Re: Letter of consent regarding the Planning Application by Futureenergy Scart Mountain Designated Activity Company (DAC) for the Scart Mountain Wind Farm as it relates to Coillte property in Co. Waterford

Dear Sir or Madam,

This letter refers to the estate, right and title of Coillte Cuideachta Ghníomhaíochta Ainmnithe (“Coillte CGA”) in the properties known as Scart, Moneygorm and Knocknasheega outlined in blue on the indicative map (“Map 1”) attached hereto (hereinafter called “the Property”).

We refer to the proposal by Futureenergy Scart Mountain DAC to locate 10 turbines, associated roading and cabling requirements, a substation, a met mast, 2 borrow pits and a temporary construction compound on the Property as part of the Scart Mountain Wind Farm. We wish to advise that we have no objection in principle to the submission of a planning application which solely relates to the proposal to locate 10 turbines, associated roading and cabling requirements, a substation, a met mast, 2 borrow pits and a temporary construction compound on the Property in the manner illustrated in Map 1 and hereby furnish this letter for the purposes of consent only to the submission of this application by Futureenergy Scart Mountain DAC and for no other purpose.

Yours faithfully,

Brenda Molloy
