

Chapter 1:

Introduction & Methodology

Chapter 2:

Project Description & Alternatives Examined

Chapter 3:

Population and Human Health

Chapter 4:

Archaeology, Architectural
& Cultural Heritage

Chapter 5:

Biodiversity (Flora & Fauna)

Chapter 6:

Landscape & Visual Impact

Chapter 7:

Land and Soils

Chapter 8:

Water

Chapter 9:

Air Quality & Climate

Chapter 10:

Noise & Vibration

Chapter 11:

Wind

Chapter 12:

Material Assets

Chapter 13:

Interactions between Environmental Factors

Chapter 14:

Summary of Mitigation & Monitoring Measures
