Appendix 14.2 Material Assets Agriculture Cumulative Impact Assessment

| Application Ref. No. | Planning Authority | Type of Development | Address | Area (ha) | Likely Significant Cumulative Impacts |
|----------------------|-----------------------|---------------------|-------------------------|-----------|--|
| 15489 | Galway County Council | Residential | Knocknagreine | 7.30 | Not significant on a regional / county basis when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 16664 | Galway County Council | Residential | Knocknagreine | 7.30 | Not significant on a regional / county basis when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 201306 | Galway County Council | Residential | Cnoc na Grúine | 0.34 | Not significant on a regional / county basis when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 2295 | Galway City Council | Residential | Menlo | 0.46 | Not significant on a regional / county basis when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 2297 | Galway City Council | Residential | Ballagh, Bushypark | 0.22 | This development in combination with the Project would have a not significant effect on MO 498 due to the loss of 0.1ha from this land parcel. The cumulative effect is not significant on a regional / county basis when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 21264 | Galway City Council | Residential | Lenabower, Cappagh Road | 0.69 | Not significant on a regional / county basis when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 21306 | Galway City Council | Residential | Monument, Road, Menlo | 0.20 | Not significant on a regional / county basis when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |

| Application Ref. No. | Planning Authority | Type of Development | Address | Area (ha) | Likely Significant Cumulative Impacts |
|----------------------|-----------------------|---------------------|---------------------------------------|-----------|--|
| 22271 | Galway City Council | Residential | Lakeview Hill, Barnacranny, Bushypark | 0.45 | This development in combination with the Project would have a not significant effect on MO 501 due to the loss of 0.45ha from this land parcel. All planned residential developments in this land parcel would have a significant adverse effect on the land parcel. The cumulative effect on a regional / county level is not significant when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 23118 | Galway City Council | Residential | Lenabower Road, Cappagh Road | 0.69 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 2360007 | Galway City Council | Residential | Headford Road | 1.11 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 22189 | Galway City Council | Residential | Ballagh, Bushypark | 0.22 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 22207 | Galway City Council | Residential | Menlo | 0.67 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 191687 | Galway County Council | Residential | Forramoyle West | 0.22 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 191682 | Galway County Council | Residential | Forai Maola Thiar | 0.30 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 2041 | Galway City Council | Residential | Ballagh, Bushypark | 0.10 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 2225 | Galway City Council | Residential | Monument Road, Menlo | 0.98 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |

| Application Ref. No. | Planning Authority | Type of Development | Address | Area (ha) | Likely Significant Cumulative Impacts |
|----------------------|-----------------------|---------------------|---------------------------------------|-----------|--|
| 21432 | Galway City Council | Residential | Monument Road, Menlo | 0.29 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 1933 | Galway City Council | Residential | Circular Road | 1.03 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 2214 | Galway City Council | Residential | Ballindooley, Castlegar | 0.24 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 1933 | Galway City Council | Residential | Circular Road | 0.61 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 20249 | Galway City Council | Residential | Lakeview Hill, Barnacranny, Bushypark | 0.46 | This development would have a not significant effect on MO 501 due to the loss of 0.46ha from this land parcel and in combination with the Project would not increase the overall impact on the land parcel. All planned residential developments in this land parcel would have a significant adverse effect on the land parcel. The cumulative effect on a regional / county level is not significant when assessed in combination with the proposed Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 2260140 | Galway County Council | Residential | Gortacleva | 0.23 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 2260576 | Galway County Council | Residential | Na Forraí Maola Thiar | 0.57 | This development would have a significant adverse effect on MO 115 due to the loss of 0.57ha from this land parcel and in combination with the Project would increase the overall impact on the land parcel to very significant adverse. Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 2260672 | Galway County Council | Agricultural | Loughinch | 0.46 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |

| Application Ref. No. | Planning Authority | Type of Development | Address | Area (ha) | Likely Significant Cumulative Impacts |
|----------------------|-----------------------|---------------------|---------------------------------------|-----------|---|
| 20227 | Galway City Council | Residential | Monument Road, Menlo | 0.44 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 2260704 | Galway County Council | Residential | Na Forraí Maola Thoir, | 0.21 | This development would have a not significant effect on MO 160 due to the loss of 0.21ha from this land parcel and in combination with the Project would not increase the overall impact on the land parcel. It is not significant when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 191437 | Galway County Council | Residential | Knockaunna-carragh, | 0.40 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 19250 | Galway City Council | Residential | Lakeview Hill, Barnacranny, Bushypark | 0.46 | This development would have a not significant effect on MO 501 due to the loss of 0.45ha from this land parcel and in combination with the Project would not increase the overall impact on the land parcel. All planned residential developments in this land parcel would have a significant adverse effect on the land parcel. The cumulative effect on a regional / county level is not significant when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 2360023 | Galway City Council | Residential | Letteragh Road, Letteragh, Rahoon | 0.02 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 211365 | Galway County Council | Residential | Ballard West | 0.31 | This development would have a not significant effect on MO 198 due to the loss of 0.31ha from this land parcel and in combination with the Project would not increase the overall impact on the land parcel. It is not significant when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 2318 | Galway City Council | Residential | Monument Road, Menlo | 0.36 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |

| Application Ref. No. | Planning Authority | Type of Development | Address | Area (ha) | Likely Significant Cumulative Impacts |
|----------------------|-----------------------|---------------------|---|-----------|--|
| 2360042 | Galway City Council | Residential | Quarry Road, Menlo | 0.36 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 2360071 | Galway City Council | Residential | Ballagh, Bushypark | 0.38 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 21165 | Galway City Council | Residential | Headford Road, Ballindooley | 0.26 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 21166 | Galway City Council | Residential | Headford Road, Ballindooley | 0.26 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 2362 | Galway City Council | Residential | Headford Road | 0.67 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 2182 | Galway City Council | Residential | Ballagh, Bushypark | 0.29 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 22164 | Galway City Council | Residential | 9 Ard na Locha, Bushypark, Dangan Upper | 0.43 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 21187 | Galway City Council | Residential | Coolough, Briarhill | 0.23 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 211297 | Galway County Council | Residential | Forramoyle East | 0.21 | This development would have a not significant effect on MO 160 due to the loss of 0.21ha from this land parcel and in combination with the Project would not increase the overall impact on the land parcel. It is not significant when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |

| Application Ref. No. | Planning Authority | Type of Development | Address | Area (ha) | Likely Significant Cumulative Impacts |
|----------------------|-----------------------|---------------------|----------------------------|-----------|--|
| 20583 | Galway County Council | Residential | Gurrane, Oranmore | 0.24 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 21213 | Galway City Council | Residential | Mincloon, Ragoon | 2.01 | This development would have a significant adverse effect on MO 241 due to the loss of 2ha from this land parcel and in combination with the Project would not increase the overall impact on the land parcel. It is not significant when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 211180 | Galway County Council | Residential | Truskey West | 0.19 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 211178 | Galway County Council | Residential | Truskey West | 0.21 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 21175 | Galway County Council | Residential | Fothraí Maola Thiar | 0.20 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 2360131 | Galway County Council | Residential | Toin na Brocaí, Ragoon | 0.32 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 2361053 | Galway County Council | Residential | New Village Barna H91 P9WC | 1.14 | This development would have a significant adverse effect on MO 101 due to the loss of 1.14ha from this land parcel and in combination with the Project would not increase the overall impact on the land parcel. It is not significant when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 20148 | Galway City Council | Residential | Ballindooley Headford Road | 0.60 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |

| Application Ref. No. | Planning Authority | Type of Development | Address | Area (ha) | Likely Significant Cumulative Impacts |
|----------------------|-----------------------|---------------------|---|-----------|--|
| 21496 | Galway County Council | Residential | Forramoyle East | 0.19 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 23193 | Galway City Council | Residential | Monument Road, Menlo | 0.36 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 201494 | Galway County Council | Residential | Na Forraí Maola | 0.40 | This development would have a slight adverse effect on MO (108,124,125) due to the loss of 0.4ha from this land parcel and in combination with the Project would not increase the overall impact on the land parcel. It is not significant when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 20163 | Galway County Council | Residential | Furrymelia | 0.22 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 201356 | Galway County Council | Residential | Na Forai Maola Thiar | 0.24 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 23129 | Galway City Council | Residential | South of the Letteragh Road (L1323) Rahoon, Letteragh | 4.03 | This development would have a significant adverse effect on MO 484 due to the loss of 4.03ha from this land parcel and in combination with the Project would not increase the overall impact on the land parcel. It is not significant when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 20212 | Galway City Council | Residential | Menlo | 0.49 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 2360649 | Galway County Council | Residential | Trusky East, Bearna | 3.22 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |

| Application Ref. No. | Planning Authority | Type of Development | Address | Area (ha) | Likely Significant Cumulative Impacts |
|----------------------|-----------------------|---------------------|---|-----------|--|
| 2360778 | Galway County Council | Residential | Forramoyle East, Barna | 0.28 | This development would have a not significant adverse effect on MO 103 due to the loss of 0.28ha from this land parcel and in combination with the Project would not increase the overall impact on the land parcel. It is not significant when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of County Galway |
| 2360905 | Galway County Council | Residential | Polkeen, Castlegar | 0.31 | Not significant on a regional / county level when assessed in combination with the Project because landtake is less than 0.02% of the agricultural area of Co. Galway |
