Appendix 8.23 – Part 1 – Summary of 2014-2015 Wintering Bird Survey Results

The results of the wintering bird surveys carried out over the winter of 2014/15 are presented in the tables below. Table 1 lists the British Trust for Ornithology (BTO) species codes, along with the corresponding common name, that are used in Table 2. Table 2 presents the results of the wintering bird surveys by wintering bird survey site. The winter bird survey sites, and their relationship to the proposed road development, are listed and shown on Figure 8.9.1.
