An Appropriate Assessment (AA) Screening Report has been prepared and concluded that there are no likely significant impacts on any Natura 2000 sites as a result of the proposed development. Therefore, a Natura Impact Statement was not required and has not been prepared.

Accordingly, under Section 175 of the Act, DLRCC considers that it is required to apply to the Board for approval. The following documents (2 No. Hard copies) are enclosed as part of this application:

- Plans and particulars for the proposed scheme.
- EIAR & Appendices for the proposed scheme.
- Appropriate Assessment (AA) Screening for the proposed scheme.
