

Extent of 53.5° planar panorama 90° Contextual Wireframe

This planar projection panoramic model has been captured and prepared in accordance with the guidance set out in the Scottish Natural Heritage 2017 guidance 'Visual Representation of Wind Farms'. They are presented above in a non-standard, full project extent format to aid legibility. Please refer to the 53.5° planar projection photomontages and associated wirelines for correct representation of scale.
