Re: Development at Ros an Mhíl- Letter of Consent No 2 – (Remaining Works) a simultaneous application under section 37L of the Planning and Development Act 2000, as amended, for permission to undertake the remaining works to complete the Deep-Water Quay development (The Second Application).

Dear Sir or Madam,

Údarás na Gaeltachta gives consent to the Department of Agriculture, Food and the Marine to include, within its development site for the Deep-Water Quay Project at Ros a' Mhíl Fishery Harbour Centre, the portions of Folio GY27458F and Folio GY16356F shown hatched cyan on the attached map together with the wayleaves, shaded green, also on the attached map.

Údarás na Gaeltachta also gives consent to the Department of Agriculture, Food and the Marine to allow foul water discharge of 35m³/week to be treated at our wastewater treatment plant at Ros a' Mhíl as part of a Substitute Consent Application for the Ros a' Mhíl Deep Water Quay Project.

The current capacity is 2100m³/week, and the current loading is approximately 1065m³/week. The Discharge license number is W182/88.

Should you have any further requirements, please do not hesitate to revert to us.

Le meas,
