

APPENDIX 15.1 – CULTURAL HERITAGE PHOTOGRAPHIC RECORD

The Site

Plate 1: View from roadside, looking south across access route for T1.

Plate 2: View towards plantation forest at proposed access route for T1, looking southeast.

Plate 3: View of location of Mass Rock (LH021-010---), looking northeast.

Plate 4: View of T1 access route within plantation forest, looking south.

Plate 5: View of location of T1 within plantation forest, looking south.

Plate 6: View of standing stone (LH021-015---), looking north towards location of T2.

Plate 7: View of location of large turning head, north of quarry, looking southeast.

Plate 8: View of access road between T3 and T2, looking north.

Plate 9: View of location of T2, looking west.

Plate 10: View of access road north of T2, looking north.

Plate 11: View of standing stone LH021-014----, facing south

Plate 12: View towards T03 from standing stone LH021-014----, facing east

Plate 13: View from location of T03 towards LH021-014---- (visible at centre), facing west

Plate 14: View of location of T03, facing east

Plate 15: View of possible location of standing stone LH021-013---- (centre), facing northwest

Plate 16: View of access road between T03 and T04, facing east

Plate 17: View of access road between T03 and T04, facing west

Plate 18: View from proposed access road towards T05 facing southeast

Plate 19: View from proposed access road towards T03 and LH021-013----, LH021-014----, facing northwest

Plate 20: Example of boundary within relic field system facing northwest

Plate 20a: View of stone setting CH08 looking northwest. Townland boundary/estate walling CH10 visible in background

Plate 21: View of quarry adjacent to access road facing west

Plate 22: View from quarry towards proposed access road, T03 and LH021-013----, LH021-014----, facing north-northwest

Plate 23: View from access road towards T04, facing southeast

Plate 24: View from location of T04 towards access road, facing north

Plate 25: View from access road towards location of T04, facing south

Plate 26: Field clearance, facing east

Plate 27: View from substation towards location of T05 and LH021-024----, LH021-052----, facing west

Plate 28: View from substation towards location of T03 and LH021-013----, LH021-014----, facing northwest

Plate 29: View from substation, facing north

Plate 30 View of Met Mast location between Substation and T04

Plate 31: General view of location of T05, facing southeast towards LH021-027001- and LH021-027002-

Plate 32: View from location of T05, facing north towards LH021-013---- and LH021-014----

Plate 33: View from location of T05, facing west towards LH021-024---- (at end of lane)

Plate 34: View of location of T05, facing southeast

Plate 35: View from LH021-027001- and LH021-027002-, towards location of T05 and LH021-024-- --, LH021-052----, facing northwest

Recorded Cultural Heritage receptors in Study Area

Plate 36: View towards E of ruined vernacular cottage CH01 along trackway to site

Plate 37: View to north and general area of LH021-012--- burial ground and LH021-023--- souterrain from elevated position near Cartanstown house

Plate 38: View of church LH021-018001- and graveyard LH021-018003- towards northwest

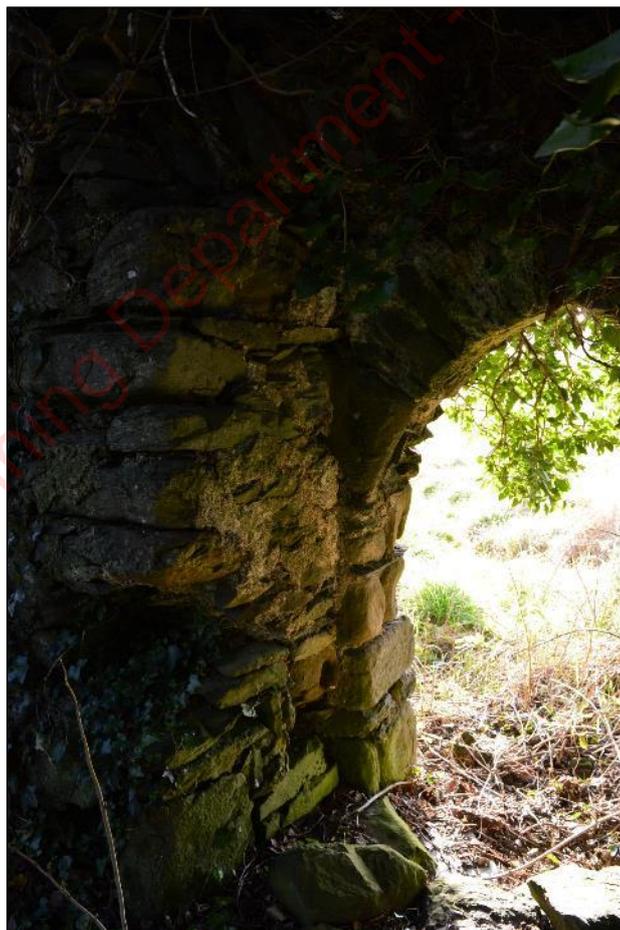

Plate 39: Interior view of church LH021-018001-

Plate 40: View towards east and church LH021-018001-

Plate 41: View towards southwest of deserted medieval village LH021-027001- and motte LH021-027002-

Plate 42: View towards northeast of deserted medieval village LH021-027001-

Plate 43: View towards northwest and centre of motte LH021-027002-

Plate 44: View towards northwest and cross-country equestrian trail at motte LH021-027002-

Plate 45: View towards west showing modern ground reduction within ZoN of motte LH021-027002-

Plate 46: View towards northeast and recorded location of fulacht fiadh LH021-052--- within a small forest clearing

Plate 47: View towards north of standing stone LH021-024--- within forest clearing

Plate 48: View towards south of rear of Cartanstown House

Plate 49: View towards Piperstown House (behind trees) from motte area LH021-027002-

Plate 50: View towards north and Piperstown gate-lodge and main entrance area

Plate 51: View towards Rokeby House entrance and gate-lodge

Plate 52: View towards northeast and Drumshallon Forge Heritage & Community Centre (CH04)

Plate 53: View towards west and windmill stump CH05 near Drumshallon Community Centre

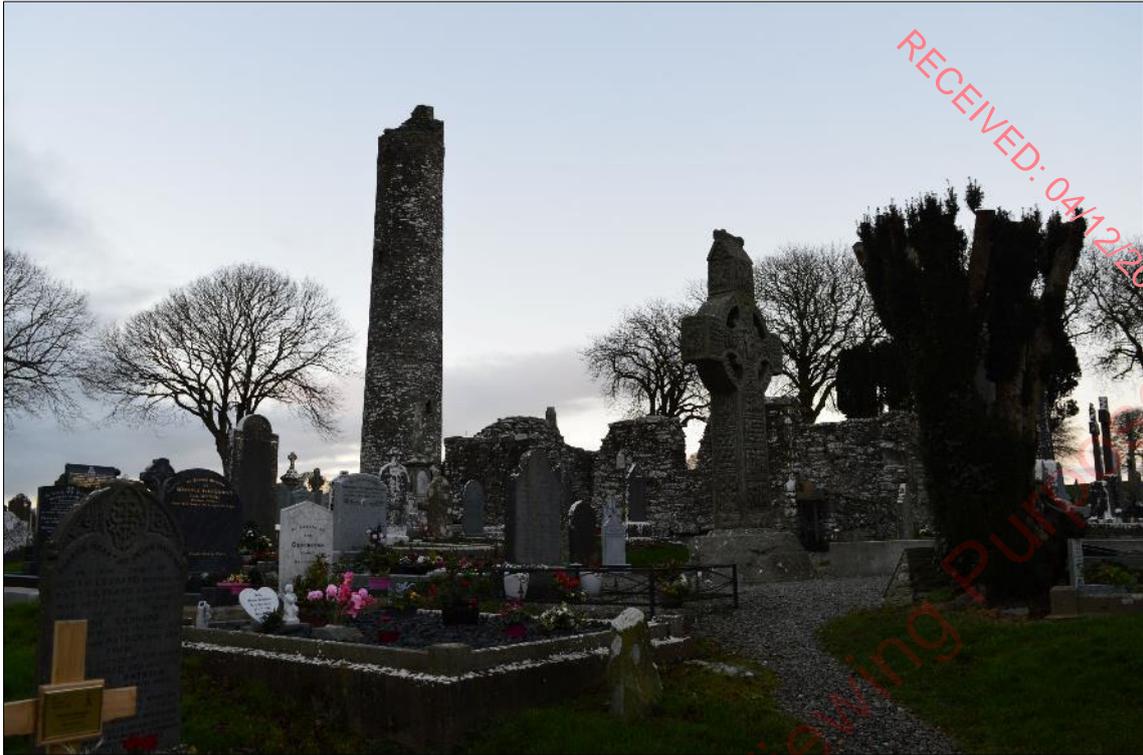

Plate 54: General view towards Monasterboice archaeological complex

Plate 55: View from entrance of round tower, Monasterboice towards northeast (approximate PDS area beyond)

Plate 56: General view of Old Mellifont Abbey

Grid Connection Route

Plate 57: View towards substation from cable route, facing north

Plate 58: View of vernacular bridge CH11 adjacent to cable route, facing northwest

Plate 59: View of cable route along existing access road for Piperstown Equestrian Centre, facing west

Plate 60: View of cable route along main road (from Piperstown equestrian centre entrance) facing southwest

Plate 61: View of cable route (outside Piperstown House gate-lodge) facing northeast

Plate 62: View of cable route (outside Piperstown House gate-lodge) facing southwest

Plate 63: View of cable route, Ballymakenny Road, facing south

Plate 64: View of cable route outside Keogh's Pub, Ballymakenny Road, facing north

Plate 65: View of cable route outside Bone Valley Baptist Church (SMR LH021-038001-, LH021-038002-, NIAH13902114 RPS Lhs021-008), Ballymakenny Road, facing northeast

Plate 66: View of vernacular buildings opposite Bone Valley Baptist Church, Ballymakenny Road, facing southwest

Plate 67: View of cable route at junction between Ballymakenny Road and Cockle Road, facing west

Plate 68: View of pump along cable route at Cockle Road, facing west

Plate 69: View of cable route at junction between Cockle Road and R132, facing south

Plate 70: View of cable route at entrance to Killineer House on R132, facing north

Plate 71: View of cable route at R168, facing northwest

Plate 72: View of cable route at junction between R168 and Barrack Lane, facing north

Plate 73: View of cable route at Barrack Lane, facing west

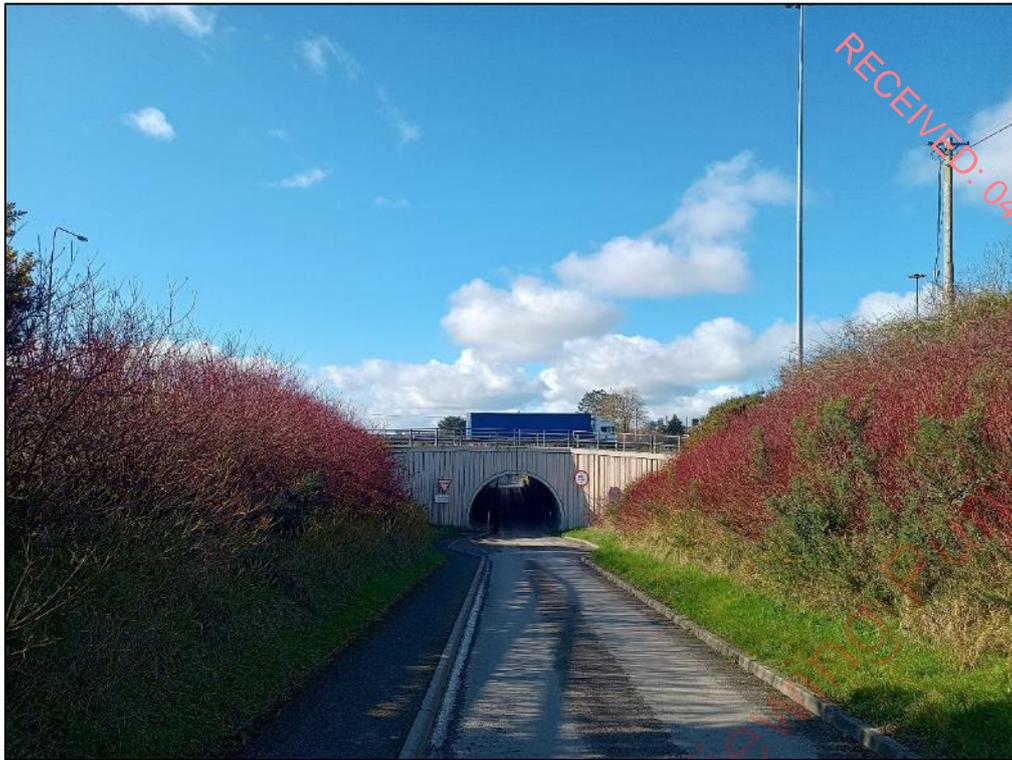

Plate 74: View of cable route Slane Road underpass, facing west

Plate 75: View of cable route looking along Slane Road from entrance to Drybridge 110kV substation, facing east
