

Date Issued

Project: St Teresa's Lands Temple Hill, Monkstown,
Blackrock, County Dublin.

17/12/2021

P: Preliminary

Revision/ Comment

Ref	Doc. No.	Title																	
		Documents																	
		Main Drainage Planning Report	*																
	Appendix A	Greenfield Runoff Rate	*																
	Appendix B	Greef Roof Details	*																
	Appendix C	Met Eirann Rainfall Data	*																
	Appendix D	Attenuation Storage Proposals	*																
	Appendix E	Storm Drain Calculations	*																
	Appendix F	Storm Drain Calculations - 50% blockage	*																
	Appendix G	Hydro-Brake Details	*																
	Appendix H	JBA - Flood Risk Assessmnt	*																
	Appendix I	JBA - Surface Water Audit	*																
	Appendix J	Irish Water Confirmation of Feasability	*																
	Appendix K	Irish Water Statement of Design Acceptance	*																
	Appendix L	Irish Water Drawings	*																
	Appendix M	Site Investigation Reports	*																
	Appendix N	Civil Infrastrcuture Report	*																
		DRAWINGS																	
	C1	Existing site plan (A1)	B																
	C2-0	Site plan, Key Drg, (A0)	B																
	C2-1	Partial Site Part plan C1, (A1)	B																
	C2-2	Partial Site Part plan C2, (A1)	B																
	C2-3	Partial Site Part plan C3, (A1)	B																
	C2-4	Partial Site Part plan C4, (A1)	B																
	C2-5	Partial Site Part plan C5, (A1)	B																
	C2-6	Partial Site Part plan C6, (A1)	B																
	C2-7	Cross sections through carriageways (A1)	B																
	C2-9	Long Sections - Storm	B																
	C2-10	Long Sections - Foul	B																
	C2-11	Long Sections - Foul	B																
	C3	Q-Bar Calculation	B																
	C4-1	Basement A1 B1 B2 B3 B4	A																
	C4-2	Basement D1	A																
	C5	Tree root Protection	A																
	C6-1	Drainage SuDS zone	A																
	C6-2	Zone 1 Attenuation	A																
	C6-3	Zone 2 Attenuation	A																
	C7	Interception Areas	A																
	C11	Roof Areas	B																
	C12	Constrcution Phasing	A																
	C13	Foul Discharge	A																
	C14	Diversion Manhole C3	B																
	C15	Diversion Manhole C1	B																
	D1	Demolition Plan	B																
	F1-1	Flood Directions	B																
	F1-2	Flood zone at NW corner of site	A																
	G01	Watermain Layout	B																
	Si-1	Soakaway Test Locations	B
