1,000m3 demineralised water tank (approx. 10m tall).</li> <li>- A new 1,000m3 gas oil storage tank (approx. 10m tall).</li> <li>- The repurposing of an existing 4,000m3 fuel oil storage tank as a demineralised water storage tank of the same volume.</li> <li>- A new fire water tank (approx. 10m tall).</li> <li>- A new tanker unloading area comprising a concrete pad.</li> <li>- Emergency diesel generator.</li> <li>- A new administration and welfare building.</li> <li>- Minor modifications to existing surface water drainage.</li> <li>- A new entrance opening on to Alexandra Road and revised internal road layout and minor ancillary plant and equipment structures.</li> </ul> <p>The development will also comprise the removal of existing structures including;</p> <ul style="list-style-type: none"> <li>- 70m tall stack and associated boiler.</li> <li>- Part of the administration building.</li> <li>- Canteen, stores building and water treatment buildings.</li> <li>- Gas compressor building as well as a water storage tanks.</li> <li>- A bottle storage area and other minor redundant installations.</li> </ul> <p>The development will also include all other necessary associated works required to enable the construction and operation of the facility.</p>	Electricity Supply Board (ESB)	Grant Permission.	1	Yes			✓	No	
<b>Former Irish Glass Bottle and Fabrizia sites</b>										
9. PWSZ3270/19	<p>Becbay Ltd &amp; Fabrizia Developments Ltd have been granted permission for a development that will consist of;</p> <ul style="list-style-type: none"> <li>- Streets.</li> <li>- Transportation.</li> <li>- Water services.</li> <li>- Utilities infrastructure.</li> <li>- Public realm and public amenity spaces.</li> <li>- Temporary landscaping of a school site to facilitate Phase 1 development as provided for under the approved Poolbeg West SDZ Planning Scheme.</li> </ul>	Becbay Ltd & Fabrizia Developments Ltd	Grant Permission.	1	Yes					Yes
10. PWSZ3207/21	<p>Pembroke Beach DAC have been granted permission for a development that will be of mixed-use, includes:</p> <ul style="list-style-type: none"> <li>- 600 No. apartment units.</li> <li>- Provision of 804 sq m of residential amenity facilities (to include a gym, lounge, meeting room, cinema room and other private amenities).</li> <li>- A childcare facility.</li> <li>- 2 No, retail units.</li> </ul>	Pembroke Beach DAC	Grant Permission.	1	Yes					Yes

Planning Application Reference	Project Description	Applicant	Decisions	Tier	Progress to Stage 2	Exclusion Criteria			Progress to Stage 3
						Nature / Scale	Location	Time	
	<ul style="list-style-type: none"> <li>- 1 café restaurant.</li> <li>- A total of 166 No. car parking spaces.</li> <li>- Provision of 961 No. bicycle parking spaces.</li> <li>- Plant rooms and resident storage spaces.</li> <li>- Landscaped open spaces to comprise 4052 sq m of residential communal courtyards.</li> <li>- 1 No. ESB substation.</li> </ul>								
11. PWSZ4121/21	Pembroke Beach DAC have been granted retention permission for a development to amend the Parent Permission and for retention permission for development on a site of c. 15.06 hectares on lands known as the Former Irish Glass Bottle & Fabrizia Sites, Poolbeg West, Dublin 4.	Pembroke Beach DAC	Grant Retention Permission.	1	Yes				Yes
12. PWSZ3406/22	<p>Pembroke Beach DAC have been granted permission for the proposed Phase 1B development that will consist of:</p> <ul style="list-style-type: none"> <li>- 356 No. apartment units.</li> <li>- Provision of 844 sq m of residential amenity facilities.</li> <li>- Retail space.</li> <li>- 69 No. car parking spaces.</li> <li>- 610 No. bicycle parking spaces.</li> <li>- Plant rooms and resident storage spaces.</li> <li>- Landscaped open spaces.</li> <li>- 1 No. ESB double substation and associated LV switch rooms.</li> </ul> <p>The proposed development will also include:</p> <ul style="list-style-type: none"> <li>- Hard and soft landscaping.</li> <li>- Pedestrian and cycle links.</li> <li>- Boundary treatments.</li> <li>- Tree planting.</li> <li>- Interim site hoarding, public lighting.</li> <li>- Green roofs.</li> <li>- Commercial and residential waste facilities.</li> <li>- Piped site wide services and all ancillary works and services necessary to facilitate construction and operation.</li> </ul>	Pembroke Beach DAC	Grant Permission.	1	Yes				Yes
13. PWSZ4341/23	<p>Planning permission for development comprising modifications to a permitted mixed-use scheme (Referred to as Phase 1B) at a site including lands known as Former Irish Glass Bottle &amp; Fabrizia Sites, Poolbeg West, Dublin 4. The site is identified as being within the A3 Lands in the Poolbeg West Strategic Development Zone (SDZ) Planning Scheme (April 2019).</p> <p>The proposed development consists of a change of unit types from that permitted under Dublin City Council Planning Reference PWSZ3406/22. The proposed development will comprise a total of 324 no. residential units (as permitted).</p> <p>The amendments related to the replacement of 8 no. 2 bed units with 8 no. 1 bed units resulting in an overall unit mix of 100 no. 1 beds, 166 no. 2 beds, and 58 no. 3 beds. These unit modifications are to facilitate the construction of an additional stairs from the 10th to 17th storey within the permitted development to address fire safety requirements. The proposal will result in minor elevational changes.</p>	Pembroke Beach DAC	Grant Permission.	1	Yes				Yes
14. PWSZ3798/24	<p>Planning permission for development of an office and mixed-use scheme (Referred to as Phase A Commercial) on an infill site of c.15.08 hectares (with a net focused site area of c. 1.75 ha) of land within the former Irish Glass Bottle (IGB) and Fabrizia sites on Sean Moore Road, Dublin 4 (including some 198 sq metres of public domain on Southbank Road to accommodate vehicle and pedestrian access). The site is identified as within the A1 Lands in the Poolbeg West Strategic Development Zone (SDZ) Planning Scheme (April 2019). The overall site is bounded to the north-west by Sean Moore Road, to the north-east by South Bank Road, to the south-east by Dublin Port lands and Dublin Bay, and to the south-west by Sean Moore Park. The overall site subsumes the 4.3 hectares site of the infrastructure permission (Parent Permission) (Reg. Ref. PWSZ3270/19) for which Dublin City Council issued a Notification of Final Decision (10-year permission) on 28 January 2020, permitting: streets, transportation, water services and utilities' infrastructure; public realm and public amenity spaces; and temporary landscaping of a school site, to facilitate Phase 1 development as provided for under the approved Poolbeg West SDZ Planning Scheme. The proposed development will consist of an office and mixed-use scheme</p>	Pembroke Beach DAC	Awaiting Decision	1					

Planning Application Reference	Project Description	Applicant	Decisions	Tier	Progress to Stage 2	Exclusion Criteria			Progress to Stage 3	
						Nature / Scale	Location	Time		
	with a total GFA of 46,101 sq m (excl. basement / undercroft UC-02) comprising 2 No. blocks (identified as Blocks A and B). The proposed development will consist of: Block A (includes Block AA & AB) of 26,254 sq m and ranging in height from 5-7 storeys over basement/undercroft carparking to include double height (UC-01 & 00 Level) ground floor reception, office, a restaurant/bar, bakery/ café and event space with the upper floors to be used as offices. The offices have been designed to be suitable for a single user or multiple users with subdivisions. Block B of 19,847 sq m, and ranging in height from 5-12 storeys over basement/undercroft car parking to include double height (UC-01 & 00 Level) ground floor reception, games bar and office with the upper floors to be used as offices. The offices have been designed to be suitable for a single user or multiple users with subdivisions. The UC-01 level of Block A includes café, sports and recreation area, collaborative office, storage and building services. The UC-01 level of Block B includes collaborative office, management facilities and building services. Each office block has a number of amenity terraces including at 1st, 3rd, 4th, 5th, 6th and roof level in Block A and at 4th and 6th floor level in Block B. A total of 77 no. commercial car parking spaces (incl. 4 no. disabled access spaces & 16 no. EV spaces) and 4 no. motorbike spaces, located at basement level with vehicular access from the street level (Block A north eastern elevation), and the provision of 27 no. on-street car parking spaces (incl. 7 no. EV spaces and 6 no. disabled access spaces). Provision of 616 no. bicycle parking spaces located at basement level with bicycle ramp access from street level and 100 no. short-stay standard bicycle parking spaces located at surface level. Plant rooms, building services and energy centres, water tank, sprinkler rooms, tenant rooms, kitchenette, parcel/ courier store, archive store, bin stores, bicycle stores, lockers, showers, changing facilities, facilities management and games bar storage located at basement/ UC-01 level. Provision of public realm spaces including 1 no. public square (Pembroke Square), Glass Bottle Lane and public amenity spaces (totalling 1,920 sq m). Two new local/side streets (Pembroke Place & Glass Bottle Place) connecting to South Bank Road. The provision of the South Bank Link Road as identified in the SDZ Planning Scheme. The proposed development will include hard and soft landscaping, pedestrian and cycle links, boundary treatments, tree planting, public lighting, green roofs, solar pv panels, and all ancillary works and services necessary to facilitate construction and operation. The scheme also provides for an option which includes for temporary site hoarding, and cycle lane alongside Sean Moore Road, should the proposed development proceed ahead of the adjoining Phase 2 residential proposal commencing.									
15.	PWSDZ3700/24	Pembroke Beach DAC intends to apply for permission for development for a mixed used development (referred to as Phase 2) on this site of 15.06 hectares including lands known as the Former Irish Glass bottle & Fabrizia Sites, Poolbeg West, Dublin 4, focused primarily on a net site area of 1.99 hectares (identified as within the A1 Lands) in the Poolbeg West Strategic Development Zone (SDZ) Planning Scheme (April 2019).	Pembroke Beach DAC	Intention to submit	3	Yes				Yes
<b>Dublin Port Company</b>										
16.	3176/19	The development will consist of: a c.189m long, c.10m wide approach way and ramp; 1 no. office and staff facilities building (c.193 sq.m and 7.7m in height); 1 no. control kiosk (c.6 sq.m and 2.3m in height); 1 no. control cabin (c.20 sq.m and 2.3m in height); new lighting (including 18 no. lighting columns 10m high); demolition of 5 no. existing staff facilities buildings with a combined area of c.329 sq.m; building 1 has an area of c.198 sq.m, building 2 has an area of c.10.7 sq.m, building 3 has an area of c.35.5 sq.m, building 4 has an area of c.42.4 sq.m, building 5 has an area of c.42.4 sq.m; and associated site works to include 15 no. tug parking spaces, drainage, utility services, fencing 2.4m in height and pedestrian gate 2.4m in height on a site of approx. 1.3 hectares.	Dublin Port Company	Grant Permission.		Yes	✓			No
17.	3859/19	The development will consist of: demolition of redundant warehouse building known as 'Stack R Warehouse' (c. 6,600sqm); demolition of redundant ESB pumphouse and adjacent switchroom (c. 285sqm) at Berth 31/32 (Ocean Pier); installation of 25 no. new reefer access gantries (5.0m high) at Stack R and McCairn's yard; installation of a new	Dublin Port Company	Grant Permission.	1	No		✓		n/a

	substation (c. 92sqm) adjacent to Stack R; extension of the existing Alexandra Quay East (AQE) Rubber Tyre Gantry (RTG) stack area by 17,500sqm to the west (3 no. bays, 18.2m high); installation of 3 no. new reefer access gantries (7 no. rows, 14.65m high) in the proposed AQE RTG stack extensions; demolition of Dublin Stevedores substation (c. 30 sqm) and installation of new substation (c. 98sqm); re-routing of existing, and installation of new, electrical infrastructure; construction of 1.5m high retaining wall and 4m high security fencing along part of western boundary; provision of 3 no. 30m high mast lighting towers including integrated CCTV cameras; provision of 1 no. 10m high lighting column on the western boundary of McCairn's Yard; provision of ancillary associated lighting and lighting upgrades; installation of new pavement and associated drainage and services; general site clearance; and all associated works on site of c. 75,750sqm (c.7,575ha).								
18.	4353/22	Dublin Port Company	Grant Permission.	1	Yes			✓	No
19.	4483/19	Dublin Port Company	Grant Permission.	1	No	✓	✓		n/a
20.	3220/21	Dublin Port Company	Grant Permission – Was appealed – granted July 23.	1	Yes				yes

Planning Application Reference	Project Description	Applicant	Decisions	Tier	Progress to Stage 2	Exclusion Criteria			Progress to Stage 3
						Nature / Scale	Location	Time	
	<ul style="list-style-type: none"> <li>- Provision of hard and soft landscaping including trees along the extent of the route, amenity, interpretation and wayfinding features including bins and seating.</li> <li>- Provision of an indented bus stop on the east side of East Wall Road.</li> <li>- Provision of pedestrian and cycle facilities to enable road crossing on the east side of East Wall Road to connect with permitted road crossings on East Wall Road by Dublin City Council.</li> <li>- Provision of lighting and CCTV along the proposed pedestrian and cycle route.</li> <li>- Modifications to the existing maritime garden adjacent to Dublin Port Centre.</li> <li>- Reduction in the width of the vehicular carriageway and omission of footpath on internal roadway in Terminal 3.</li> <li>- Provision of a new vehicular access to Dublin Port Centre car park off the internal road network.</li> <li>- Amendments to the junction between the Terminal 3/4 access road and Alexandra Road to include right-out only from the proposed access road onto Alexandra Road and changing the junction from signalised to priority controlled.</li> <li>- Amendments to the permitted Alexandra Road / East Wall Road Junction to include the retention of the left slip lane from East Wall Road into Alexandra Road.</li> <li>- Relocation of the emergency access gate at the junction of Tolka Quay Road and East Wall Road.</li> <li>- Omission of the private secure access route for multi-modal berth between Tolka Quay Road and Alexandra Road.</li> <li>- Omission of a section of the internal road to the south of Dublin Port Centre car park.</li> </ul>								
21. 4894/22	<p>Dublin Port Company were granted Retention permission for a development that is part of a link road known as T10 Link Road connecting Promenade Road with Tolka Quay Road to the west of the Terminal 10 State Services yard. The road and associated infrastructure comprises of:</p> <ul style="list-style-type: none"> <li>- An approximately 125 metre long and 14.4 m wide two-way road (two northbound lanes and one southbound lane), with 2 no. 3m wide footpaths.</li> <li>- A T-junction with Promenade Road;</li> <li>- A pedestrian zebra crossing at the northern end of the link road; and</li> <li>- A vehicular entrance to the Terminal 10 state services yard;</li> <li>- Revisions to fence line previously permitted under Reg.Ref. 4483/19 at northeast corner of Terminal 4 North boundary; and</li> <li>- All associated ancillary works including site clearance, demolitions, earthworks, pavement construction, drainage services, diversion and installation of utility services, installation of road markings and signs, lighting, CCTV and associated boundary fencing.</li> </ul> <p>Permission is sought for development which will consist of a new link road from north of Tolka Quay Road to Alexandra Road. The new link road and associated infrastructure will comprise of:</p> <ul style="list-style-type: none"> <li>- An approximately 250m long two-way road (two north bound and two south bound lanes) with 3 m wide footpaths on either side of the road and two-way segregated cycleway on eastern side of road;</li> <li>- New roundabout, connecting proposed new link road with Tolka Quay Road;</li> <li>- New link road will incorporate a swept bend to integrate continuously with Alexandra Road to the west, a T-junction from Alexandra Road to the east to the proposed new link road, and closure of access to No. 2 Branch Road South;</li> <li>- Closure and removal of No. 1 Branch Road North along with boundary walls to east and west, accommodating an extension of Terminal 4 including new yard surface into area of current Circle K Terminal 1;</li> <li>- Realigned port cycle network along Alexandra Road;</li> <li>- Upgrade of road and footpath connections on Tolka Quay Road and a zebra crossing on Tolka Quay Road to the east of the proposed roundabout; and</li> <li>- Revisions to fence line previously permitted under Reg. Ref. 4483/19 at southeast corner of Terminal 4 North boundary.</li> </ul> <p>Permission is also sought for development comprising:</p> <ul style="list-style-type: none"> <li>- Relocation of 5 no. parking spaces within and provision of new 2.4 m western boundary wall to the Circle K Terminal 1;</li> </ul>	Dublin Port Company	Grant Permission and Retention Permission.		1	Yes			Yes

Planning Application Reference	Project Description	Applicant	Decisions	Tier	Progress to Stage 2	Exclusion Criteria			Progress to Stage 3
						Nature / Scale	Location	Time	
	<ul style="list-style-type: none"> <li>- Revisions to access from Circle K Terminal 1 to Alexandra Road as previously permitted under Reg. Ref. 3773/20 to now omit previous access arrangements and provide for two vehicular entrances and gateways to Alexandra Road and one vehicular entrances and gateways to T10 Link Road;</li> <li>- The demolition/ breaking out of:-Existing T10 Link Road junction on Tolka Quay Road;- Section of Circle K Terminal 1 perimeter fence; and All associated ancillary works, including site clearance, demolitions, earthworks, pavement construction, drainage services, diversion and installation of utility services, installation of road markings and signs, lighting, CCTV and associated boundary fencing. Part of the site comprises of an establishment to which the Chemicals Act (Control of Major Accident Hazards Involving Dangerous Substances) Regulations 2015 (S.I.209 of 2015) applies.</li> </ul>								
22.	2681/20	Dublin Port Company were granted permission for a development that will consist of the change of use, renovation and extension of the existing two storey protected structure to provide a new distributed museum, exhibition and multi-functional space to be operated by Dublin Port Company. The development will include: <ul style="list-style-type: none"> <li>- Stability improvement works to the protected structure comprising underpinning and rehabilitation works of existing masonry walls, piling works to a new ground floor slab, construction of additional internal structural steelwork, and removal of existing temporary shoring and bracing.</li> <li>- Removal of stairs and first floor mezzanine slab (60sqm) within the protected structure.</li> <li>- Provision of lighting to the exterior of the protected structure.</li> <li>- Excavation works within the protected structure to expose the historic sea wall running under the site boundary with East Wall Road (15.9sqm), and provision of waterproofing, drainage measures and a protective railing.</li> <li>- Part removal of the existing southern façade to form an opening to a proposed contemporary flat roof glazed extension (7.4m in height providing an additional 86sqm at ground floor level and 13.2sqm at first floor level) to provide additional museum/exhibition floor space, a service area, unisex WC and storage area.</li> <li>- Provision of solar photovoltaic panels at roof level of the protected structure and proposed extension.</li> <li>- Rearrangement of the landscaped public plaza to the south of the protected structure to include new/relocated seating arrangements, lighting column, planting and resurfacing; and all associated ancillary site development works including revised utilities/drainage arrangements.</li> </ul>	Dublin Port Company	Grant Permission.	1	Yes	✓	✓	No
23.	3748/20	Dublin Port Company were granted permission for a development that will consist of: <ul style="list-style-type: none"> <li>- The demolition and removal of Ramp No.3 and its support structure; and all associated ancillary site development works. A Natura Impact Statement (NIS) will be submitted to the Planning Authority with the planning application. An application for a Foreshore Licence is being made.</li> </ul>	Dublin Port Company	Grant Permission.	1	Yes	✓	✓	No
24.	5283/22	Dublin Port Company were granted permission for a change of use, material alterations and extension to an existing two storey office building and part of 2 no. industrial sheds for use as Artist Workspaces on a site at Promenade Road, Dublin Port, Dublin 1. The development will consist of: <ul style="list-style-type: none"> <li>- Material alterations to the existing two storey office building to provide a ground, first and second floor extension of 30.4 sqm area total, to include a passenger lift providing access to first floor.</li> <li>- Material alterations to the north, south, east and west facades by closing up 19no. windows and 1no. door, enlarging 2no. existing window openings to the south and west facade and 1no. new window to the west facade, provide external cladding to all facades with an entrance canopy to the west elevation and fixed signage to the north elevation.</li> <li>- Material alterations and partial removal to the northern ends of 2no. existing industrial sheds partially to be retained resulting in 124sqm area of the shed to the east and 135sqm area of the shed to the west for use as ancillary storage by providing new doors into the yard and partial upgrade of existing building fabric and construction of new north and south gable facades for each shed to match existing metal cladding.</li> </ul>	Dublin Port Company	Grant Permission.	1	No	✓	✓	n/a

Planning Application Reference	Project Description	Applicant	Decisions	Tier	Progress to Stage 2	Exclusion Criteria			Progress to Stage 3	
						Nature / Scale	Location	Time		
	<ul style="list-style-type: none"> <li>- Removal of existing Promenade Road boundary wall, fence and sliding gate, and erection of steel railing boundary between Artist studio building and east industrial shed.</li> <li>- Construction of a 4m high east-west masonry Art wall to define the site boundary to the south</li> <li>e) Reconfigure existing yard to provide hard landscaped areas with 3no. car parking spaces, 10no. covered cycle spaces and all associated site works.</li> </ul>									
<b>Uisce Éireann</b>										
25.	5319/22	Irish Water were granted permission for development on this site at the Ringsend Wastewater Treatment Plant, located on Pigeon House Road, Ringsend, Dublin 4. The proposed development consists of: <ul style="list-style-type: none"> <li>- 2 no. units comprising a Combined Heat and Power Engine and Steam Generator unit with roof top plant areas.</li> <li>- The Combined Heat and Power unit has gross floor area of approximately 30sq m, and a height of approximately 2.6 m.</li> <li>- The rooftop plant area will have a height of approximately 3.2m giving an overall height of approximately 5.8m.</li> <li>- The Steam Generator unit has a gross floor area of approximately 30 sq m, and a height of approximately 2.6 m.</li> <li>- The rooftop plant area will have a height of approximately 3.2m giving an overall height of approximately 5.8m. All associated site works and utility connections.</li> </ul>	Irish Water	Grant Permission.	1	Yes				Yes
<b>Kilsaran Concrete</b>										
26.	PWSDZ3469/22	Planning permission for the continuation of use of an existing concrete batching plant and associated facilities (previously granted under Reg. Refs. No 2482/19; 2209/13 & ABP Ref. No PL29S.241965; 1420/04 & ABP Ref. No. PL29S.207144) for a temporary period of five years at South Bank Road, Irishtown, Dublin 4. The application is located within the Poolbeg West Strategic Development Zone (SDZ) Planning Scheme area.	Kilsaran Concrete	Grant Permission.	1	Yes				Yes
<b>The National Oil Reserves Agency</b>										
27.	3669/19	The National Oil Reserves Agency were granted permission for a development that will consist of: <ul style="list-style-type: none"> <li>- Construction of a single storey ESB Substation &amp; Switchroom located adjacent to the existing terminal entrance/exit gate onto Shelly Banks Road.</li> <li>- All associated site works. These works are sought as an addition to the parent planning permission ref 2656/16 previously granted on the site. These development works will result in the site being upgraded to Upper Tier under the SEVESO regulations.</li> </ul>	The National Oil Reserves Agency	Grant Permission.	1	No		✓		N/a
<b>Dublin Waste to Energy Facility</b>										
28.	309812	Increase the capacity of the Dublin Waste to Energy Facility from 600,000 tonnes per annum to 690,000 tonnes per annum.	Waste to Energy Facility	Approve subject to conditions	1	Yes			✓	No
<b>Paul McCann &amp; Steve Tennant</b>										
29.	DSDZ2331/21	The development consists of alterations to the permitted development of the Exo Building under Reg. Ref.: DSDZ3632/15 and as amended under DSDZ3686/16, DSDZ3776/17 and DSDZ3754/18. The development proposed consists of the proposed minor extension to the permitted Core 2 low level plant enclosure zone on Level 08 and minor alterations to permitted landscaping layout of the roof level on Level 08.
