Appeal Re:- **Development Consisting of a ten-year planning permission for a renewable energy development with a 30-year operational life (from the date of commissioning along with a recreational and amenity facility. The entirety of the renewable energy development constitutes the provision of a ten-turbine wind farm and associated site works on lands in both Counties Leitrim and Sligo. The development will consist of: i. Construction of 2 no. wind turbines with a maximum overall blade tip height of up to 170 metres and associated hardstand areas; ii. 1 no. permanent Meteorological Mast with a maximum height of up to 100 metres, iii. All associated underground electrical and communications cabling connecting the turbines to the proposed wind farm 38kV electricity substation (which is proposed to be located in the townland of Garvagh Glebe, Co Leitrim); iv. Upgrade of existing tracks, roads and provision of new site access roads; v. Recreation and amenity works, including marked trails and associated recreation and amenity signage; vi. Site drainage; vii. Permanent signage; viii. Ancillary forestry felling to facilitate construction and operation of the proposed development; and ix. All associated site development works. A concurrent planning application is being lodged with Leitrim County Council in relation to the elements of the project that are within County Leitrim (which include the provision of 8 no. wind turbines, electrical substation, underground cabling, connection to national electricity grid, access tracks/roads, access junction improvements, amenity works and all associated works). An Environmental Impact Assessment Report (EIAR) and a Natura Impact Statement (NIS) have been prepared in respect of the proposed development and will be submitted with the application.at Towlands of Carrowmore and Carrownyclowan County Sligo**

Dear Ms. Quinn,

I refer to your letter of 4th January, 2023 with regard to the above and the following are the comments of this Planning Authority.

1. The Planning Authority refers the Board to the Planner's Report and other reports prepared in connection with the assessment of this application, and which informed the decision of the Planning Authority to grant planning permission in this instance.

2. The Planning Authority notes in the content of the submission on behalf of the applicant inresponse of a further information request from ABP. This relates to comments received from Inland Fisheries Ireland.

   It is considered that the issues raised would be best addressed by Inland Fisheries Ireland as the prescribed body with responsibility relating to these matters.

Yours sincerely,

Karen Kennedy
