

COMHAIRLE CHONTAE CHILL CHAINNIGH
KILKENNY COUNTY COUNCIL

Martin Heydon
Minister
Department of Agriculture, Food and Marine
Agriculture House, Kildare Street, Dublin 2

Kilkenny County Council
Graiguenamanagh Tinnahinch Flood Relief Scheme

Dear Martin Heydon

Kilkenny County Council (hereinafter referred to as "the local authority") has prepared an Environmental Impact Assessment Report (EIAR) and a Natura Impact Statement (NIS) in respect of the proposed Graiguenamanagh Tinnahinch Flood Relief Scheme. The application plans and particulars, the EIAR and the NIS may also be viewed from the following website at <https://www.pleanala.ie/en-ie/home> from the Monday 22nd December 2025.

Any submissions and observations on the proposed development in relation to –

- i. the implications of the proposed development for proper planning and sustainable development in the area concerned,
- ii. the likely effects on the environment of the proposed development, and
- iii. the likely significant effects of the proposed development on a European Site, if carried out,

Any submission/observation must be received in writing by An Coimisiun Pleanála not later than on or before 5.00pm on Wednesday the 11th February 2026. Such submissions or observations must include the following information:

- a) You must clearly state your own name and address. If a planning agent is acting for you, the agent must clearly state their own name and address as well as your name and address.
- b) You must give us enough details to allow us to easily identify the application or appeal on which you are making the observation
- c) The subject matter of the submission or observation and
- d) The planning grounds of observation (reasons and arguments), and any items you wish to support your grounds of observation.

Dated this 10th December 2025.

A handwritten signature in black ink, reading 'Seamus Kavanagh'.

Kilkenny County Council (hereinafter referred to as "the local authority") has prepared an Environmental Impact Assessment Report (EIAR) and a Natura Impact Statement (NIS) in respect of the proposed Graiguenamanagh Tinnahinch Flood Relief Scheme. The application plans and particulars, the EIAR and the NIS may also be viewed from the following website at <https://www.pleanala.ie/en-ie/home> from the Monday 22nd December 2025.

Any submissions and observations on the proposed development in relation to –

- i. the implications of the proposed development for proper planning and sustainable development in the area concerned,
- ii. the likely effects on the environment of the proposed development, and
- iii. the likely significant effects of the proposed development on a European Site, if carried out,

Any submission/observation must be received in writing by An Coimisiun Pleanála not later than on or before 5.00pm on Wednesday the 11th February 2026. Such submissions or observations must include the following information:

- a) You must clearly state your own name and address. If a planning agent is acting for you, the agent must clearly state their own name and address as well as your name and address.
- b) You must give us enough details to allow us to easily identify the application or appeal on which you are making the observation
- c) The subject matter of the submission or observation and
- d) The planning grounds of observation (reasons and arguments), and any items you wish to support your grounds of observation.

Dated this 10th December 2025.
